Combines Take Over Lead, Defeat Maple In Close Game

Combines 9, Maple 8
On Friday night of the past week the fast travelling team of Combines defeated Cal Miller's Maple Buds by the score of 9-8 in the Aurora Arena before a record crowd of lacrosse fans.

The closeness of the score indicates the play throughout the game as it was not until the final gong was the game decided. This game was the best to have been witnessed in this league and if the boys can keep this brand of lacrosse before the public the arenas will be packed with supporters.

The goal keepers for both teams were outstanding players, turning back shots that had all the earmarks of goals, and on several occasions Gord Smith for Combines and Harry Rumble for Maple held their opponents off when desperate rushes were made to put their team in the lead.

Al. McNair was the outstanding player for Maple and at times when the playing was tough you would find him there holding the team together. Lorne Wells was another player worthy of mention.

For Combines the forward line of the Burton Bros. were best scoring five goals, Harry and Ray collecting two, and Cleve one. Jeff Elliott bulged the twine for two counters, and Ben Thompson and Bruce Wark netted singles.

Woodbridge 13, Richmond Hill 6
Richmond Hill boys sank further into the cellar on Thursday night when they were defeated by the Woodbridge team in the local arena by the score of 13-6. The Hill boys were out-lucked on several occasions and the score did not indicate the play.

The Woodbridge team has been somewhat weakened by injuries with no less than four of their regular players being laid up. Capt. Jack Elder will be out for some time receiving a broken leg early last week in a ball game at Woodbridge. Jack will be greatly missed by his team mates, being the player which commenced practically all their plays, as well as a power house on defence.

In this game the Hill boys trotted out two new players, but by no

means strangers to lacrosse fans of this district, Bill Patrick of Aurora who played for the Hill in the final stages of the Tri-County league when Aurora was knocked out of the standing. Bill will be a big asset to the Hill team and before long will give a good account of himself. Harold Weese, another former Young Canadian was back in uniform for the local squad and with a few more practices under his belt will be back to his old tricks. These two boys will undoubtedly add strength to the Hill team in future games.

The Hill boys were outscored on Thursday night but by no means disgraced in their play, and with a bit more luck might easily have been on the winning side of the game. The Woodbridge boys were somewhat jittery in spots and at times it looked as if they might fold up and give the game away. With a few practices and if the boys would all turn out to games Manager Chas. Ryan might produce a team for Richmond Hill that would give the best team in the league a run for the silverware.

This Thursday night the Richmond Hill boys will be hosts to the Maple team and if the Hill boys would ever get together and all turn out to a game at one time it might be possible they would turn the tables on Cal Miller's boys. Manager Charley Ryan is stressing a point this week and if he makes up his mind to have a winning team anything can happen.

Woodbridge will be the opposition for the Combines in Aurora Arena on Friday night. This game should attract the largest crowd of the season as the league leadership is at stake and both teams will be out fighting for a win.

Next Wednesday night at Maple Sports Bowl, Maple will endeavor to do the Woodbridge aggregation and increase their position in the standing.

The present standing of the teams are:

	P	W	L	Pts
Combines	10	7	3	14
Woodbridge	9	7	2	14
Maple	9	5	4	10
Richmond Hill	10	0	10	0

Play-offs Nearing In North York Lions Hardball League

On Monday, July 1st the Richmond Hill midgets invaded Grant Nighswander's home town of Markham and walloped the homesters to the tune of 14-6. This was the first meeting of the two teams this year and the Hill boys looked much the better.

Norm Stunden pitched the entire game allowing only two hits. His mates in the field had several errors credited to them which accounted for the runs scored.

Mack Clement was the big scorer for the local lads with four runs scored for four times at bat. The Hill gathered five runs in both the fifth and seventh innings, while the most Markham could secure in an inning was three, which came in the second.

Newmarket 6, Richmond Hill 3
Last Thursday evening the juniors journeyed to Newmarket to play the return game in the canal town. As was expected many arguments were had and quite a time was had settling old time disputes. The local lads went down to defeat by the score of 6-3 and with a little more luck at bat would have made it interesting for the opposition.

Ken Stevenson started on the mound for the Hill and was relieved by Stunden in the fourth. From then

on it was a pitcher's battle, Stunden allowing only one hit in three innings.

The three runs scored by the Hill boys were scattered and at no time were they a threat to the opposing team.

Markham 6, Richmond Hill 6
Richmond Hill Jr. hardball team, following in the footsteps of the lacrosse boys? On Tuesday evening the team was scheduled to play at Markham. At the appointed hour not enough of the boys turned up to make a full team and a few of the midgets were pressed into action and one player loaned from the opposition made up the team. The boys who played made a fine showing and were fortunate to hold the opponents to a tie.

Norm Stunden pitched for the Hill, this being his second game in two nights, and he allowed only seven hits.

The regular scheduled games are now completed and the teams are waiting in the play-offs which will likely start next week. At the present time President Grant Nighswander has set no definite dates as to when the play-offs will get under way.

FIRST OF 2,500 PRAIRIE FARM WORKERS ARRIVE IN TORONTO

A party of 19 experienced farm workers from the Prairie Provinces on their way to jobs on Ontario

EXTRA MILEAGE GOOD YEARS ARE PREFERRED 3 to 1

The obvious reason for this popularity lies in the "extras" you get in a Goodyear tire. Extra mileage... extra stamina... extra safety... extra satisfaction. You can't buy a better tire!

GOODYEAR WHITE & YOUNG
Yonge Street, Richmond Hill

farms arrived in Toronto recently, it was announced by Hon. Humphrey Mitchell, Minister of Labour.

The party represented the vanguard of some 2,500 western farm workers who under the Dominion-Provincial Farm Labour Program are being recruited in Alberta, Saskatchewan, and Manitoba between June 12 and July 10, and given free transportation East, to help hard-pressed Ontario farmers with haying and early harvesting operations.

On arrival in Toronto they were met by a Government official who arranged for their transportation to the particular farmers who had placed orders for them.

While Spring operations are now practically completed in the Prairie Provinces, the Provincial Departments of Agriculture, offices of National Employment Service and various local agencies co-operating in the recruiting of these workers are taking special steps to ensure that only those who can be spared from farms in the West, will take part in the movement.

From now until recruiting is over, parties of these workers will be arriving daily in Ontario. The first group to arrive in Ottawa, the central distribution point for Eastern Ontario, is expected about June 22. About 1,750 are expected to be recruited from Saskatchewan, 500 from Alberta, and 250 from Manitoba.

The prevailing wage on Ontario farms for these workers, all of whom are experienced in farm work, is about seventy dollars a month and board.

Workers taking part in the movement will remain in Ontario during June, July and part of August. They will return to the West during the latter part of August when a reciprocal movement of Eastern workers to the Prairies will take place as required.

BUDD KNAPP

Both drama producers and radio actors think that the name Budd Knapp is synonymous with the best in professional radio acting. In Toronto since 1941, the Ottawa-born Knapp has starred in every kind of radio play from children's fantasies to "The Johnny Home Show" and "Stage 46," and it takes a keen ear to identify him in his diverse characterizations. Among Knapp's current roles is that of "Shorty" in the Monday night broadcasts of "Science a la Mode" on the CBC Dominion network at 10.30 p.m. EDT.

The automotive industry is celebrating its 50th anniversary this year.

Learning to Do by Doing

These girls are a few of the many members of Homemaking Clubs, part of the great national youth organization known as the Farm Boys' and Girls' Clubs of Canada.

Here they are shown working on a clothing project. The members of these Homemaking Clubs number more than 10,000, and, in addition to several other activities, make many of their own articles of clothing which are the latest word in style and good workmanship.
