

King City District News

Mr. George Downing and family have moved to Wyebridge.

A delightful afternoon was spent at the Baptist parsonage, King, recently when Kettleby Ladies' Aid was entertained by the local group, with Mrs. Harry Wilson, president of the Kettleby society and mistress of the manse, acting as chairman and hostess. Devotional readings on the theme of prayer were given by Mrs. C. Kinnee and Mrs. Tena Wilson. Miss Laura Black, Kettleby, gave a vocal solo and Miss Donna Wilson, daughter of the parson, a piano solo. Supper was served with 35 sitting down. This annual event is much enjoyed by the ladies of both churches.

Visiting Mrs. A. Gray and Mrs. T. Wilson recently were Miss Margaret Gray, Toronto with her friend Miss Edna Gordon.

Mrs. Douglas, formerly Tillie Patton, of Copper Mountain, B.C., and her son George, are visiting her sister, Mrs. Fred Boys, at King; Mrs. Chas. Barnes, Toronto, and Mrs. Alvin Walker, Kirkland Lake, on an extended stay in her home community. She also spent some time at Oshawa with teachers of the public school there, where she taught before her marriage and departure for British Columbia.

Fifty dollars has been voted by King City Memorial Library executive toward the purchase of children's books. A careful study of the best type of reading has been submitted by Miss Jarvis, chairman, in conjunction with Miss Patton's advice, the latter of King school staff.

Mrs. M. R. Jenkinson has been ill in Toronto Western Hospital, where she underwent a surgical operation. She is doing well and is able to return to King. At the same time, Mr. Jenkinson's father was in hospital which altogether has taken up much of Rev. M. R. Jenkinson's time. Recovery in both cases is satisfactory.

Mrs. Henry Hambly was again removed to Western hospital for treatment and is improving at last report from her family here.

On Sunday, June 30th, a son was born to Mr. and Mrs. John Bingham (nee Effie Bice) at York County Hospital. Both are doing well.

At York County Hospital, Tuesday, June 25th, a daughter was born to Mr. and Mrs. Allan Gellatly of King.

Mrs. R. Gellatly and daughter Jessie attended the wedding of Miss Edna Gellatly, Toronto, the former's granddaughter, which was held on Saturday last.

Mr. Alexander Gervard of Victoria, B.C. is visiting his sister, Mrs. Aubrey Campbell, joined by Mr. and Mrs. Chris Hawkins, Toronto, they all were guests of the Cameron-Carlile wedding, Oak Ridge, on Saturday, June 29th.

Foregoing their annual picnic this year, pupils of the Community Settlement school, 5th con., were given garden seeds, to the value of 50 cents, each family represented in the school to engage in gardening, the plots to be judged at a later date.

Community activity at King centres on the forthcoming King City Street Dance July 11th, sponsored by Lake Marie and King Athletic Association. Proceeds will go toward the Memorial Park here. King W.I. July meeting will be withdrawn this month in order to participate in a share of the event. The refreshment booth will be undertaken by the Branch.

Family of the Rev. E. G. Worrall have moved from Cobourg to the rectory at King. They are welcomed back to their former home here, vacated by them during Mr. Worrall's overseas duty as padre in the Canadian Army.

Mr. and Mrs. J. S. Lawson were guests of their daughter, Mrs. Irving L. Scott at their cottage, Victoria Harbour, over Dominion Day week-end.

Eversley Presbyterian W.M.S. sent out a mission bale valued at \$126 which was assembled at the June meeting marking the 64th anniversary of the society. Miss Ethel Ferguson and Mrs. J. Phillips gave readings and Mrs. T. Proctor a vocal solo at the meeting held at the home of the president, Mrs. A. McClure.

Miss Florence Cain is establishing a hairdressing parlour at Fenelon Falls and left on Monday, with her brother Vincent and Lorne Brown by motor.

Piano Recital

A large gathering of parents and friends were present at the home of Miss Dorothy Armstrong of King to hear her pupils in an outstanding piano recital, held on Friday evening, June 28th. The excellence of expression and technique was a matter of congratulation for the class and teacher, who carried through a lengthy program with intimate care despite the excessive heat of the evening. Mrs. Blanche Stone Proctor rendered groups of fine vocal solos, accompanied by Miss Armstrong. At the close of the evening, Mrs. H. Wilson expressed appreciation on behalf of the parents of children whose musical training is being developed by their teacher along very commendable lines. As a moment of the admiration felt by the class for Miss Armstrong, Miss Janet Langdon on behalf of the studio presented her with a gift of money. The studio room was adorned with peonies, the gift of Bruce Parker, and also with a vase of snapdragons. Mrs. Armstrong received with her daughter, and refreshments were passed by boys and girls of the piano studio. The following students took part in the program: Joyce Hately, Johnny Walker, Anne Mesley, D. Armstrong, Joan Patton, Jack Watters, Carol Hately, Carol Armstrong, Stephen Jarvis, Marjorie Wilson, Beth Hodson, Phyllis Barker, Julia Bell, Bob Mesley, Mary Anne Moore, Joan Richards, Ken Ham, John Dew, Marilyn Pearsons, Ruth Williams, Marlene Lloyd, Bruce Parker, Eunice Hunter, Joan Reid, Beverly Lehman, Elva Woods, Gerry McDonald, Donna Wilson, Francis McDonald, Alison Hobson, Florrie Beynon, Kathleen Marwood, Margaret Beynon, Isobel Kyle, Ceinwin Calder, John Langdon, Janet Lang-

don, John Langdon, Freda Dent, Bernice Cairns, Jim McDonald.

Cameron-Carlile

In a setting of peonies, St. John's Anglican Church, Oak Ridge, was the scene of a pretty wedding on Saturday, June 29th, when Jean Elmslie Carlile, daughter of Mr. and Mrs. Archie Carlile, Oak Ridge, became the bride of Douglas George Cameron, son of Mr. and Mrs. Wm. Cameron, Aurora. The Rev. E. W. G. Worrall officiated and Miss Helen Whitten was at the organ and the bride's aunt, Mrs. Asa Cook, Aurora, sang "O Perfect Love". The ushers were Eric Bunn and Vern Powell given in marriage by her father the bride wore white slipper satin, Queen Elizabeth gown, styled in shoulder cape-line effect and high net neckline. From a coronet of orange blossoms was arranged a full length embroidered tulle veil. She carried a cascade bouquet of roses and lily-of-the-valley, and she wore a two strand pearl necklace and earrings, the gift of the groom. The bride's sisters were attendants. As matron of honour, Anna Mae Carlile was dressed in spider web blue, matching sweetheart halo and fingertip veil. The bridesmaids, Mrs. Eric Bunn and Mrs. Norma Chadwick, were gowned alike in shadow flowered sky blue organza, and matching halo headress and veils. They carried variegated nosegays. Attending the groom was his brother Edward Cameron. The reception for a hundred guests was held at Larchmere Summit, the home of the bride's parents, when Mrs. Carlile was dressed in white eyelet embroidery, white picture hat and white accessories. Assisting, the groom's mother wore romance blue, matching hat and accessories and both wore corsages of roses. Travelling to points in United States, the bride wore white lace dress, white hat and accessories, and black satin coat. A spray of roses and bouvardio completed the costume. Upon their honeymoon return, the couple will live in Aurora.

Mrs. John Wade Buried in King Cemetery

Mrs. Eliza Moody Wade, wife of the late John Wade, passed away peacefully after a lingering illness at her home, third concession, King, on Friday, June 28th in her 78th year. The service was held on Sunday from her late residence with Mr. Roy Boak officiating, assisted by Rev. M. R. Jenkinson. She was laid to rest in King cemetery beside her husband who passed away three years ago. Mrs. Wade was born at Glenville and came as a bride 56 years ago to the farm on the third, which has been carried on by her son Aubrey. She was a member of Eversley Presbyterian Church and a life member of the W.M.S. which she served most faithfully for as long as she was able. Years of expert needlework went into the making of quilts for the mission bales and she was always ready to serve the church in whatever capacity was within her reach. Her modest manner and loving disposition made her a favourite with all. Mr. Boak spoke of her close association with her children and grandchildren and the pleasure she gained from their devotion. The bearers were Eldon Wade, Maple; William Fry, and John Stewart of Thornton; Norman Ferguson and Duncan Ross, King; William Lane, Newmarket. Surviving are one son Aubrey and a daughter, Mrs. Scott Bovair, both of King; Mrs. Laura Legge, Toronto and Mrs. Ethel Thompson of Regina, Sask., six grandchildren and one great grandchild. There are also four sisters and one brother, all of Newmarket. Mrs. G. Close, Mrs. W. Lane, Miss Fronie Moody, Mrs. Bertha Chappelle and Albert Moody.

Eversley Anniversary will be held at 11 a.m. and 7:30 p.m. on Sunday, July 7th. The Rev. Currie Creelman, Weston Presbyterian Church, will preach and at the morning service Kettleby United Church will be guest singers, with Laskay United church choir in the evening.

Master Jim Langdon is on the sick list.

Laskay Field Day and Reunion has been postponed to Saturday, July 6. Rain on Dominion Day was the reason.

The big event of the coming week will be the annual street dance held at King City under the auspices of the King Athletic Association. As in previous years another bumper crowd is expected and all that is necessary to assure this is for old man weather to be kind that evening.

This year Russ Creighton and his string band will supply the music for modern and old time dancing. There will be many midway attractions and the highlight of the event will be a master magician who will give a performance during the evening.

A lucky draw will be held and tickets are now on sale for some very valuable prizes. The entire proceeds will be for the new King City Memorial Park.

The officers of the association are Bert Kelley, president; N. D. McMurchy, secretary, and Jack Walkington, treasurer.

HENS NEEDED TO LAY EGGS

To discourage early slaughtering of laying hens and thus maintain maximum egg production across Canada, the period during which fowl (hens) may sell at the highest price level has been extended from June 30 to July 31, according to a recent announcement made by the Wartime Prices and Trade Board.

Board officials explained that because of the unusually cool weather the majority of flocks were still in good laying condition and by extending the high price level period poultrymen would be encouraged to hold the fowl for a longer period.

Under the previous order the price would have dropped 2½ cents per pound on July 1. The drop is now scheduled to take place August 1.

AN INDUSTRY Pledged TO THE FURTHERANCE OF AGRICULTURE

Founded and developed on the basis of helpfulness to the farmer, the implement industry is entirely dependent on the prosperity of agriculture for its own success.

Through the years, the implement maker has, with quality of product and genuinely helpful service, won the high regard and goodwill of the users of his product. There are few farmers who do not value sincerely the service of the implement company.

The farmer and the implement maker have mutual interests in the welfare of agriculture and its progress towards higher standards and improved methods. Working for the common cause both have contributed much to the betterment of farming in general.

In the past, new developments in equipment have enabled the farmer to do his work in less time and at less cost. Such equipment has helped the farmer offset adverse conditions such as drought and soil drifting, to combat insect pests and other types of crop destroyers, and to replace manpower in times of labour shortage. The self-binder, the tractor and power farming machines, the one-way disc and the pull-type combine, each in its time has helped the farmer in making his efforts successful and profitable.

Achievements in the past have been notable and fruitful. Setbacks from time to time delayed but did not prevent the onward march of agriculture. And the future will bring advances in farming, too.

The self-propelled combine, perfected by Massey-Harris prior to the war, has opened up new fields of possibilities in implement engineering, and other new machine developments assure that, in his efforts to further improve agriculture, there will be available to the farmer equipment that will offer greater advantages in saving time, labour and expense. Massey-Harris is proud of its long association with the farmers of Canada in promoting the welfare of agriculture.
