Woodbridge Win Two Hold Firm Grip On 1st Place Local Midgets Play Tie Game

The midget section of the North York Lacrosse League is now in full swing and some very exciting games are promised for the fans who make it their business to attend this summer sport.

Last Friday night before a hand-full of spectators the Richmond Hill Midgets and Mike Miller's Maple lads displayed one of the finest games of lacrosse witnessed in this section this year. Fans were amazed at the speed the younger boys displayed throughout the game and several comments from the older lacrosse boys were very high in the brand of lacrosse played.

The game was very even throughout and ended in a tie score, 6 all, which indicates that both teams are on an even basis.

Norm Stenden led the Hill in the scoring end with his two fine goals, while single counters were registered by Red Gamble, Mack Clement, Phil Stewart and Gerald Paris.

The Maple boys were led in their scoring by three boys who have been playing with the Intermediate team during the early season, Armitage with three, White two and Jones a single.

At the present time no schedule is drawn up and the boys are playing on a week to week basis. This does not prove satisfactory as the boys would like to have their games advertised ahead of time. It is understood that one team is holding up the schedule being undecided about a team being entered.

Woodbridge strengthened their lead on first place last Wednesday night when they defeated the Maple boys in their own home sports bowl by the score of 12 to 7. This was a real set-back for the Maple fans who had their minds made up that this was the game they had to win.

The first string line of Norton, Rowntree and Ireland accounted for 11 of Woodbridge team's goals and were impossible to stop and it was only the wonderful net minding of Harry Rumble in the Maple nets which kept these boys from gathering more points. Bill Norton bulged the net for five goals, Sonny Rowntree four and R. Ireland two.

The Maple boys tried hard but

were no match for their opponents, finding Bill Cox in the Woodbridge nets a stumbling block which they couldn't overcome. The scorers for the Maple team were Ray Thompson with three and one apiece to B. Parkes, H. Orr, A. Orr and H. Cooper.

Woodbridge II, Combines 6 Woodbridge are now undisputed leaders of the league by virtue of their win over the Combines at the Woodbridge bowl on Tuesday evening by the score of 11-6. They are now well out in front of their opponents, the Combines.

The game on Tuesday evening was featured by the scoring of a goal by Bill Cox, the Woodbridge goalie. In making a long pass to one of his players the Combines goalie made an effort to block the pass and the ball went in the net. This was one of the freak goals but they all count the same.

The first period was very even and some close checking was done. Both teams scored one goal, Combines coming from the stick of Hugh Kerr and Ray Ireland notching the Woodbridge counter.

From the second period on Woodbridge held control of the game and at no time were they challenged seriously by the opposition. Bill Norton was the leading scorer for the Woodbridge team with five goals to his credit. Single goals were scored by R. Ireland, Bill Taylor, Jim McEachern, Son Rowntree and Bill Cox.

The Combines were led by the Burton Bros. and between these three boys, Harry, Ray and Cleve, five goals were scored for their team the other counter being accounted for by Hugh Kerr.

Next Tuesday night Maple will play at Woodbridge. This will be the game that was postponed from the early part of the schedule. Fans will be on hand from all parts of the county to see this tussle.

The schedule is fast drawing to a close and few games remain and to make matters worse the majority of the games were to be played with the Richmond Hill squad which has dropped from competition.

The play-offs will commence about the middle of August.

HOME OF BRAVE

"The divorce rate is rapidly making America the land of the free, all right," a visiting Englishman said to an American friend. "Yes," said the American, a somewhat henpecked husband, "but the marriage rate is increasing too, showing that America is still the home of the brave."

IF YOU LIVE IN A HOTEL YOU SURRENDER COUPONS EVERY TWO WEEKS

The number of enquiries being received at offices of the Wartime Prices and Trade Board indicate that there is some confusion about the number of coupons to be surrendered by persons living in hotels. Board officials point out that persons remaining in a hotel for a period of two weeks or more must surrender one butter coupon, one sugar coupon and two meat coupons for each two week period.
