## Maple And Woodbridge In Finals For Lacrosse Honors

Maple and Woodbridge will enter the final series for the North York Lacrosse League Championship and the Jack Smith Trophy with the first game being played tonight (Thursday) at Woodbridge and the second at Maple next Tuesday evening. Combines were eliminated from the final series by Maple in two straight games. Maple by a score of 9-6, and the second game at Aurora arena Monday night by a score of 8-5.

It was stated in last week's issue of The Liberal that the Combines home game would be played in Richmond Hill, and some fans were disappointed when they went to the local arena and found there had been a change in arrangements. It is understood that the Combines management felt that having played their home games at Aurora, the first play-off game should be played there, and this was the reason for the change in plans.

The game at Aurora was the best game to have been played in the

league this year and both teams deserve much credit for the brand of lacrosse displayed. Combines held sway of the game for the first two periods but faltered in the final stage of the battle. The Combine boys seemed to lack fight in the dying minutes of the game and did not have the finish that the victors showed.

Harry Burton led the Combines with two goals while Cleve Burton, Hugh Kerr and J. Mayberry collected single counters.

For the winners R. Thompson scored two goals, S. Foster, A. McNair, G. Orr, Bill Parks, G. Ingram and Eldon Fierheller one each.

Record crowds are expected for the final games and the fans are assured of some keen competition and fast lacrosse.

Maple club has the privilege of securing the services of one outside player, but whether or not Cal Miller will take advantage of this opportunity will not be known until the team takes the field.

### Thornhill W. I.

On Thursday afternoon, Sept. 19, Thornhill W.I. gathered on the lawn of Mrs. E. G. McKean, John St., to commence a new season's activities. The exceptionally lovely meeting place and the sunny day brought out a fair attendance. Mrs. B. Wiggling of Toronto, the president's mother, was present as a guest. Major Watkins of the Salvation Army requested a few minutes in which to present his plea for volunteers in the Army's drive for funds. It was decided to donate \$10 to this worthy organization, and a few of the ladies volunteered their services. When the readers are approached for a contribution, will you bear in mind the work carried on by the Army, for its activities are amongst the neglected, aged, sick, and delinquent members of society.

The Institute is to sponsor a poster contest in commemoration of the founding of Women's Institutes. The contest is open to anyone in the community, and further details will be published in next week's edition. Mrs. K. Mackintosh is to be convener.

A letter from Mrs. Hugh Summers of the F.W.I.O. was read explaining the Adelaide Hoodless foundation fund, which is to establish scholarships for girls entering the home economics course. This fund is to mark the 50th anniversary of Women's Institutes in Ontario and each Institute is asked to send a sum to cover this. Fifty year ago, Adelaide Hoodless founded the first Women's Institute at Stoney Creek, and it was thought that special recognition should be made of its birthplace. In addition, when the celebrations are held in Guelph next June, this will entail still further expense, so the sum asked from each Institute is to cover these projects. Each member of Thornhill W.I. is to raise her dollar in whatever way she sees fit.

A very interesting letter received from Mrs. Summer, a member who is vacationing in Hannibal, Mo., was read and will be printed later. All ready plans are being laid for the annual sale, and in this connection Mrs. Beeston was appointed convener.

On the suggestion of Mrs. Nightingale, three members, Mrs. Crowhurst, Mrs. Sinclair and Mrs. Harris were appointed a committee to investigate cases coming under the heading of social welfare.

At the age of 16, a boy or girl attending high school is compelled to pay a higher fare, and on the suggestion of Mrs. Holmes, it was moved that letters be sent the Reeves asking that their rates be taken on since our rates are in the limelight at this particular time anyway. The age limit should be increased to 18 years.

Mrs. A. E. Kennedy of Agincourt was guest speaker for the afternoon, and she gave an address on the history of Institutes and how members could advance, and to test the members' knowledge, she put on a quiz originated by Miss Schlichter of the Department. Mrs. Kennedy suggested that we bring up at some future meeting the matter of increasing the local membership fee from 25c. to 50c.

Stressing the fact that in the past each Branch had worked hard in connection with the war effort, Mrs. Kennedy felt it was time to work for ourselves. That is why the Scholarship fund, anniversary celebrations and erecting of a suitable memorial at Stoney Creek assumes such importance at this time. Mrs. Kennedy was thanked for her talk by Mrs. Patenden on behalf of the Institute. Hostesses for the afternoon were Mrs. Ball, Mrs. Beeston, Mrs. Bone and Mrs. Banting.

A brush demonstration by Mrs. Holmes was held at the home of Mrs. Mizen on Tuesday afternoon, commission from which more than covered Mrs. Mizen's contribution to the F.W.I.O.'s request for funds. Prize winners were Mrs. Tanner, Mrs. Mizen and Joyce Morrison. Lucky draw was won by Mrs. Beal.

**DON'T DISCARD OLD BOOK YET**  
Stop and take a good look inside your old ration books before you chuck them into the ash can. That is the warning from the Ration administration following reports that many consumers who have obtained their new books are discarding the old ones.

Some coupons in Book 5 are still valid and good for the purchase of sugar, meat, preserves and butter. They will remain valid until the Ration administration declares them no longer of any use.

"What would you do if you married a rich woman?"  
"Absolutely nothing."

### LANGSTAFF

#### The Line-Up

Another line is forming  
I can't see where it goes.  
Pray, can you tell me, stranger,  
Could it be nylon hose?  
Perhaps it's sheets or shortening,  
Or bread or flour or cheese,  
White shirts might cause this frenzy.  
Won't someone tell me, please.

It could be for a movie,  
That's just a bit risqué;  
Again it might be bacon.  
Won't someone kindly say?

I wish you'd look behind me,  
The end's three blocks away.  
Oh well, it doesn't matter,  
I need some anyway.
