Thornhill District News

Attention Lions and friends! Thornhill District Lions Club ball team will match with Agincourt Lions on Saturday at 7:30 p.m. in the park. Come out and roar for the Lions.

Mr. and Mrs. George Magvas of Morgan Ave. announced the engagement last week of their daughter, Laura, to Richard Aziz, son of Mr. and Mrs. F. Aziz of Toronto. No definite wedding date has yet been set.

Doncaster Community Club held its May 20th meeting at the home of Mrs. Atkins, Proctor Ave. It was a social and everyone enjoyed themselves immensely. Prizes were won by Mrs. Hill, Mrs. Lefleur, Jr., Mrs. Angel and Mrs. Mutershaw. At the close, the hostess served a lovely buffet supper, for which a hearty vote of thanks was extended by the members.

Congratulations to Barbara Howard who learned she had successfully completed her course in Occupational Therapy after she had left town to intern for the next three months in a Vancouver hospital.

Thornhill W.I. held an executive meeting at the home of Mrs. E. G. McKean on Tuesday, June 3. Details regarding the picnic were discussed and Mrs. R. Holmes was appointed entertainment convener in addition to Mrs. L. Jamieson and Mrs. Sinclair who was previously appointed to take charge of refreshments.

It was also decided that the Institute would apply for a short course in glove-making in accordance with the Co-operative program in Home Economics. The course would require three successive whole days from 10 a.m. to 4 p.m. with a regular attendance of eight to ten members. Discussion centered on many matters which will be brought before the June meeting which precedes the picnic to be held at the home of Mrs. G. Spring.

A speedy recovery for Miss Margaret McKean who has been ill for the past two or three weeks is the hope of many friends.

Her many friends will be glad to learn that Mrs. A. Vanborn of Centre St. is recovering nicely after her recent severe illness.

Congratulations to Miss Barbara Neil who obtained her year in Occupational Therapy and will be leaving Saturday morning for Montreal where she will intern in a prominent hospital for three months, after which she will spend another three months' internship in a Boston hospital.

It was with real regret that the

parents of the senior pupils in Thornhill Public School learned of the resignation of their teacher and principal, Mr. Wm. Blackshaw. Mr. Blackshaw commenced his duties last September and immediately established his popularity among the pupils. Without indiscriminate corporal punishment, he yet managed to bring forth co-operation from the boys and girls. His late classes for the benefit of those who needed extra tuition proved his interest in their progress. Late last Fall he also established classes for the benefit of pupils attending Earl Haig who desired extra coaching. With his ready wit and friendly smile, Mr. Blackshaw has endeared himself to the boys and girls who, along with their parents, wish him success for the future.

DEPARTMENT OF HEALTH TWP. OF NORTH YORK

Have you done your best "to clean up" about your lawns and backyards, your home and its environs during this month? True the weather has been against you but citizens of North York are not easily or usually deterred by inclement weather. A strong virile nation is proud of its homes and its homelife, the unit in this country is the family. As you take a proud interest in your home, so will the neighbours in theirs and thus we will have a fine community and in turn a fine country. There is no finer country in the world today so let everybody contribute their share in keeping their home, their community and their country — this Canada of ours — in a clean and attractive condition. We are counting on you to do your part where you are.
CARL E. HILL, M.D., M.O.H.

LANGSTAFF

The annual meeting of Langstaff Home and School Association was held in the school on the evening of May 20th. The president, Mrs. H. E. LeMasurier presided, and the annual report was read by the secretary, Mrs. R. Cudmore. The report contained an outline of the activities of the Association, which was organized last October, and of their accomplishments during that time. A scholarship in the amount of \$25 has been established, and is to be awarded to the child in grade 8, who during the year has proven himself the best citizen through his manners, democratic attitude, co-operation and scholastic effort. A proficiency prize is also to be awarded to the child in grade who has the highest standing. A prize is being given in each room to the child who during the year shows the most improvement in his printing or writing. These are all to be awarded at the Home and School meeting in September, which is to take the form of a commencement evening.

Mrs. A. Inch of Willowdale, and treasurer of York County Home and the coming year. Mrs. Beaton, chair, School Council, installed officers for man of the nominations committee presented the following slate of officers: Pres., Mrs. H. E. LeMasurier; vice-presidents, Mrs. J. Cook and Mrs. Nathan Hicks; treasurer, Mr. G. Campbell Smith; rec. sec., Mrs. R. Cudmore; corr. sec., Mrs. W. Blackburn; exec. members, Mrs. P. Bone, Mrs. P. R. Pool, Mrs. C. Russell, Mrs. Willard Simpson, Mrs. Styan.

The speaker of the evening was Dr. R. Arthur, Psychiatrist, presently on the staff of Sunnybrook hospital. His subject was "Psychiatry and Children", and proved most interesting. He also outlined the work that department is doing with the patients at Sunnybrook.

Miss Hallawell, school nurse, spoke briefly telling of the proposed "pre-school day" which is being held on June 12 in order to check up on children who will be starting to school in September.

The children of the intermediate grades sang several choral numbers, and the following solos were given: Charles Smith, violin; Paul Ward, solo; George Styan and Ronald Hicks, piano duet.

A list of convenors of the various committees will be published later. The final meeting of the association will be held on the second Tuesday in June, (10), and the speaker will be Miss Welch of the MacMillan Publishing Company.

Langstaff Public School Sr. Girls' softball team defeated Thornhill Sr. Girls by a score of 23 to 6. Congratulations, Langstaff.

Mr. Pat Malloy will be the guest speaker at Langstaff Baptist Young People's meeting on Friday evening of this week.
