KING CITY

Sim-Wilson
Evelyn Lorraine Wilson, daughter of Mr. and Mrs. M. A. Wilson, King, and Kenneth William Sim, son of Mrs. Sim and the late Mr. Maurice Sim, Toronto, were united in marriage by Rev. M. Jenkinson in King United Church. The bride, given in marriage by her father, wore a gown of white brocade organza and a fingertip veil caught in a halo of orange blossoms. She carried a cascade bouquet of red roses. Her attendants, Mrs. Betty Kemish, matron of honour, Jean Wilson, bridesmaid, and Joanne Wilson, flower girl, were gowned in pink and green cotton. Groomsman was Gordon Kemish and ushers were Jack Walker and Jack Hughes. During the signing of the register Roger Rawlings sang "O Perfect Love" accompanied on the organ by Dorothy Armstrong. After the ceremony, at the home of the bride's parents, the bride's mother received in a gown of pale blue crepe with a corsage of pink roses. The groom's mother assisted in a gown of navy sheer with a corsage of cream roses. The happy couple left for a honeymoon in the north. The bride donned a grey crepe dress with navy accessories and her corsage was of yellow roses.

Miss Evelyn Wilson of King was the recipient of many beautiful gifts at showers given in her honour before her marriage to Kenneth Sim of Toronto on June 28 in King United Church. Mrs. Gordon Kemish entertained a number of friends of the bride at a shower in her home in Toronto where many lovely gifts were received. Also at King Mrs. Ross Walker entertained at a shower for Evelyn where a large number of friends and neighbors gave her many lovely and useful gifts. Before leaving the office in the Robt. Simpson Co. where Evelyn was employed, the staff presented her with beautiful matching table lamps.

With the season half over, King softball team has four wins, four losses and one tied game. The wins were from Woodbridge A.C., Woodbridge E.P., and Nobleton twice. Maple and Thistletown defeated King twice. The tie game was played against Elia. During the past week King defeated Woodbridge E.P. 10-9 on Tuesday night and scored a decisive victory over Nobleton Thursday night with a score of 19-14.

Manager John Dew and coach Norm Egan are doing an excellent job handling the team. The pitching chores are well looked after by Murray "Fire Ball" Ezard and Clark "The Old Sizzler" Archibald. The other players are Ron Kyle, Art Kerr, Emerson Jennings, Ewart Jennings, Keith Kyle, Bob Walker, Rowly Winter, Art Ross, Nip Armstrong, Ross Boyair, Ken Richards, Len Shropshire and Jim McDonald.

NOTICE

TAKE NOTICE that the Council of the Corporation of the Township of Vaughan intends to stop up and dispose of the lane running along the northerly limit of Plan 137 running from Bathurst Street to Yonge Street.

A By-law for the said purpose will be considered by the Council of the Corporation of the Township of Vaughan at its meeting on the 5th day of August, 1947 held in the Council Chambers at Maple, Ontario, at which time the Council will hear in person or by Counsel, Solicitor or Agent, any person who claims that his lands will be prejudicially affected by the By-law and who applies to be heard.

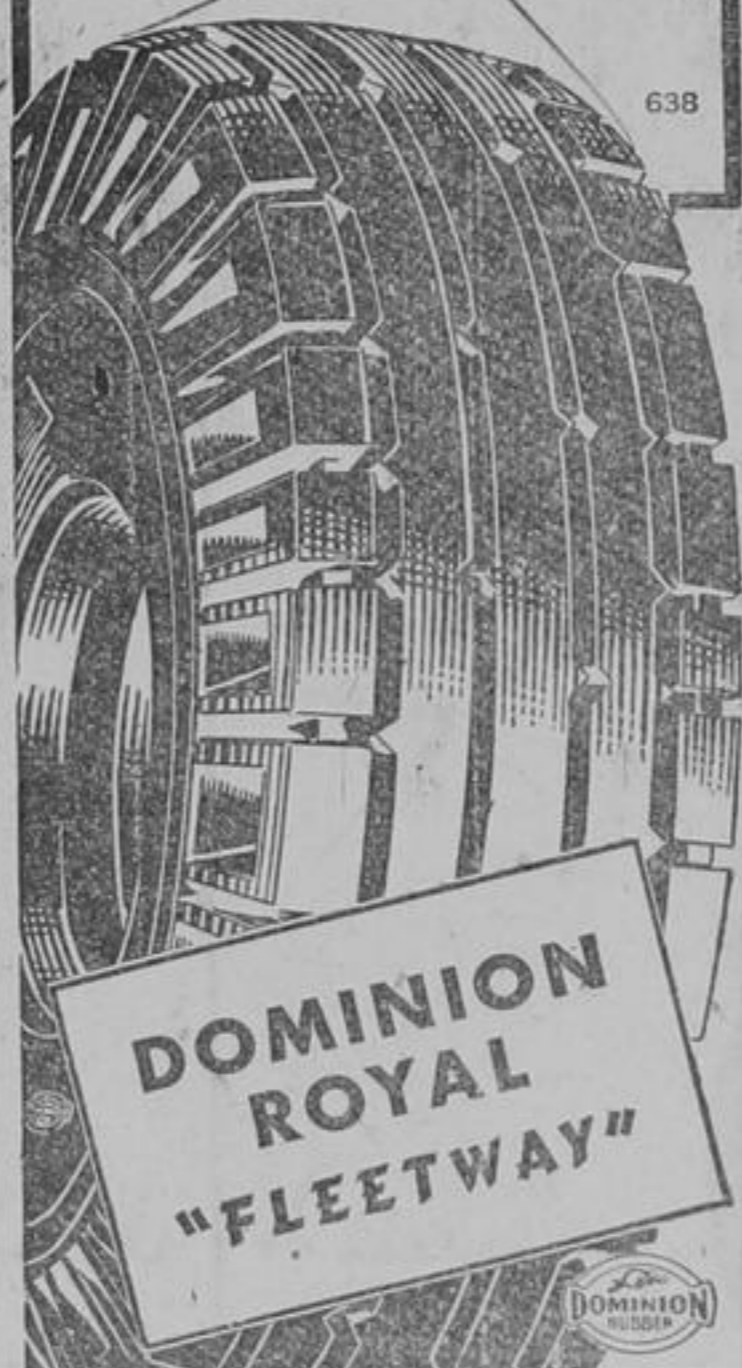

A copy of the proposed By-law and plan of roads affected is in the office of the Clerk of the Township at his offices, Maple, Ontario and may be seen by any person interested.

DATED this 24th day of June, A.D. 1947.

J. M. McDONALD,
Clerk, Township of Vaughan.

INSURANCE OF ALL KINDS

With the increase of fire hazards, property owners should review their insurance policies, and due to the increased cost of materials would be well advised to increase the amounts of insurance. Also car owners who think it will never happen to them are caught some time or other without protection. The cost is a minor amount to what it will cost if an accident happens.

Back to the Bible and God Crusade

If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin and will heal their land—Chron. 7:14.

Mark 1:15, "The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the gospel."

Acts 17:30, "God now commandeth all men everywhere to repent."

2 Peter 3:9, "The Lord is not slack concerning his promise, as some men count slackness, but is long-suffering to us-ward, not willing that any should perish, but that all should come to repentance."

What is repentance? Repentance is being willing to forsake all sin. When we are willing to forsake our sins God gives us the power to obey him.

What is sin? 1 John 3:4, "Sin is the transgression of the law." 1 John 5:17, "All unrighteousness is sin."

Romans 6:23, "The wages of sin is death; but the gift of God is eternal life, through Jesus Christ our Lord."

Acts 16:31, "Believe on the Lord Jesus Christ and thou shalt be saved and thy house."

Isn't it a Fact?

● It matters little what you want to buy these days : : : soap, a shirt, a new car . . . even electricity (which you don't have to line up for) continues to be scarce in Southern Ontario.

Have you tried to build a home lately? : : : tried to buy building materials of any kind. What a headache! How would you like to be shopping for what's needed for a new electric power plant? Unimaginable amounts of concrete, steel and other materials, as well as tremendous quantities of electrical equipment, would have to be sought out and purchased.

It takes several months now to get such equipment as transformers and costs are up by more than half. The bigger they are the harder they are to get.

What about the huge generating stations required to supply Ontario with an additional badly needed half-million horsepower? Well, they are being built. They were started years ago. But they cannot all be ready in 1947. Some won't be ready next year.

In the meantime, demand for electricity is growing faster than new power plants. Few people anywhere use as much electricity per person as in Ontario. Few have as much to use. Enjoy your low-cost electric power, but use it wisely. Your Hydro Commission is doing everything possible to increase the supply; but it will still be necessary to conserve electricity this fall and winter.
