

### King City District News

Mrs. R. Burt spent a week's vacation at Sherbrooke, Quebec.

Mr. and Mrs. Alex Brookes, Mr. and Mrs. Fred Ross were guests at the wedding of Miss Joanne Crawford on September 6, held at St. Simons Church, Toronto.

David Brookes, 19, of King, crashed into a tree while making a turn off Yonge St. near Langstaff. He told police his lights went out and he was unable to see. He suffered no serious injuries.

On Sunday David once again suffered an unfortunate mishap. When walking south on Yonge St. he was struck by a southbound automobile. The door handle of the car pierced his arm. The boy was treated by Dr. James Langstaff. Provincial police are investigating the accident.

Omitted from last week's column was mention of the visit of three-year-old Miss Carol Elizabeth Gray to her grandmother, Mrs. Alex Gray. She had accompanied her father, James D. Gray of Ottawa to Toronto on a business trip. Her maternal grandparents, Mr. and Mrs. Clarence Jackson, and Mrs. Clifton, whom they stayed accompanied them on their short stay at Kinghorn.

Miss Maxine O'Reilly of Chesley is the teacher at Eversley school, replacing Miss Watts, who is on the staff of the public school at Weston.

Mr. Clifford Harman, civic official of Oshawa, paid a few days visit at Kinghorn, his former home and school. He stayed with Mr. and Mrs. Alfred Busby, and called on several old friends in the neighborhood. These visits back home give him much pleasure from time to time.

Mrs. Gordon Wells made a recent trip to Halifax to attend the funeral of her father, Mr. Donald Ball, who suffered a stroke about the middle of August. She remained with her mother about two weeks.

Mr. and Mrs. Bob Benson of King rendered aid to victims of a high-way collision last Saturday night near Yonge St. subway when a Ford coupe driven by Wilfred Cox, Gormley was knocked off the highway with terrific force, for 83 ft., turning upside down on the rising east bank. Occupants, the driver and his wife and two young children, Carol 4 and Marilyn aged 3, were thrown out of the coupe seconds before the car burst into flames. The driver of the other car was Earl Scarlet, taxi operator of Aurora, who had struck the rear of the Cox vehicle as both were travelling north about 10:30 p.m. The Scarlet car was also damaged, and Provincial Officer Ted Craig of Willowdale investigated.

Cox, 23, who is headford, received a fractured collar bone, bruises and shock, while his wife was mainly bruised and shocked. The children were unhurt. The Benson's of King were among the first of passing motorists to happen on the scene and they assisted Mr. Cox providing him with blankets and warmth, and collecting belongings from the car and off the roadside.

Rollie Winter of King saw the after-crash spectacle and was there as Aurora Fire Brigade arrived to extinguish the blaze of the flaming car. He said nothing could be done to save it as it was burned down to the chassis.

Dr. J. L. Urquhart, Aurora, attended the Cox family and Dr. Crawford Rose, Aurora, treated Earl Scarlet, removing him to Newmarket hospital suffering from a broken nose and fractured knee cap.

Those who had seen the position of the burning car in the embankment among cedar trees, marvel at the narrow escape of the Cox family who were completely bewildered though quite unconscious, according to Mr. Benson.

A poem of rare quality entitled "Ode to Nature", and sung to the tune "Fleming", written by Rev. Martin Jenkinson and his wife Evelyn, of King, has been published in the United Church Onward, September 7 issue. This recognition has greatly pleased him and his wife. The poem has appeared in certain weekly newspapers and received attention by readers who have noted its worth.

Mr. Jenkinson first exercised his poetic genius while preaching at Pickering, before his coming to King. Since that time several have been written by the couple, all of which show equal talent. Friends are pleased to congratulate them with expectation that others appear in noted publications.

Great activity prevailed until the machine age took over small industry and home-made products. Mrs. George Williams gave a reading entitled "A Touch of God's Fingers".

**King W.I. Hear Mrs. C. Beynon**  
A talk on cold storage lockers and home freezing units was given by Mrs. Clayton Beynon, Temperanceville, to members of King W.I. on September 9. More work is required in preparing storage in the home units, which according to the speaker are vastly more expensive. The transition from the beef-rendering days, when meat had to be cooked the same day in warm weather, has brought convenience and money-saving to the farm housekeeper.

Mrs. George Baldwin and Miss Mae Harman were also guests of the

King branch. Mr. George DeWitt of Nobleton showed a National Film on research and wild bird habits. It was agreed that a meeting of all W.I. members be held in the United Church basement on Tuesday, September 30, when plans for the October banquet will be taken up. ### Telephone People Are Hard to Please

No matter how good the service is, telephone people are always keen to make it better . . . to beat their own record. Our present programme — largest in our history — calls for more and more lines, switchboards and buildings. But more than equipment is required — something money can't buy. That is the pride every person in the company takes in continuing to give the best telephone service at the lowest cost.
