King City District News

Wednesday, November 12th is the date of a hot fowl supper and dance being given by Lake Marie and King Athletic Association. Supper will be served in the basement of the United church at King and the dance held in the Masonic hall following the meal. President Alfred McBride states tickets are being sold, and are available to all who would enjoy a good evening.

Mr. Andrew Brooks, son of Mr. Alex Brooks, is on an extended hunting trip with his employer, Mr. G. B. Webster, Langstaff, at Brooks, Alberta. They will remain until the latter part of November, at least, to conclude more than six weeks vacation.

Mr. and Mrs. James A. MacArthur of Renfrew spent a few days recently with the latter's sister, Mrs. G. H. Stone. While here they called on Mrs. William Mason at Kinghorn, Rev. Harry Wilson, and wife, and Mrs. A. Gray, attended the 73rd annual meeting of the Toronto Association of Baptist churches held in College St. church, Toronto last week. They heard stirring messages from outstanding speakers.

Mrs. Gray also attended the wedding of Katherine Whitelaw and Robert Leiper, held in Christ church, Bathurst St., Toronto, while on a visit in the city.

Additional books have been added to King Memorial Library, the gift of Lady Lavelle.

Prizes given at the King W.I. euchre last week went to Mrs. E. Bice, ladies' high, and Thelma Gordon, consolation; Mr. Fred Judges, men's high and Ross Rawlings, consolation. The next euchre and dance will be held again in the Masonic Hall on November 14.

A letter from Herbert E. Taylor, vice-principal of Bishop Horden school, Moose Factory, near Moosonee, was read at All Saints services on Sunday thinking the Girls' W.A. and the Senior W.A. of the church for contribution of about 350 pounds of pictorial magazines, comics and puzzles, which Mr. Taylor distributed among those of the school in quarantine from diphtheria. It will be recalled that Mr. Taylor left Maple for the past earlier this year. Collectors of magazines were Roger and Shirley Rawlings, Freda Dent, Douglas Bennett and Norma Wells. The senior group paid for postage. Individual persons at Oak Ridges and Maple Anglican congregations sent out similar parcels to the school.

Mr. Howard Clarke, manager of Kingsville Farm, Temperanceville, has been ill for a time but is continuing with his duties at Kingsville. Herdsman George La Hive moved to Brooklyn, Ont.

Teachers Reorganize
 Reorganization of King Township Teachers' Association was held at Kettleby school on October 30. Mr. Gordon Hampson, Pottageville school, was named president; Miss Elteen Nixon, Kettleby, secretary treasurer, and the programme committee will include Miss Maxine O'Reilly, Eversley; Miss Audrey Eves, Strange, and Miss Doris Patton, King. Inspector Charles Howitt was present and a social visit followed discussion on

future meetings throughout the school year.

Legion To Hold Christmas Tree Party
 King Legion Branch will sponsor a Christmas tree event on Tuesday evening, December 23, for children, friends of children of veterans, and veteran families of the legion. On that date draws will be made for ten prizes which are 1st, large turkey and plum pudding; 2nd, large turkey; 3rd, turkey; with three geese, three chickens and a Christmas cake completing the ten prizes.

Mr. and Mrs. George Armstrong of Woodville spent the week-end with his parents at King. The couple are moving to their own home this week, having been quartered with the bank manager there until suitable time for removal. They find Woodville a pleasant place.

Mrs. E. J. Archibald is convalescing from an operation performed at York County hospital recently, and favourable progress is being made. At present she is staying with her daughter, Mrs. Melville Hoover of Nobleton.

Mr. Christie Cummins Jr. is confined to Christie Street hospital with a form of arthritis. He has been there six weeks and will continue under hospital care for some time yet. His parents here visit him every week.

Three Birthday Cakes
 Tears of joy were seen in the eyes of Mrs. W. Mason, Kinghorn as she arose early to celebrate her 97th birthday on November 3rd, surrounded by gifts and cards. Three luscious birthday cakes were given, one from Mrs. Britton Riddell, chocolate style, with fancy icing; another brought to her by Mrs. James E. Burns of Erin, on Sunday; and a third the gift of Mrs. W. Carson of King, a birthday cake, iced and trimmed.

Gifts from Mrs. Mason's son, Percy of Winnipeg, took the form of a huge chocolate heart, and a large box of delicacies. A book of 365 short Bible stories also came from Mrs. Riddell. Other gifts and numbers of cards, one from Mrs. McAllister of Richmond Hill, and a visit and gift from her pastor and his wife, Rev. H. Wilson and Mrs. Wilson, along with several other callers, and a message from her son Edward of California made up a happy day for the 97-year-old lady, who enjoys good health.

Delegate to Amsterdam Conference to Address W.I.

Mrs. William McClure, Brampton, a member of the Women's Institutes Provincial Board, a delegate to the Conference of Associated Country Women, held at Amsterdam this fall, will speak at King W.I. on Tuesday, November 18 in the basement of the Anglican church at 8.15 p.m. Whether connected with the W.I. or not everyone interested in hearing a report of the conference which has an influence on all women in every community is heartily invited to be present. Mrs. McClure was heard at the D.A., at Newmarket, this year, and is capable of presenting a comprehensive account of this world wide event. Also on this date, response to the roll call will be answered with parcels of Food for Britain. Here too, non-members or prospective members may contribute to this worthy cause, with due appreciation by the local W.I. Mrs. Gordon Wells will briefly explain the meaning of the motto, a remembrance theme expressed by Lord Tweedsmuir. Mrs. T. L. Williams is program convenor.

Hallowe'en Festivities

Hallowe'en celebrations abounded in the district, with property damage distinctly in the background. Parades of witches, ghosts and strange characters were seen at frolics held at various centres. At Schomberg the Lions club entertained a large number of children and teenagers in the town hall, providing clown program and dance for the young people. At Kinghorn the entire section turned out to see the costumes of more than 20 children and adults at a party sponsored by a local group headed by Mrs. H. Hollinshead and Mrs. R. Riddell. Games, plenty of refreshments and candy and prizes finished off a well planned evening. Mr. Ernest Rolf won the half gallon maple syrup. Results of judging by Mrs. Ern Hollinshead, Mrs. T. L. Williams and Mrs. W. Rolling: Ladies' fancy, Doris Hollinshead; men's fancy, Henry Clark; ladies' comic, Mrs. Harold Hollinshead; men's comic, Mrs. Fred Boys; boys' fancy, Harry Clark; girls' fancy, Janet Riddell and Kay Campbell; boys' comic, Marjorie Wilson; girls' comic, a bunny costume, Sandra Clark. Miss Closs, teacher at Kinghorn had entertained the school to a party during the afternoon, so that scholars had a big day and night. Bridal couple prizes went to June and Ruth Hollinshead and Mrs. H. Clark and Mrs. R. Hall.

At King, in McDonald and Wells Hall, donated for the occasion, there was a very large number in costume, and the hall was filled to capacity. High class entertainment was provided by a skilled magician, performing amazing, baffling tricks, to the delight of old and young. Abundant refreshments and apples were served.

All Saints Services Outstanding
 John Ash and his wife, of Victoria Square, were among former members to attend the 90th anniversary of All Saints Anglican church on November 2. It was 77 years to the day that Mr. Ash was baptized in this church, wearing a frock outfit as was the custom of little boys of that time. Large congregations were present to join in the eventful commemoration, and in the evening Mr. and Mrs. C. J. Beaulac and son David of Toronto, Lady Eaton of Eaton Hall, a large group from St. Stephen's congregation, Maple; Mrs. W. H. Whitten, and daughter Helen and her escort from Elgin Mills, as well as several others from outside points, and a number from other denominations were present.

Gifts bestowed to the church were dedicated by the rector, Rev. Ernest G. Worrall, namely, a pulpit frontal of white satin, donated by All Saints W.A.; a pair of brass altar candlesticks, the gift of Mr. and Mrs. R. Burt, King.

The confirmation ceremony for 17 candidates performed by the Bishop,

the Rt. Rev. A. R. Beverley, M.A., D.D., was notably impressive.

The names of candidates consecrated to service were, from King, Shirley Rawling, Freda Dent, Norma Wells, Lenore Robb, Constance Winter, Mary Alexander, Ann Specht, Douglas Specht, Mrs. T. Proctor, Mr. and Mrs. J. W. Whalley, Mrs. V. Chaplin; from Maple, Nancy Martin, James Martin, Jack Witney, Charles Hannas.

Prior to the reception held for the Bishop and his wife, Miss Dorothy Armstrong, church organist, rendered an informal organ recital with fine taste. Mrs. G. D. Lockhart and Mrs. James Badger poured tea for the large number who thronged the church basement to shake hands with the friendly Bishop and his wife. Young ladies and women of the congregation passed coffee and refreshments.
