INSURANCE OF ALL KINDS

With the increase of fire hazards, property owners should review their insurance policies, and due to the increased cost of materials would be well advised to increase the amounts of insurance. Also car owners who think it will never happen to them are caught some time or other without protection. The cost is a minor amount to what it will cost if an accident happens.

FARM FIRES CAUSE ANNUAL DAMAGE OF OVER \$10 MILLION

It is estimated from a recent survey made by the Dominion Bureau of Statistics that there were 8,000 farm fires in Canada in the 12-month period ended June 1, 1947. It is difficult to obtain adequate representation of farm fires because if a fire is sufficiently serious to destroy the farm residence and it is not rebuilt, there is little possibility of collecting information about the fire from a sample survey of households. However, even with this probability of under-estimating, the results of the survey indicate that farm fires occur with considerable frequency and cause enormous property damage. The estimated value of farm property destroyed by fire in the period under review amounted to \$10,254,000 and the amount of loss covered by insurance was estimated at \$3,778,000, just under 37 per cent. This indicates that a relatively small proportion of farm property is adequately insured against fires.

Fires were most frequent in barns or outbuildings and 45 per cent of all fires originated in these places. The farm house was the location of 38 per cent, and 15 per cent were stubble, bush or grass fires. The remaining 2 per cent of the fires concerned machinery and equipment. In addition to buildings, including the farm home, it is estimated that farm equipment was lost or destroyed in 16 per cent of the fires and equipment and live stock in 15 per cent. The frequency of farm fires shows considerable seasonal variation, the late spring and summer being the season in which fires are most common. Nearly half of all farm fires occur in the four months of May to August.

HYETT'S Celebrated Remedies
(Established 1887)
Richmond Hill — Ontario

For severe pain try HYETT'S Pain and Ache Liniment.

For running sores, sore feet, poison ivy, cuts, shingles, healings, wounds from rusty nails, scalds, chapped hands, use HYETT'S Celebrated Ointment.

Hyett's Remedy for Stomach Trouble, Bronchial Coughs and Colds.

White Liniment for pains in the chest, swelling, bruises.

Acid Liniment for large veins and swollen legs.

Here are a couple of testimonials from satisfied customers who have benefited from HYETT'S REMEDIES:

Dear Friend:
I thought you ought to know that my husband's leg is healed and doing fine. It will be ten years next Spring since your Ointment healed his leg and his leg has been wonderful since.

It is 33 years since the terrible accident occurred—he fell eight feet onto a rusty four inch nail which penetrated the hip joint. He went to the Orthopaedic Hospital where they put him on a stretcher for five years. After he got off the stretcher, his leg broke out in deep running sores, six of them, and the odor was terrible, but now the odor is all gone. He only used the Ointment twice when he noticed an improvement. His leg was so inflamed he would take vomiting spells and chills till he shook the bed. In two weeks he took no more of those spells and got his regular appetite back. No more pain tablets, thank goodness; no more odor in the house.

Before using Hyett's Ointment and Medicine he told all our friends he would not see Spring, he was so ill. There is no Ointment so healing, nor a tonic so good as Hyett's, as far as we're concerned. I would advise all sufferers to use this Ointment. Give it a fair trial—you will never be sorry.

(Signed)
Mrs. Thos. J. Dowkes
Wingham, Ont.,
Nov. 21, 1947.

To Mr. Hyett:
I was a sufferer from asthma for years, so bad at times I had to go to the hospital. I tried every kind of treatment that were advertised in the papers. Also our doctors give up trying to do anything for me, only the needle for relief. While in the hospital a lady told me about Mr. Hyett's remedies. I used them faithfully for one year and I have had no return of the asthma and that is six years ago. Anyone wishing to write me I will be pleased to answer their letters and tell them what Hyett's Remedies have done for me, etc.

(Signed) Harriet Stokes,
Wingham, Ont.

WHAT OUR NEIGHBORS SAY

ON FARMERS
During the early years of the last century, when Canadian agriculture was in its infancy, it used to be said that Scots were the best settlers for virgin land; that their strong physiques, as well as their quality of perseverance, enabled them to do the heavy work of tree-felling and preparing the land for cultivation. But that once the land was cleared, the English and Irish settlers made the best cultivators.—The Ingersoll Tribune.

BETTER THAN THE CINEMA
Fred Sloye, candidate for council in Scarborough Township elections, December 8, told a ratepayers' meeting at Birch Cliff Public School last week that council meetings "were really a good show."

"I heard of one couple who stopped going to the cinema Monday nights to attend the council meetings. They figured the show they were seeing at the cinema was nothing like the show they were missing at council."

He told the ratepayers that all council did was fight, instead of getting something done.—Markham Economist and Sun.
