

## Richmond Hill Lions Club Officers Installed at Impressive Ceremony

### SIXTY CLUB MEMBERS RECEIVE AWARDS FOR ONE HUNDRED PER CENT ATTENDANCE FOR THE YEAR

On Thursday evening, June 17, the Richmond Hill Lions Club held its final meeting for 1947-48 season. This meeting was a most impressive one at which sixty of its members were presented with special lapel pins indicating 100% attendance for the entire year, a record indeed to be proud of and an indication of one reason why this Service Club is so outstanding in the great community work of Lionism.

Reports were given by all committee chairmen summarizing their activities for the year. These reports were actually startling in recording what had been accomplished during the past year in every phase of the Club's work: Welfare, Civic Projects, Education, Boys and Girls Work, Membership, General Activities, Public Relations, Attendance, Program, Rehabilitation, Finance, and in particular the one really big project, the Community Hall Campaign. A detailed report was given on the drive by finance chairman, Lion Bob Little, and general chairman, Lion Paul Angle, indicating that the campaign was most successful.

A special presentation was made to Lion Jim Stewart on behalf of the club by Lion Paul Angle, on the occasion of this being his last meeting with the club, as Lion Jim is leaving Richmond Hill for a permanent abode in Western Canada. Lion Jim was the first President of the Richmond Hill Lions Club and started the club on its road to success and fame in Lionism. Every member is sorry to lose Jim's association but wishes him the very best for the future.

This meeting was honored by the presence of District Governor Gordon Belyea of Toronto who did a most impressive ceremony installed the new officers in their respective stations for the coming year. Those who witnessed this ceremony could not help but be deeply impressed and

happy in the thought, what an honour it was to be a member of this great service organization, whose objects are to create and foster a spirit of goodwill among the peoples of the world, to promote and practice the principles of good citizenship, to take an active interest in civic, social and moral welfare of the community, to unite its members in bonds of friendship, good fellowship and mutual understanding, and as individuals to bear in mind his obligations as a citizen to his nation, his country and his community, to give freely of his time, labor and means, to aid his fellowman when in distress, to be careful in his criticisms, but liberal in his praise, to build up and not destroy.

All these worthy objects and many others were so clearly outlined by District Governor Gordon Belyea in his charge to each officer, which assures this energetic club another year of great success and accomplishments.

The officers installed for 1948-49 were as follows:

President, R. (Dick) Edmunds; 1st vice-president, Dunc Chamney; 2nd vice-president, Albert Hill; 3rd vice-president, Andy Armstrong; Tailor, Twister, Alan White; Lion Tamer, Bill Wagner; treasurer, Frank Schisler; secretary, Ken Tomlin; directors, Doug Boyd, Harry Charles, Al Rice, Mel Malby.

A special vote of thanks was proposed to retiring President Ralph Paris, for his untiring efforts and his most successful leadership of the club during the past year. Lion Ralph is loved and respected by every member of the club and really did an outstanding job as President. Lion Dick Edmunds, the new president, thanked the members for their confidence in him and pledged his sincere support in the continuance of the forward movement of this active and progressive service organization in our community.

## Lions Club President

R. (DICK) EDMUNDS  
On Thursday evening, June 3, Mr. R. (Dick) Edmunds was elected President of Richmond Hill Lions Club and on Thursday evening, June 17, was installed into that office by district Governor Gordon Belyea.

## Richvale News

### Silver Wedding Anniversary

Mr. and Mrs. F. J. Hill of Spruce Avenue, Richvale, celebrated their silver wedding anniversary last Saturday evening at their residence where they entertained about thirty guests who gathered to extend wishes of good cheer and hopes of longevity. Mr. and Mrs. Hill were presented with many charming gifts to commemorate the occasion among which were a silver tray and tea service, a mix-master kitchen unit and a set of silver spoons.

The occasion was also used as the opportunity for Mr. Hill to announce the engagement of his daughter, Evelyn, to Mr. Richard A. Newcombe. Mr. Newcombe is intending to build in Richvale and upon the event of the nuptials at a later date the community will be proud to welcome him into their growing settlement.

### Television in Richvale

Probably the first television reception using 25-cycle current in Canada is being made in Richvale by that well-known radio expert, Mr. Walter Wynne. Mr. Wynne is experimenting with what is hoped to be the forerunner of many television sets operating on 25 cycle current which is in use in the southern Ontario area. Many who have already had the pleasure of being present during receptions have expressed amazement at the versatility of this form of home entertainment. To Mr. Wynne goes our congratulations at letting us have a preview of the future.

Mrs. L. Fenner of Oak Avenue, Richvale, had the pleasure of a visit from Mr. & Mrs. Prest of Toronto over the week-end. The visitors were entertained with the lovely array of the flowers in Mrs. Fenner's garden and expressed their thanks for a delightful week-end.

### Dance Next Wednesday Evening

The entertainment committee of the Vaughan Ratepayers' Association are holding a dance to swell the community hall building fund. The dance is to be held on Wednesday, June 30th, in the Richvale Public School on Spruce Ave., stop 22A Yonge Street and there will be both square dancing as well as modern dancing. All are invited to come and enjoy an enjoyable evening.

### Pied Piper of Richvale

The pied piper of Hamlin has nothing on one "Red" Garner of Richvale and he demonstrated last Friday night his power over children.

"Red" bested Spider Shackleton at the Richmond Hill arena in the final bout of the Richvale wrestling show which was staged to help the building fund for the community hall. It was a very exciting evening opened by Carlo Troupe, the Italian strong man besting Jack Spring. In the preliminary and semi-final bouts Bob Kirkland threw Jack Miller while Ernie Hughson took two falls straight off Tom Hain. The final of the evening proved the thriller and although Red Garner won his match by losing the first fall and then winning two straight he was just about thrown for a loss by his youthful admirers who swarmed over him to show him their pleasure. If the community hall ever needs a youth instructor they will be missing a good bet if they pass up this winning personality.

### YORK COUNTY JERSEY CLUB ANNUAL PICNIC

Repeating its success of last year the York County Jersey Club have laid plans for their annual picnic to be held again at Woodland Park on Thursday, July 8. This gathering of Jersey Breeders is always a welcome respite from the daily work and comes at an excellent time of the year for a "breather."

This family re-union will commence just before lunch and all the ladies are requested to bring their hampers of good things to eat with just an extra sandwich or two tucked in for the bachelor boys. Naturally sports and races for all will round out this afternoon of fun and frolic. An excellent safe "swimmin' hole" is provided for the kiddies. All Jersey breeders, their friends and families are welcome. If you are sceptical ask anyone who was there last year — and then you'll be out.

## Volunteers Work Hard Laying Foundation New Richvale Hall

### NO STOPS FOR MEALS AS LADIES PROVIDE REFRESHMENTS —MR. AND MRS. F. HILL CELEBRATE SILVER WEDDING ANNIVERSARY — ENJOY PREVIEW OF TELEVISION — RED GARNER POPULAR WINNER AT WRESTLING BOUTS

There was much groaning and rubbing of aching muscles in Richvale last Monday morning for over the week-end volunteers completed pouring the footings and foundation walls. The work started at eight o'clock in the morning and the last wheelbarrow of cement was tipped at eight o'clock in the evening. The men did not even go home for lunch or dinner, but instead took refreshment right on the job. It was an outstanding example of the democratic way of living. There were about twenty-five volunteers on the job and they managed to keep two mixers busy all day. The next big job will be the pouring of the floor and it is hoped that more volunteers will be present as it is hoped to complete it in one day. The community will be notified as when materials will be ready and what date will be allotted to this chore.

The meals and refreshments were prepared and served by the Vaughan Women Workers under the presidency of Mrs. Patterson. The members who actively participated in last week-end's preparations and serving were: Mrs. Patterson, Mrs. Franks, Mrs. Hobbs, Mrs. Turnbull, Mrs. Le-Clair, Mrs. Gillies, Mrs. Hough, Mrs. Dicks, Mrs. Woods, Mrs. Healey, Mrs. Ashby, Mrs. Alexander, Mrs. Webb, Mrs. Lane, Mrs. Durey, Mrs. Morris, Mrs. Riggs and Mrs. Jarvis. In addition to the above Mr. Turnbull donated milk, Mrs. Stankoff of Wayridge Luncheon donated homemade pies, Mrs. Maybury donated sugar and Mr. Marinyoff donated soup.

Thanks are extended to the Richvale Board of School Trustees and Mrs. Sparks, school caretaker, for their cooperation in allowing the ladies to use the school to prepare their foods and beverages.

## Lieutenant Governor Acknowledges Village Gift to the Princess

Lieutenant-Governor ...  
The following is a copy of a letter received this week by Reeve Percy C. Hill from His Honor, the Lieutenant-Governor of Ontario, acknowledging receipt of the gift of beautiful roses sent Princess Elizabeth at the time of her wedding:

Dear Sir:  
Information has just reached me from the Governor-General's office, Ottawa, that it has come to the attention of Her Royal Highness The Princess Elizabeth that, in some way, a bouquet of roses sent to Her Royal Highness on her wedding day by the Villagers of Richmond Hill has not been acknowledged and that there was some uncertainty by the Private Secretary to whom thanks should be expressed.

The Governor General has requested that I convey to you and to those who so kindly remembered Her Royal Highness how much she appreciated this charming gesture and what great pleasure this beautiful bouquet gave to Her Royal Highness and the Duke of Edinburgh on a very happy day.

According to the wishes of Her Royal Highness you will, therefore, please make known to those concerned the appreciation felt for this thoughtful gift and regret that there should have been this delay in expressing thanks for it.

Yours faithfully,  
(Signed) Ray Lawson  
Lieutenant-Governor

Reeve, Village of Richmond Hill,  
Richmond Hill, Ontario.

## WEDDING

### POLLOCK-HILL

White carnations, pinks and snapdragons formed a beautiful background in Maple United Church, Saturday, June 12, for the wedding of Rhoda Jane, daughter of Mrs. J. L. Pollock and the late Mr. Pollock to George Henry Hill son of Mr. and Mrs. L. Hill of Richmond Hill. Rev. C. E. Fockler officiated at the double ring ceremony with Mrs. Wood at the organ and Mrs. R. Merritt as soloist.

The bride given in marriage by her brother wore white faille taffeta. The long skirt had a bustle bow from which three rows of pleated frills fell, crossing the front in an apron effect. Her tulle fingertip veil fell from a headdress of veiling trimmed with orange blossoms. Her cascade bouquet was deep red roses and sweet peas. The bride was attended by her sister, Miss Ruby Pollock, gowned in pale rose taffeta with pleated frills cascading down the back. She carried a shower bouquet of white and blue carnations. The best man was Mr. Bill Mayberry and the ushers were Mr. Tom Pollock, brother of the bride and Mr. Leonard Hill, brother of the groom.

The reception was held at the home of the bride's sister where the bride's mother gowned in navy blue silk jersey, white accessories and a corsage of red roses and white sweet peas received the guests. She was assisted by the groom's mother in a light blue tailored suit with white accessories and a corsage of red roses.

For travelling the bride donned a pale rose eyelet embroidered dress, black coat and black accessories.

## OBITUARY

### LATE MRS. N. MCGIBBON

The people of Richmond Hill and district received a sad shock on Thursday morning last when they learned of the sudden passing of the late Mrs. Norman McGibbon, Nina M. Bottomley was the beloved wife of Norman C. McGibbon, and dear mother of David, Mrs. McClelland (nielsen) and Margaret.

In the passing of Mrs. McGibbon, Richmond Hill has lost a leading citizen. Always interested in Community Service, she was a valuable member of the Red Cross, the Horticultural Society and other organizations. She was a member of St. Mary's Anglican Church, the Woman's Auxiliary, having charge of the W. A. Parcels for Britain, and the Treasurer of the Chancel Guild of the Church.

The local funeral service was held at her late home on Saturday evening, when a large and representative group of relatives, friends and other citizens gathered to pay their last respects to one who had been held in high esteem. The service was in charge of the Rev. W. F. Wrixon, Rector of St. Mary's Church. Mr. Wrixon spoke feelingly of the life of Mrs. McGibbon, and the high esteem in which she was held by all who knew her. He spoke of the great loss the church and the W.A. had sustained in her passing, and of her great work in connection with the Parcels for Britain and the Chancel Guild. "At our church," said the Rector, "we were always happy and satisfied when we knew that Mrs. McGibbon was to arrange the flowers." Mr. Wrixon concluded his remarks by saying, "This pleasant, dignified, unselfish lady of Richmond Hill will live long in the memory of those who knew her."

The second service was held in the historic church of St. James' On-The-Lines, Penetanguishene, Ontario, on Sunday afternoon at 1:45 o'clock. The Rev. W. F. Wrixon was in charge of this service, assisted by the Rev. R. L. McLaren, rector of the parish. As the casket, covered with the little church, the simple burial service was read in the presence of former friends and relatives.

Interment took place in the adjoining church yard, one of the most beautiful spots in that part of the country, and in the district where the late Mrs. McGibbon first taught school.

## GEORGE STONG STILL HURLING IN HAMILTON

Ab. Hulse, writing in the sports column of the Newmarket Era has the following to say about George Stong, formerly of Richmond Hill, now of Hamilton:

"George Stong, ex-fireballer of Richmond Hill Roses, is mowing them down in the Hamilton senior softball circuit. Stong ranks with the great Russ Johnson in popularity in the Ambitious City and he's about second to Johnson and Joe Davis in ability."

## RATEPAYERS MEETING FAVORS RADIAL SERVICE

At a recent meeting of the South West Lansing Ratepayers' Association the organization went on record as wholeheartedly favoring the continuance of radial transportation on Yonge St. A resolution suggested the replacement of switches at stops 5 and 8 and the appointment of a township transportation commission.

## Thornhill Lions Club Makes Worthwhile Contribution To District Community Welfare

### SERVICE ORGANIZATION NOW FOURTEEN MONTHS OLD HAS SPLendid RECORD OF ACHIEVEMENT AND SERVICE — TOM JACKSON IS THE NEW PRESIDENT SUCCEEDING WILLARD SIMPSON

The Thornhill District Lions Club installed new officers, including President Tom Jackson, at a meeting Monday night. In addition to Installation Night, it was a Ladies' Night, and featured special entertainment.

The Thornhill District Lions Club now is 14 months old and in that time has launched many activities that contribute to the welfare of the community. The club has many plans for the coming year because it is determined to hold its place as the foremost service club in the community.

The officers for 1948 are as follows: President, Tom Jackson; first vice-president, Charlie Sowden; second vice-president, Bill Pocklington; third vice-president, Percy Bone; treasurer, Lins Schafer and directors, Jack Cooke, John MacNeill, Bob Mullen, Les Beeston.

During the last year, the club has sponsored or undertaken many community benefits. Its biggest project, and the one by which it raises the bulk of its funds, is the Carnival and Street Dance which in 1947 produced \$2,119. The carnival this year will be held July 28 and it is planned as bigger and better than last year.

The Club has done much for the children of the district. On May 24, a combined sports meet and patriotic display was such a success that it will be repeated next year. So will the Halloween Party. The eyes of all children in the three district schools were tested and where necessary, the Club provides glasses. Safety posters were put up in all schools and, in the spring, three busloads of school children were taken to a circus in Toronto.

The Lions Club undertakes many charitable duties. At Christmas and again at Easter needy families of the district were given fuel, clothing and baskets of food. Medical supplies were distributed along with medical care.

The Thornhill rink was operated by the club this year, mainly through the efforts of George Nuttall. In addition, a juvenile hockey team was sponsored and a carnival held. Similar plans are being laid for next winter.

A diversified program of this sort in a club of only 60 members, calls for the outlay of considerable money. In addition to the money raised within the club, \$2,040 was raised during the year by outside activities. The bulk of this, \$2,119 came from the street carnival; \$739 from a series of dances in Lawrence Memorial Hall last winter and spring; \$56 from the Halloween Party and \$25 from the Thornhill Woman's Institute. The money was distributed as far as possible, for community betterment, for instance, the May 24 sports meet. The health and welfare program of the club cost \$278, the juvenile hockey team, \$92; the rink \$100. In addition to the community projects such as these, donations were made to Sunnybrook Hospital, the Thornhill Browns, Food for Britain Fund, the United Nations Appeal for Children and Alcoholics Anonymous.

The new club president, Tom Jackson, was one of those responsible for the formation of the club in April, 1947. He succeeds Willard Simpson of Thornhill, who was an able presiding officer and hard worker in the interests of the club.

## Charter Presented to King Legion

A memorial occasion for King Legion Branch, No. 438, was the reception of the charter by president Archie McGinnis of Maple at a banquet attended by one hundred at Maple Community Hall on June 17th.

Under the command of Comrade N. Sproule, vice-commander, Comrades Arthur Fleet and David Jude were marshalled in to ceremonial music played by Pipe Majors Joseph Findley and Robert Ewing, a section of the Scottish Highland Band of Earls Court Post, No. 65, C. L. Toronto. The last post and reveille were sounded by trumpeters Donald Watson and Gordon Lee of Aurora.

Introduced by Zone Commander, H. A. Phelps, Comrade E. S. Evans, president of the Ontario Command and second vice-president of the Dominion Command, presented the charter on behalf of the Dominion Command, stressing the power of local organization as a means of strength to the Canadian Legion. Accepting the charter, president McGinnis solemnly pledged himself and the branch to uphold the aims and objects of the organization.

The toast to the King was proposed by Stanley Hunter, and the president warmly welcomed officials of the Provincial Command, the zone local executive and comrades and guests who represented King, Maple, Richmond Hill and Woodbridge. The toast to the Canadian Legion, B. E. S. L., was offered by Commander H. W. Phelps and responded to by Mr. Evans, who brought greetings from Dominion and Ontario Command.

Seated at the head table were: E. S. Evans, H. A. Phelps, who acted as chairman with Mrs. Phelps, J. Payne, deputy district commander of district "D", T. A. M. Hulse, third vice president of the Ontario Command with Mrs. Hulse, Aurora; president A. McGinnis and his wife; Arthur Fleet, vice president of the local branch and Mrs. Fleet; N. J. Sproule, secretary of King branch, with Mrs. Sproule; N. D. MacMurchy, Deputy Reeve of King township; Major A. A. McKenzie; John Hostrawser, Deputy Reeve of Vaughan township and his wife.

Greetings were extended by Comrade Payne from the district, who complimented the King Legion on its choice of young men as leaders, and spoke of achievements at Ottawa by the united efforts of legion members. Mr. Hulse expressed delight in welcoming the president of the Ontario Command. Through repeated efforts of older leaders have organizations been brought to the point of present vitality, he stated. Mr. Hulse pointed to branches such as King, No. 438, as the bulwark in carrying out the real meaning of legion work and service to comrades.

Brief congratulatory remarks were made by John Hostrawser on behalf of Vaughan township; Norman MacMurchy of King Township; Major A. A. MacKenzie, M.P.P. Comrade Miller of Maple thanked those who had made the event its unqualified success, the musicians of the pipe band, the entertainers, and Maple Women's Institute who catered to the gathering, providing excellent food and tastefully arranged tables.

The focal address given by E. S. Evans was a challenge to redouble efforts to uphold the honor and pledges of the Canadian Legion. The organization is on the upswing, he

stated, steadily and surely gaining confidence of governments and other organizations, more notably the confidence of the Canadian people. As guardians of high ideals, he urged comrades to strike at communism, an ideology preached and taught by those who do not love Canada, though accepting its privileges. "No organization exists which can better meet and beat these forces determined to undermine the Canadian way of life," Mr. Evans declared. Or the altar of memories to our fallen comrades let us erect service, endowed with sacrifice. Strive to achieve and cherish a lasting and just peace, challenged the speaker.

A presentation of a gold ring mounted with the legion badge was made to Padre E. W. G. Worrall, by Mr. Evans on behalf of the branch. Associated with King Legion since its inception, Rev. Mr. Worrall was honored thus by the local organization and legionnaires across Canada regretful of his departure to a new field of work as rector of the Anglican church at Camden, New York State. "The legion prize the things you have done, your service to the armed forces, the knowledge and experience you have bestowed upon your local fellow comrades," said Mr. Evans, in presenting the gift.

Totally surprised but highly honored, Mr. Worrall received this token of appreciation with a high sense of gratefulness, declaring he had done but little, and urged the boys to maintain the standard they have set as a branch.

Musical entertainment was provided the assembly by Cherio Entertainers, Toronto, directed by Mr. George MacCormach, accordionist and vocalist assisted by a clever young team of tap dancers, and an equally fine presentation by a young lady.

The Trumpeter's Call, rendered by Mr. MacCormach, was a fitting memorial song.
