GUERNSEY BREEDERS HOLD ANNUAL PICNIC

Choosing the spacious and enchanting acres of Fraserdale Farms, Concord, the Ontario Guernsey Breeders Association held their second annual picnic last Saturday, June 12th. Not overlooking a detail, the host, Mr. Jack Fraser, and his charming wife, opened wide their lovely home for their over 450 Guernsey friends from right across Ontario with an inspection of the Fraserdale Golden Guernseys leading the program. The weather proved ideal for the picnic lunch held on the greens just north of the house.

The York-Simcoe Guernsey Club arranged the varied program and their president, Mr. C. A. Cathers of Newmarket acted as Master of Ceremonies. Following greetings from Mr. Carl Ellis of Galt, President of the Ontario Association and Mr. Bruce Hodgins, Secretary, Dr. A. R. Campbell, Secretary of the Guernsey Breeders' Association delivered the most captivating address on food conditions and their apparent result on agriculture in British Columbia and based on personal observations. His talk was very well received by all, and following this Mr. D. McQuarrie of Gilford and Isaac King of Tottenham supervised a series of games and sports with fun for all.

An interesting event was the lucky draw for the purebred heifer calf, Fraserdale Admiral's Dolly and this valuable prize was won by a calf club boy from R. R. 3, Paris, Ont., George Aulsebrook, who of course was very pleased. Other calf club boys, Bob Stinson of Keswick and Brian Cain of Nashville won the Men's Judging Competition and Boy's Judging Competition respectively while Mrs. Eva Brooks of Paris captured ladies' honours in the two-class competition. The York-Simcoe Club is well recognized now for its successful efforts in organizing this big day for all Guernsey breeders.

THAT FEELING OF FATIGUE
A feeling of fatigue is one of the commonest complaints heard in the doctor's office. It may be that one feels tired after the first few hours of the day's work. Frequently the patient complains that he feels as tired on rising in the morning as when he went to bed at night. National health experts say this chronic tired feeling has to be taken seriously for it may be the early symptom of a number of serious diseases. Fatigue is probably the chief symptom for which patients request a tonic from their doctor. It is the doctor's job to decide whether or not some disease process is responsible for the tired feeling.

EDGELEY

Mr. and Mrs. Thos. Ferndale of Whitby and Mrs. Barnes and her son of Toronto spent Sunday at the home of Mr. and Mrs. Alf Bagg.

Mr. and Mrs. Don Giffin and family motored to Orillia on Sunday to visit with Mr. Giffin's father and sister and her husband, Mr. and Mrs. Irvin Smith. They were accompanied as far as Barrie by Mrs. William Price and little sons, where they visited Mrs. Price's parents, Mr. and Mrs. Ted Price.

Mr. and Mrs. Sid Broadvelt and little daughters, Margaret and Doreen spent a few days last week in a cottage in Midland and from there visited friends.

Week-end guests at the home of Mr. and Mrs. Elmer Stong were Mr. and Mrs. J. Thornton of Birkendale and Mr. Frank Lehman of Hillside and Mr. and Mrs. Clarence Hill of Oakville visited with them Saturday evening.

Mr. and Mrs. R. Thompson spent the week end with Mrs. Thompson's mother near King.

Miss Halbert, teacher at Edgely school for the past two years is leaving to take a position in a new school called Dublin near Toronto. Miss Halbert will be very much missed, especially among the young people. At the Young People's meeting held last week she was presented with a photograph album. Miss Halbert is being succeeded by Mr. Thos. Carter of Toronto.

Everyone enjoyed the reunion picnic consisting of Elia, Concord and Edgely schools which was held at Fundale Park, Woodbridge, last Thursday. There was lots to eat and plenty of games to keep things interesting to the very last minute.

Visitors on Sunday at the home of Mr. and Mrs. C. S. Stong and Mrs. Morton were Mr. Gordon Morton and little sons; Mr. Murrell Johnson of Victoria Square; Mr. Harold Morton, Richmond Hill, and Mr. and Mrs. Walter Bone and Mrs. Olive Williams of Carrville.

Mr. Billy Elliott has gone to Woodstock for the summer to work with his brother, Don. He accompanied Messrs. Alan Bagg and Orville Keffer who motored to Woodstock to spend the week end with their friend, Don.

Mr. and Mrs. William Price have purchased a farm in Macville near Bolton and will take possession on October 1st. The farm on which they are living has been sold.

Mr. and Mrs. C. Hill of Oakville spent the week end at the home of Mr. Hill's sister, Mr. and Mrs. Jack Chapman.

Many more years of happy life is extended to Mrs. Fockler, the wife of Rev. Fockler, who celebrated a birthday on Thursday, June 17th.

We welcome Mr. and Mrs. Alf Bagg into our midst again after their spending a month's vacation travelling by motor through the States and into Canada on the other side as far as conditions permitted. They went through Oregon where Mr. Bagg judged at some fairs. They then began their journey again and reached Vancouver, Canada, where they stayed one night. Because of the floods they could proceed no further in that direction. They passed the outskirts of the flooded areas. They came back into the States and travelled to Winnipeg, visiting in Brandon and Winnipeg. They could proceed no farther west on account of impassable roads. They then passed through plenty of snow, one road having just been ploughed out on the previous day. The forest fires kept them out of Northern Ontario.

On this trip Mr. and Mrs. Bagg were accompanied by Mrs. Bagg's sisters and their husbands, Mr. and Mrs. Jack Devins and Mr. and Mrs. Les Robb which made the trip especially enjoyable for them.

Mr. and Mrs. R. G. Keffer and Mrs. Harvey Jackson accompanied Mr. and Mrs. Chas. Grubb when they motored to Manitoulin Island for the week end to attend the Campbell Reunion.

"The old friends are the best," said Pat. "Where will ye find a new friend that's stood by ye as long as the old ones have?"
