Anonymous Donor Contributes \$20,000 Toward Modern Swimming Pool For Thornhill

Thornhill is to have one of the most modern swimming pools in Ontario. A public spirited resident of the community has donated \$20,000, to be spent this year in the construction of the pool, and before it is finished the cost may be \$50,000. It will be built in Thornhill Park as part of a community centre. It will be a regulation length, built suitable for races, and will include a wading section for young children. There will be bathing houses, showers and lockers.

The donor, who wishes to remain anonymous, approached the Thornhill District Lions' Club through Rev. S. A. R. Wood. He proposed that the club look after the administration and supervision. This has been undertaken by the club, and work on the pool, including a water supply, will start in a few weeks. It is unlikely that the pool will be ready this season. A Toronto architect with considerable experience in the construction of pools, notably at Ingersoll and Fergus, will be in charge.

At a meeting of the Lions' Club on Monday night, the club formally agreed to look after the administration of the pool, a problem the executive has been looking into for weeks.

Thornhill Lions' Club

The installation ceremony was in charge of George Bonnell of the Danforth District Lions Club. The retiring president expressed his thanks for the co-operation he had received during the year, and Lion Shirley Wood expressed the club's appreciation of the job Willard Simpson had done.

The incoming president said he looked forward to a year of accomplishment, and he sought the co-operation of all members in furthering the work the club has mapped out for the year.

Next meeting of the club will be in September.

Thornhill Public Library

With the closing of school, Thornhill Public Library will be open Tuesday evenings from 7 until 8:30 p.m. during the summer months.

Thornhill Artist To Judge Teen-Age Models at C.N.E.

Fred F. Haines, R.C.A., O.S.A., will be one of the panel of judges selected to consider most typical Canadian teen-agers at a model show to be staged on Tuesday, June 22nd, in the Women's Building C.N.E. The twenty-eight girls chosen will be given professional training at the expense of the C.N.E., and then paid for their services as models for the All-Canadian Teen-Town fashion shows to be held daily while the fair is on.

Mrs. H. Banting Passes at Langstaff

The community was deeply shocked and saddened by the sudden passing on Monday of Mrs. H. Banting. In her 58th year, the late Mrs. Banting had been a resident of the community

for several years. A member of the Thornhill United Church, she was president of the Woman's Association and a member of the Women's Missionary Society. She was also a valued member of Thornhill Women's Institute.

Apparently well all day, she was preparing supper when she collapsed. Summoned by Mrs. Robert Thompson and Mr. H. Banting, Dr. R. W. Wesley and Mrs. P. Bone rushed to the aid of the stricken woman but she never regained consciousness, and died early in the evening.

Funeral service was conducted by Rev. E. E. Kent from the home, and interment took place in Beeton Cemetery.

The premature death of the late Mrs. Banting will be felt by everyone with whom she came in contact, and her unfailing kindness and thoughtfulness for others will be remembered. To those who survive, her husband and two daughters, Helen of Toronto and Dorothy (Mrs. Bradley) Stayner, as well as her mother, Mr. Johnson, and one sister, heartfelt sympathy is extended.

W. I. Picnic

Thornhill Women's Institute held its annual picnic last Thursday afternoon at the home of Mrs. C. J. Sinclair, Yonge St. Over forty members enjoyed the lovely summer day and cool tree-shaded grounds of Mrs. Sinclair's home, including life members Mrs. R. Thompson, Miss Bertha Chapman and Mrs. W. Pearson. During the afternoon, life membership certificates were presented to Mrs. R. Simpson, Mrs. Wells and Mrs. A. Brillinger.

At the short meeting preceding the picnic, it was decided that for this season meetings would be held in private homes again, with executive meetings to be held about ten days before each general meeting.

Further discussion regarding the annual sale took place, and programs for the coming year were discussed.

Mrs. H. Swabey was presented with a smart leather handbag by Mrs. McKean and Mrs. Beeston, on behalf of the Institute. Mr. and Mrs. Swabey and their two daughters have moved from their home on Steel's Ave. to Orangeville. In presenting the gift, Mrs. McKean remarked on the fine work and executive ability displayed by Mrs. Swabey during her years of membership in the Institute. Mrs. Swabey held office as president and secretary.

Mrs. H. Mizen and Mrs. F. Frater are to be congratulated on the fine program of games and quizzes planned, particularly the hat-trimming contest which caused a great deal of merriment. A photographer arrived at teatime to take photos of the group and several were taken and will be for sale.

Mrs. Sinclair and Mrs. Jamieson were in charge of the refreshments and tea tables spread under the trees provided a charming and appetizing picture. Responding to the vote of thanks extended her, Mrs. Sinclair emphasized the fact that without the help of her neighbours, she would have been unable to entertain the organization so successfully.

Fat Collection

Many thanks to Mr. B. Edwards and the friends in the community who helped put over the fat collection recently. \$20 was realized, and cubmaster Mrs. T. Jackson and her troop feel that this service to the community could be repeated at more frequent intervals, so will you please continue to save waste fat? A fall collection date will be announced later.

The Cubs completed their season with a treasure hunt in the Park and a weiner roast. They will reopen in September.

Scout Troop

1st Thornhill Scout Troop closed the season with a party in the garden at the home of Mr. and Mrs. T. Jackson last week, and are now through until September. Invested were tenderfoots Geoffrey Jackson and Trevor Broderick.

Mrs. A. H. Ayer and Miss M. Snowball of Thornhill Golf & Country Club posted a 72 net in the one-day Toronto and District women's two-ball foursome championships held at the Thornhill course on Monday. Forty net went to Mrs. T. Walton of Thornhill and Mrs. C. A. Robins, Rosedale.

Miss Marguerite Boyle is holding a recital and tea on Saturday afternoon, June 26th at 2:30 p.m. at "Homewood Hall" Thornhill, and the collection take will be given to the B. C. Flood Victims.

Ruth Springfield will act as Mistress of ceremonies, Winnifred Heah, L.R.A.M., A.R.C.M., Contralto, will be the assisting artist and twenty of Miss Boyle's elocution pupils will provide an outstanding program.

U. K. FERTILIZER PRODUCTION

The British fertilized industry set a record, when 104 thousand tons of superphosphate was produced during March, 1948 — eight thousand more than the previous peak in February. During the nine months, July to March, 1947-48, production was 87 thousand tons greater than the corresponding period in 1946-47. The March, 1948 production of mixed fertilizers was also a record.

POULTRY IN PAKISTAN

A poultry association sponsored by the Pakistan Government has sought the assistance of Australian farmers in starting a poultry industry in Pakistan and is developing all standard utility breeds popular in Australia. The Australian Poultry Association has sent a wide range of stock to Pakistan.

There are two occasions when the mouth should be kept shut — when swimming and when angry.

GAMES PONY RIDES

'SCUDDA-HOO SCUDDA-HAY!'

There was once a picture called Black Beauty, another called Lassie Come Home and a third Thunderhead. Now comes "Scudda-Hoo! Scudda-Hay!" and outdoes them all with a pair of mules. Mules, as any farmer of long standing will tell you, is the handsomest, toughest critters God ever made.

Filed in technicolor, in the rich tradition of Home In Indiana and My Friend Flicka, "Scudda-Hoo! Scudda-Hay!" stars lovely June Haver, Lon McCallister, veteran Walter Brennan and the sensational mule team of Moonbeam and Crowder. Incidentally one of the most extensive talent searches ever conducted was necessary to find the two mules that figure in the film. The studio sent two livestock experts on a cross country junket, winding up in Fort Worth, Texas, where they paid \$3,600 for the team of Moonbeam and Crowder. The mules weigh 1,750 pounds apiece, stand 17 hands high, will kick at the slightest provocation and took to acting with all the ease and aplomb of Marjorie Main — and they're just as handsome, begad!

From where we sit a few more pictures like "Scudda-Hoo! Scudda-Hay!" and city fathers may soon have to begin worrying how they're gonna keep 'em off of the farm and away from farmer's daughters like June Haver. The picture will qualify you as an honorary member of the 4-H clubs and as an expert on every kind of farm chore from milking a cow to hitching up the old fashioned hand plow and furrowing a ridge or two. As for ourselves we've never been closer to a barn than the one in "Scudda-Hoo! Scudda-Hay!" but before it was through we could bridle and unhitch a team of mules like a veteran, milk a cow with maximum proficiency and drown an ear of corn ten paces away with an efficiently aimed stream of tobacco juice!

Yes, we like farm pictures because of their down-to-earth atmosphere and the cool, clean taste they leave in your mouth, and in the case of "Scudda-Hoo! Scudda-Hay!" because of the young, true love story it tells and the thrilling adventure it portrays.

Come Monday night, Ma, just leave the dishes in the sink; tell Pa to get the car out and let the chores wait; call young Joe and Effie out of the hen-house and head for the Roxy, Markham, and "Scudda-Hoo! Scudda-Hay!" All the neighbors will be there and the picture will do your heart good!

Come as you are. Land sakes, the theatre folks ain't that particular! They'll probably be wearing overalls for the occasion. And if you can't make it Monday night you've got 'til Thursday. "Scudda-Hoo! Scudda-Hay!" is at the Roxy for a right nice spell. It's that good!
