## Woodbridge defeats Maple

Woodbridge Too Steady For Locals  
In Second Clash

In a well played Intermediate B Lacrosse game, Woodbridge nosed out Maple by the score of 6 to 5. Woodbridge fielded a steady team which refused to become rattled as the blue shirts scored four times to their once in the first stanza.

In the second period they held Maple scoreless while they tallied twice making the score 4 to 3 at the half-way mark. Maple showed signs of blowing at this time, shooting wildly when they were in close.

In the third period, each team scored one goal each, and play was very fast, but again the boys on both sides missed great chances. The period ended with Maple still one goal up.

The fourth period was well on, when Woodbridge, playing a steady checking game, and displaying a determined attack, tied the score. Play resumed at a terrific clip and it was apparent, that a break would settle the issue. It came shortly before the final bell. Tom Armitage was penalized for dumping a Woodbridge player. The visitors after several tries finally scored with only a few seconds remaining.

There were only a few penalties and they were for minor offences. At times the play was sensational and the huge crowd was kept in a continuous uproar. It was a hard game to lose, but Maple even in defeat showed much improvement over their last clash with Woodbridge.

### Stars For Maple

Roy Thompson scored two goals for the blue shirts and missed many others, but he was Maple's most dangerous player.

"Big Boy" Armitage was the next bright star for the Maple team. He scored twice and played a steady defensive game.

Norm Alexander was the third star in the Maple cause. He scored one goal, played his usual brilliant defensive game and carried the ball well.

Jim Cherie, the youngsters man on the floor gave a good display. This young player looks like "Ernie Curran" of Orillia fame. He played his position well and shows signs of being a future great.

### Stars For Woodbridge

Woodbridge displayed fine, steady team-play all the way through, backed up by good goal tending.

Bill Anthony played a great game. His steady play-making gives Woodbridge a balance they sadly lacked last year. He is also a tower of strength on the defence.

Bill Norton Ronny Ireland, Costator and Sonny Rowntree all played well. Costator is one of the best two-way men in the league.

The rest of the Woodbridge new players, are all good men and they have given Woodbridge a strong team. They are in first place at present and will be hard to move off the top spot.

I might mention that their new goal keeper is very good. He played a big part in keeping the local sharpshooters off the score sheet in the last period.

Maple play Hespeler Monday night at Hespeler and then entertain the strong North Peel team on Wednesday, July 14.

### Line-ups

**WOODBRIDGE:** Goal, Geo. Burrows; defence, Caruso and Anthony; centre R. Ireland; rover, Norton; attack, Rowntree and Costator; alternates, Blake, Chet, Ireland, Voery, Harry Lovett, Milt Burrows, Lin Evells, Eddie Binsell.

**MAPLE:** Goal, Pete Rumble; defence, Dick Taylor, Harry Cooper; centre, Toster; rover, Al McNair; attack, Roy Thompson, Tom Armitage; alternates, Norm Alexander, Cleve Burton, Jim Cherie, Ken White, Jim Jones, Bruce Jones, Bill Parkes (Capt.).

Referee: T. Vipond, Weston.

### YONGE STREET TRANSPORTATION

The people of the North Yonge Street district are face to face with a transportation problem. There is a proposal and supporting pressure from some sources that the radial railway which has provided transportation for many years be scrapped and that the district be served by a bus service.

The operating agreement of the municipalities with the T.T.C. expired July 1st and is being continued on a month to month basis, and it is possible pressure may be applied to bring about a speedy decision on the question.

It would be the utmost in folly for the people of North Yonge Street to sacrifice the present radial line and transportation franchise for a proposed bus service without the most thorough investigation, intensive study and careful consideration.

There are 4,100,000 people in Ontario's 363,282 square miles of territory, and 1,025,000 of them reside in the 244 square miles which make up Toronto and its suburbs.

In the past sixteen years the population of Toronto proper has grown by 11 per cent, while the suburban area shows an increase in population of more than 56 per cent. The trend of population definitely is to the suburban areas.

The district north of Toronto City limits has shown remarkable growth in the past few years, and we believe will continue to grow at a faster rate than any other suburban district.

The present transportation problem must be settled in the light of the future with consideration for the development which is assured this district in the years that lie ahead.

The decision which is to be made is so important and will be so far-reaching in its influence on our future growth and development that we trust municipal representatives will not ask the people to make a hasty decision.

### LOCAL CITIZEN HONOURED

In our last issue we were happy to report that a well deserved honor had been conferred on a citizen of Richmond Hill when Mr. Richard Edmunds was awarded the "Medal of Merit" for outstanding service to the Boy Scout organization by the Governor-General of Canada.

We extend congratulations on a well deserved honour. Mr. Edmunds who is well known here and throughout the district as a public spirited citizen, has for some time been active in Boy Scout work. He has given generously of his time and ability in furthering the interests of the Scout organization in Richmond Hill and for some time has served with outstanding success as assistant district commissioner.

The Boy Scout movement is making a great and worthwhile contribution to good citizenship in Canada, and back of the work of the Scouts or any similar organization, there must be the careful, far-seeing and wise counsel of public spirited citizens who are willing to give of their time and energy in positions of leadership. All this is done without thought of remuneration, and it is indeed fitting that at least once and a while some are singled out for honour and recognition.

Mr. Edmunds has proven himself a "Good Scout" in every sense of the term and we join with his many friends in extending congratulations.

### A WORTHY PRAYER

Many years ago in these columns we published a prayer submitted by an anonymous author which we commended to our readers. This week a visitor to our office fingered through some clippings in his wallet and showed us the clipping which he had carried and treasured all these years, and made the suggestion that we reprint it for present day readers.

This we are pleased to do with the hope that some others like our visitor this week may find it helpful in the coming years. The prayer was:

"Teach me that sixty minutes make an hour, sixteen ounces one pound and one hundred cents one dollar. Help me so to live that I can lie down at night with a clear conscience, and unhaunted by the faces of those to whom I have brought pain. Grant that I may earn my meal ticket on the square and that in earning it I may do unto others as I would have them do unto me. Defend me to the jingle of tainted money, and blind me to the faults of the other fellow but reveal to me my own. Guide me so that each night when I look across the dinner table at my wife, who has been a blessing to me, I will have nothing to conceal. Keep me young enough to laugh with the little children, and sympathetic enough to be considerate of old age. Then when comes the day of darkened shades and the smell of flowers — make the ceremony short and the epitaph simple — "Here Lies a Man."

### LETTERS FROM THE PEOPLE

YORK COUNTY (North)  
HUMANE SOCIETY

12th July, 1948.

The Editor, "The Liberal", Richmond Hill.

The Executive Members of the York County (North) Humane Society would very much appreciate being able, through the medium of "The Liberal", to notify the residents of Richmond Hill, in particular, and of the surrounding district in general, that they are quite unable to accept the task of disposing of the numerous unwanted or homeless, cats and dogs of the district.

During its short existence the Society has concentrated on educating the younger generation in Kindness to Animals; perhaps some day we may aspire to more practical work, such as operating a shelter for homeless animals, but unless moral and financial help is forthcoming through more members or from other sources, we may have to carry on quietly doing what we can for these unfortunate creatures.

E. Abram, Secretary

"Name a Greek tragedy."  
"I never knock other fraternities."  
"My wife came from a large family. Did yours?"  
"No, she brought it with her."

### MAPLE

Mr. and Mrs. Cal Miller spent the week end at Brock's Beach, Washago. Mr. and Mrs. W. Ingram have returned after a week's holidays in the Muskoka district with Dr. and Mrs. Routley.

The Sunday services at Maple Presbyterian Church have been canceled for the weeks of July 18th and July 25th. The services will be continued the following two weeks but will again be cancelled for the last two weeks in August.

The congregation of St. Andrew's Presbyterian Church, Maple, held their annual picnic at High Park on Tuesday afternoon.

Mrs. B. W. Miller spent the week end at Brandy Lake with her daughter, Mrs. Will Lewis of Toronto.

### GORMLEY

Mrs. Sharback, Nancy and Patsy of Midland, also Mr. and Mrs. Harvey Cassel, Paul and Blanche of Preston spent last week-end in the Henderson home.

Mrs. Wm. Bruce and Genevieve are enjoying a motor trip for several days this week. They are motoring through Ottawa, Ottawa Valley, and the Thousand Islands.

Drunk: "Has Mike been here?"  
Man: "Oh yes. He was here about an hour ago."  
Drunk: "Was I with him?"
