PHONES:—THORNHILL 118W JUNCTION 2980

Two local lads have had their hands injured in accidents within the past week.

Just this week, John Wesley, son of Dr. and Mrs. R. R. Wesley, had his right hand caught in a machine and as a result, lost the end of his third finger.

Last week, Larry, two-year-old son of Mr. and Mrs. Geo. Kelson, Centre St., had his left hand severely injured in a freak accident, when a gust of wind caught the door, slamming it closed on his hand, just as he was entering the house. Summoned by Mrs. Harry Simpkins, Dr. Wilson rendered first aid and had the child removed to hospital, where a cast had to be put on the child's hand. The ends of two fingers were completely severed.

a cascade bouquet of white gardenias, white carnations and stocks, with white satin streamers.

Matron of honour, Mrs. Alex Humphries, sister of the bride, wore blue net over blue satin, and her matching headdress was a wreath with shoulder length veil. She carried a bouquet of yellow roses and blue cornflowers. A niece of the groom, Miss Hedges of Peterboro was junior bridesmaid in pale green with matching headdress and her nosegay was of mixed flowers to correspond with her gown.

Best man was Charles Hedges of Peterboro, a brother of the groom, and ushers were Jack Simpkins, brother of the bride, and Sydney Hedges, another brother of the groom.

At the reception held later at the home of the bride, her mother received in Iceland blue gown with white accessories and corsage of pink rosebuds, assisted by the groom's mother in printed white silk jersey with white accessories and corsage of white gardenias.

For going away, the bride chose blue silk jersey with slightly deeper blue coat and white accessories.

Mrs. L. Jamieson spent a two weeks' vacation in London, Sarnia and Detroit recently.

EDGELEY

A very interesting meeting of the Edgely Women's Institute was held at the home of Mrs. Paul Snider last Thursday when they were honoured by a visit of the Richmond Hill Institute, a company of twenty-four ladies, making 41 present in all. The program was given by the Edgely ladies, Mrs. Phillips giving a talk on the subject "Pioneer Ontario Expands." This talk was very interesting indeed and much enjoyed by the ladies. This was followed by a solo "I'll Walk Beside You" by Mrs. Kerr-Taylor, sung in her usual sweet voice. Miss Jean Phillips gave a short, interesting talk on the motto "Life can be beautiful." Mrs. Kerr-Taylor favoured the ladies with another solo "Rose of T'ralea." Mrs. Gordon Anderson contributed two beautiful piano solos. This was followed by lunch served by the committee in charge and a very pleasant meeting was brought to a close.

Master Jimmy Agnew has returned home from Georgetown where he had been vacationing and now is trying hard to get over the measles. Here's to a quick recovery, Jimmy!

Mr. and Mrs. Bob Montgomery and little son Bobby had tea with their cousins Mr. and Mrs. Elmer Stong and family on Sunday evening.

Mr. and Mrs. Bill Price and family and Mr. and Mrs. Sid Broadbelt and family spent Sunday in Macville. Mr. and Mrs. Don Forbes spent Sunday with Mrs. Stong's parents, Mr. and Mrs. Ern Stong.

Church services in Edgely church will be discontinued for the next month owing to the minister being away on vacation.

Mr. Gordon Mortonson and little sons and Mr. and Mrs. Herman Mortonson and daughters of Victoria Square were Sunday guests of Mr. and Mrs. C. S. Stong and Mrs. Mortonson.

"Where did you get that black eye?"

"For kissing the bride after the ceremony."

"But I thought that was the custom."

"Not three years after."

If you are a non-swimmer avoid deep water and stay out of a canoe! Don't go in the water immediately after eating!

Learn about artificial respiration . . . you may save somebody's life!

Take the sun in easy doses — sunburn is a real burn!

Learn what poison ivy looks like — then avoid it!

Be sure your water supply is pure!

Make certain your vacation milk supply is pasteurized — if not, pasteurize it yourself!

Avoid over-exertion, particularly if you are unaccustomed to strenuous exercise!

In hot weather use more salt in your diet!

BOWLING NOTES

Thirty members of Richmond Hill Club were guests of Glebe Manor bowlers last Thursday evening and all report a very enjoyable time.

Another of the popular men's doubles tournaments will get underway at the local greens next Tuesday evening. Shirts will be given as prizes.

The local greens are in fine shape and enthusiastic games are played every Monday and Thursday evenings. New members always welcome.

There was a full draw for the annual tournament for the Mulock trophy at the local greens Wednesday afternoon. The trophy and first prize went to skip King of the Fairmount Club, Toronto; 2nd to skip R. Jelly of Newmarket and 3rd to skip George Fuller of Richmond Hill. Bowmanville rinks accounted for the prizes for one and two wins. The ladies of the club received many compliments on a fine supper served on the clubhouse veranda.

VELLORE

The July meeting of Vellore St. W. I. was held at the home of Mrs. Roy Peelar with a splendid attendance. Mrs. D. Jarrett presided and the assistant secretary, Mrs. J. Snider, read the minutes. Plans are in the making for the bazaar to be held later in the year and a donation was made to the Federation of Agriculture. Members replied to the Roll Call by answering the question, "Why I like the Institute," using their own initials. Mr. Kearney was the guest speaker and "Citizenship was the topic. In a very interesting way, he gave a talk on "Canadian Civics," broadening out to take in the beginning of the Police Force, Curfew, Fire Brigade, Schools, Mail Service and Health. The origin of names and double names was also very educational. Mrs. Archie Cameron gave a paper on the motto, "Conduct is but character in the making." Perseverence, punctuality, faithfulness and honesty were some of the requisites. Mrs. L. McNeil presented a musical program given February 17th, 1865, at Woodbridge, believed made up of talent from Claireville district. Miss A. Kerr had a contest on pieces of interest in the district and also an exhibit of needle point and crochet work. Mrs. Kearney very ably conducted community singing and gave unstintingly of her musical talent at the lunch hour.

Music is the topic for the August meeting to be held at the home of Mrs. D. Jarrett. Let everyone be present and make it a bigger and better meeting than the last one.
