

LIONS HORSE SHOW and CARNIVAL MONDAY

SAFE DRIVING TESTS

Car drivers of Richmond Hill and district who have never before had an opportunity to test their capacity for driving will be able to learn Monday, August 2nd, just how good they really are behind a wheel. The Lions Club will make it possible for them to know that they see well at night, that they react quickly in an emergency — in short to know both the good and the bad in their abilities to drive safely.

During the past year more than 12,000 drivers and would-be drivers throughout Ontario have taken a series of tests which indicate their mental and physical suitability for driving. They have taken these tests through the courtesy of John Labatt Limited, London, which imported driver training from the United States.

Psychophysical tests from a part of the driver training course, now available in Canada through the University of Toronto. When these

tests in exhibits at the London Industrial Fair and the Canadian National Exhibition proved so popular that all spectators could not be tested in the time available, Labatt's decided to take the tests throughout the province wherever there was a request for them. The Company had built to specification a huge trailer which was fitted with the testing equipment and with a generator to light the trailer and to operate the testing machinery.

This machinery has toured the province, making the greater number of its appearances at fairs where young and old drivers stood in line to take the tests. The Lions Club is sponsoring its appearance here at the Horse Show and Carnival on Monday, August 2nd.

All tests will be analyzed by trained Labatt personnel to indicate to each participant his strength and his weak points, and his overall rating as a driver.

Stage All Set For Lions Big Show Next Mon.

For some time the big night of the year in Richmond Hill has been Richmond Hill Lions Club Street Dance. This year the Lions are making it one better and promise in addition to a big night, a big afternoon with a program of outstanding attractions and entertainment.

The Lions show this year will move from its familiar setting on Yonge Street to the Village Park, just one block east of Yonge Street. At one o'clock in the afternoon the program will get under way and the big event of the afternoon program will be the Horse Show. There will be a complete program of saddle and hurdle events and a thrilling show is assured by the fact that entries already include some of Ontario's very best performers.

Along with the Horse Show attraction there will be a midway of games and attractions sure to please young and old. In the evening there will be softball and other attractions.

At night the monster dance will get under way in the arena with the ever-popular Russ Creighton and his orchestra supplying the music. There will be vaudeville by talented artists of stage and radio.

The park will be transformed into a lighted fairground for the Carnival of games and attractions. Aunt Jemima will be on hand with her pan cakes, the ice cream wagon and many other new features to cater to all the wants of the record crowd expected to attend.

During the evening there will be a grand draw for prizes valued at over \$1000. and some lucky people are going to win such attractive prizes as a Westinghouse Refrigerator, an Easy Washing Machine, Vacuum Cleaner, Bicycle, Radio or Electric Iron. Lucky draw tickets are now on sale at Richmond Hill stores and by members of the Lions Club.

The event this year is under the direction of a hard-working committee under the chairmanship of Russell Lynett. The committee secretary is Norman Chatterley and other members are: Leslie Baker, Gilbert Clubine, Harry Charles, Dick Edmunds, Morley Hall, Lauder Glass, Herb Sanderson, Norman Bradshaw, Ed Butlin.

Radial Agreement Renewed For Year

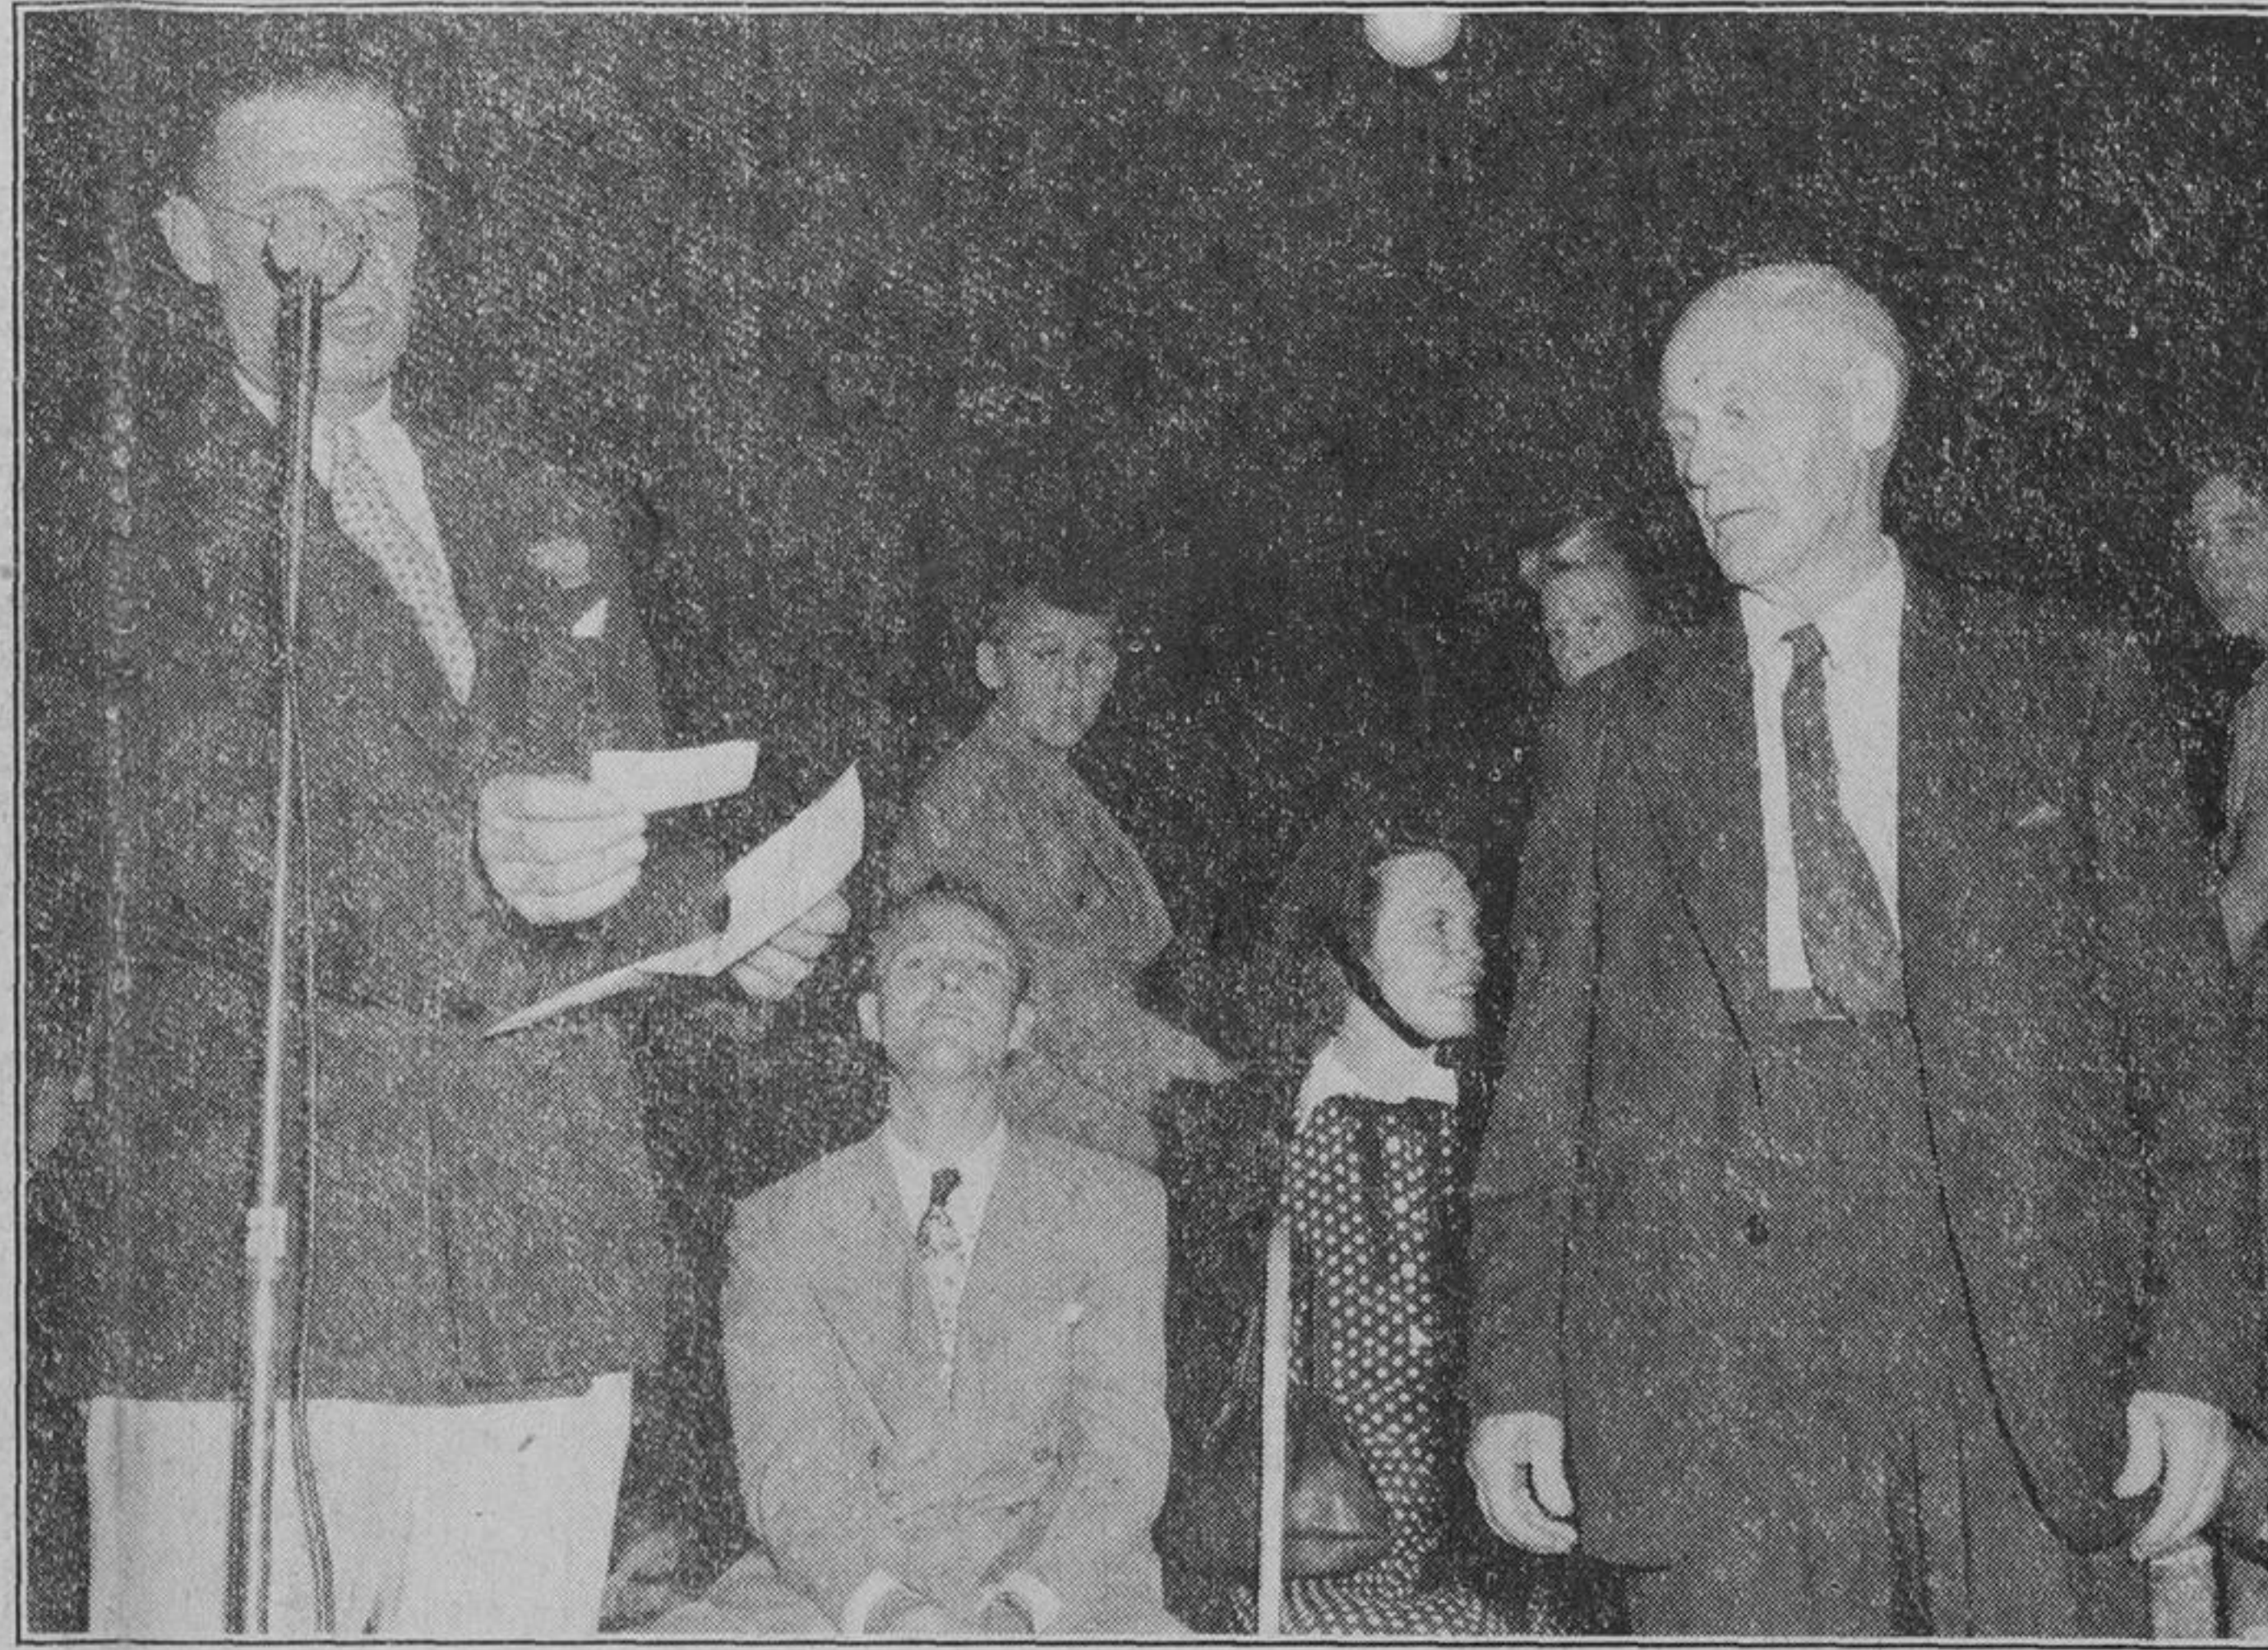

No change will be made this year in the operation of the North Yonge St. radial cars, providing the T.T.C. accepts a proposal made by the four municipalities concerned. Reeve George H. Mitchell, North York township, announced this week following a meeting of members of municipal representatives of North Yonge municipalities. Reeve Mitchell said that at a meeting of councillors from N. York, Markham, Vaughan townships and Richmond Hill village it was decided to inform the T.T.C. the municipalities favor a one-year extension of an agreement which expired last Saturday. Radials have been operating under this agreement since 1931.

The decision was prompted by a report on metropolitan transportation made for the Toronto and York planning board by N. D. Wilson, transportation expert. Reeve Mitchell said, "That report recommended that many suburban lines be taken over and run in conjunction with a system for the Greater Toronto area. We want to have time to consider all the points of the report before we make any decision."

The reeve said councillors voted unanimously in favor of asking for an extension of the contract.

Residents from the North Yonge St. area have gone on record at recent ratepayers' meetings as objecting to proposals that the present radial line be replaced by diesel bus service.

ANNUAL KING STREET DANCE HUGE SUCCESS

— Photo By Wade and Ford

More than three thousand attended the annual Street Dance and Carnival staged by the Lake Marie and King Athletic Association at King last Wednesday evening. Above is shown George Age, President of the Association, presiding during the drawing of the lucky tickets for nine valuable prizes including a free all-expense holiday trip to Bermuda. Sitting on the platform are Gordon Patton and Anne Patton of the Anne Patton Travel Service through whose

good offices the Bermuda trip was arranged, and standing is Peter Clark who has just drawn one of the lucky numbers.

The carnival was held this year in the park and the usual array of carnival booths including bingo, did a land-office business. Mrs. Willis, Canadian representative of the Bermuda Development and Travel Service was introduced to the audience and presented with a bouquet of roses by J. E. Smith, M.P., after which she

drawed the lucky ticket to determine the lucky person to get the free trip to Bermuda. The lucky winner was Clifford Loach, 81 Craighurst Ave., Toronto, who on being informed by telephone of his good fortune admitted he had completely forgotten buying the lucky ticket some weeks ago.

Other prize winners were: vacuum cleaner, donated by J. W. Bowser & Son, Aurora, Dot Triggitt, Toronto; 3rd, floor lamp, W. G. Bate-man, Bradford; 4th, mantel radio, Harry Jones, Aurora; 5th, ash tray, A. E. Jarvis, King; 6th, Electric Clock, S. Pelletier, Toronto; 7th, electric Razor, Morgan Baker, King; 8th, electric iron, Howard Thompson; Holland Landing; 9th, pair blankets, Miss Verna Lee, Toronto.

vice president, and others.

Sport News And Comments From The Maple District

Orangeville Defeats Maple 7-6 Visiting Green Shirts Defeat Locals In A Well Played Game

Orangeville Greenshirts served notice to local fans that they are the team to beat for the title.

Gaining an early lead on clever playing, they managed never to allow the Maple team anything more than even terms and that for only a few minutes in the final period.

The Maple team played well and a few breaks might easily have changed the score. Orangeville's one big advantage was their ability to gather in loose balls and take advantage of them. In the first period they scored three goals to the blue shirts' one, and two of these were on loose plays by Maple. Checking by both sides was very close. There were no solo efforts in the thirteen goals. There were only a few penalties and they were all minor offences.

Stars For Maple

The best man for Maple was Stan Foster. He checked well and scored three goals. Stan has now scored twenty-one goals and leads his team in points.

Jim Cherree was another bright light for Maple. He scored two goals and was always dangerous.

Jim Jones was very good at center. He worked like a beaver and scored one goal on a bullet-like shot.

Maple played well as a team and displayed brilliant passing at times. Loose fielding cost them the game.

Stars For Orangeville

Orangeville displayed a slow passing game backed up by dogged checking. The Gillespie brothers led most of their attacks and they made a great job of it. They both are clever stick handlers and have hard, deadly shots.

Joe Cornelia was also outstanding for the visitors. He scored no less than four goals and played a brilliant game going both ways.

Local fans will be glad to see the Orangeville team again. Maple will play Orangeville at Orangeville on Tuesday night, July 27, and they play Oswegan Indians on Friday, July 30, at the local Sports Bowl.

Maple At Newmarket

Maple defeated Newmarket on

Thursday night at Newmarket by the score of 12 to 1. Maple were slow to get going, but settled down in the last two periods and gave the few fans a clever display.

Roy Thompson 3, Gord Orr 2, were the leading point getters for Maple.

Newmarket tried hard but they have too many inexperienced players. They deserved credit for their sportsmanship. They could fold up like a lot of teams under such circumstances would, but it looks as if they will finish the schedule and I hope they do.

Hefner was their outstanding player. This boy would look good on any team. He never gives up trying, but then, all the 'Red Shirts' are like that.

BASEBALL

King City Defeats Elm Park

The King City team have no Walkers, Follits, or Kyles in the lineup this year. They have a green bunch of lads and they may be a little short of championship form, but the fans of this great baseball village are all for them. King has had some great teams in the past and as long as they support a team like they do, it is only natural that the boys wearing the "Lake Marie" sweaters will give their best and championships result. I suggest that some of the bigger towns take King as an example. They could have had outside help to replace the Kyle brothers and other stars they lost this year, but they are using a bunch of local youngsters and getting results.

After they spotted Elm Park a 4-run lead they combed the visitors for a 12 to 6 win. Led by the veteran Clark Archibald, they battled back gamely. Archibald relieved the tired but game Gordon Orr in the fifth inning and held the visitors in check. Then he proceeded to knock visiting pitching all over the lot. McDonald, Winters and Jennings also looked very good. Sproule, their new first basemen looks like a real prospect. "Ken" Richards looked like the perfect "rookie." He is a big powerful lad with good eyes and with a little experience in fielding, he should make a great ball player.

WEDDING

Of interest was the marriage of Helen Isobel, daughter of Mrs. Whitten and the late W. J. Whitten, "Helendel," Elgin Mills, to Mr. Charles Colin Henderson Crawford, Toronto, son of Mrs. Crawford and the late C. S. Crawford, which took place on Saturday in St. John's Church, Oak Ridges. Rev. W. F. Wrixon officiated, with Mr. George Armstrong at the organ, and Mrs. S. Dyke as soloist.

Mr. J. A. Whitten gave his niece in marriage, and she wore a trained gown of opalescent satin, made with square neckline and long sleeves ending in points over the hands. Her long veil of French illusion was held with a tiara of satin leaves, and she carried a prayer book with a cluster of gardenias. Miss Ethel Grove, maid of honor, the Misses Joyce Vick, Doris Beynon, Alberta Forster and Sandra Lee Burd, flower girl, were gowned alike in white nylon organza over lime green taffeta. They wore garlands of variegated summer foliage, and carried over their arms hand-crocheted picture hats filled with pink and white summer flowers and mixed green foliage. Mr. James McEwen was groomsmen, and the ushers were Messrs. Lloyd Cummings, Donald Crawford, Carl Beynon and Donald Frisby.

The reception was at the home of the bride's mother. For travelling the bride wore a costume of lilac crepe with matching shoulder cape, white accessories and corsage of white orchids.

BOWLING NOTES

There was a full draw for the mixed doubles at the local greens last Saturday. First prize went to skip Wark of Parkside, 2nd to Jim Grainger and Mrs. Pipher, Richmond Hill; high for 2 wins to Skip Wright of Oshawa and high for one win to Skip Russell and Mrs. Lynett, Richmond Hill.

A mixed rinks tournament will be held here Saturday, August 7th, for the Mrs. E. T. Stephens trophy. First 20 entries accepted. Local members wishing to play are asked to put names on board as soon as possible.

W. HAROLD MURPHY

Mr. C. R. Vint, President of the Colgate-Palmolive-Peet Co. Limited, announces the promotion of Mr. W. Harold Murphy to the position of Acting Western Divisional Manager.

For the past eighteen years Mr. Murphy has served as a Salesman, and as a Sales Supervisor in the Province of Ontario, and latterly served as Toronto District Sales Manager. His sales experience should prove helpful to the trade in the four Western Provinces and in Northern Ontario.

Mr. Murphy is a resident of New-tonbrook, formerly of Richmond Hill, and his many friends throughout the district join with The Liberal in extending congratulations and best wishes.

RICHVALE

Ladies' Softball

The recently organized Richvale Junior Girls' Softball Club will appear in action for the first time on Friday, August 30th, when they journey to Langstaff to tussle with the Langstaff ladies.

This club has not been operating very long but they have been practising enthusiastically and the Langstaff girls may be in for a surprise. Incidentally any team miss wishing to play on the junior can contact Mrs. E. Garner, Spruce Ave., Richvale, and her wish may come true.

Don't miss the game Richvale residents — play ball!!!

Weekly News Notes From Richvale District

Richvale Community Hall will be the scene of much revelry on Friday, August 13th, when the entertainment committee of the East Vaughan Ratepayers' Association will take pleasure in christening the floor of their proposed hall with a dance.

The dance will be an open air affair on the concrete which has been given a fine finish for the occasion. Modern and old time dancing will be the order of the evening with plenty of elbow room to swing your partner. Everyone will be made welcome. The proceeds will be used to augment the building fund.

Orechids are extended to the building committee, whose task it is to build the Richvale Hall, for the manner in which their limited funds have been stretched to carry them so far along in their building program. While considerable sums have been raised in the past several months, added to the original fund, the majority of monies has been expended by purchase of materials. It is now felt that the time is at hand for an appeal to the community who will be served by the hall. The sum to complete the exterior of the hall, install heating and electric facilities is not a very large one; however, as time is getting to be a major problem, the building committee feels that rather than continue paying as they go with the proceeds from entertainments and such which would involve a great deal of time, that instead the money be raised if possible in the community in order that work can be speeded up by the purchase of all necessary materials. The program would insure the building being snug and secure for the coming winter, protecting the work which has already been done and giving the community a much needed social centre, realizing the hopes and plans of the many people who are striving to make the Richvale Community Hall a reality.

The manner in which the campaign for donations will be carried out will be discussed at the next regular meeting of the ratepayers' Association which will be held the first Thursday in August, to be exact, Thursday, August 5th. The building committee will also report their progress on that evening and it is requested of everyone in the community to make a special effort to be present.

Residents who are not yet members of the association are urged to attend and obtain membership as it is the earnest desire that the association eventually become strong enough to be a voice in municipal affairs to the betterment of the democratic way of living.

Excitement in Quantity

Richmond Hill Arena shook the thump of flying bodies last week when that Pied Piper of Richvale, the children's idol "Red" Garner presented his second wrestling exhibition in aid of the Richvale hall.

Excitement and thrills proved to be the order of the evening and there were more than a few hoarse throats next morning from the effort of all the cheering. In the main event "Red" Garner emerged victor over Harvey Stanfield by taking two out of three falls. In this bout Stanfield aroused the fans when he resorted to illegal tactics, however, their ire was appeased when Garner after a series of flying tackles literally pounded his opponent into submission.

The semi-final saw Billy James of Weston go down in defeat to Ernie Hughson, Toronto, who succeeded in getting the count for two straight falls. The preliminaries gave victories to Bob Kirkland over Chuck Adams after 18 minutes of very fast and clever wrestling and also to Duncan Simpson from Jackie Cooper after 20 minutes of grappling. That well known referee, Jim Simpson officiated in the ring.

The mystery bout of the evening saw Tom Cooney Jr. of Richvale, step into the ring with instructor "Red" Garner for a fast 10 minute workout. Cooney handled himself well and appeared to be an up and coming contestant.
