**King City District News**

Mrs. Charles Egan, Toronto, has been the guest of Mrs. William Egan at Kinghorn for vacation week.

Mr. and Mrs. Elwood Patton and son, Robert James, Montreal, were recent vacation visitors of the former's parents, Mr. and Mrs. James Patton. They also visited at Owen Sound, guests of Mrs. Rex Thomas, sister of Mrs. Elwood Patton.

Rev. Alex G. Sinclair and his mother of Mitchell, Indiana, were visitors of Mrs. Tena Wilson, Kinghorn, for a week. They also spent time at their former home town of Owen Sound, and later at Barrie. Mrs. Alex Sinclair and their sons, Donald and Douglas remained with her family at Belleville. All have now returned by motor to Mitchell. Many King friends were pleased to see Rev. Sinclair who was pastor of the King Baptist field some years ago.

Mr. and Mrs. Harry Clark and children and Mr. Clark Sr., of Toronto, are spending week ends at their cottage home at Kinghorn which they have retained for an indefinite time.

Miss Laura Kitchen, Toronto, was the week end guest of Mrs. Alfred Gillham. While here Miss Kitchen called on Mrs. W. Mason at Kinghorn who was glad to see her friend of many years ago.

Miss Eileen Williams, daughter of Mr. George Williams, Laskay, is now showing signs of definite improvement after three surgical operations in a Toronto hospital. Eileen has been in hospital for some time, and will continue there until she is quite recovered from an illness which began three months ago. The illness has been one of great concern to her parents, who have spent much time attending the hospital for her regard, as her condition was considered very grave for some time. Despite these worries, Mr. and Mrs. Williams have given holiday pleasure to others, when a Toronto Y.M.C.A. group of under-privileged boys spend three days weekly at Taffy Hollow Park, the Williams property, which is loaned for use of less fortunate children. Twenty Hester Howe Boy Scouts spent a week at Taffy Hollow, attending Laskay United church for service on July 25th. Other groups are expected to use the Park during August. Mrs. Williams states she and her husband take pleasure in offering the Park area to those who might not otherwise find outings available. About 50 Boy Scouts are expected to occupy Taffy Hollow at the end of August. The traditional name Taffy Hollow dates away back when a plate of brown sugar taffy was set out to cool and "by chance" was claimed by the neighbor boys, who "snook off" with the toothsome food after dark. Laskay thrived on its pranks long ago, when pranks were only such and despicable incidents unknown, in the rural category of fun and frolic. The same spirit of wholesome fun still prevails about Taffy Hollow.

Rev. Mr. Smalley, formerly of Ajax is now established as pastor of the Baptist field, and with Mrs. Smalley and a son are settled in the parsonage. Another son is a teacher at Uxbridge. The community here welcome Mr. and Mrs. Smalley with the hope they find life in King pleasant and desirable. As a minister he will become better acquainted as time advances.

Miss Belle Barnard of Bradford is visiting Miss Eliza Fisher. Mrs. John Langdon, Sr., Toronto, is also a household guest of Miss Fisher.

**King Legion Frolic and Carnival**  
Wednesday, August 25th, King Legion Branch, No. 438, will stage a monster field day, carnival and dance in King Memorial Park. Extensive plans are in formation to carry out the second annual event designed to raise funds for legion benefit work. Last year's effort proved very satisfactory, and while at the moment we do not happen to have particulars (the holiday week-end usurping our information bureau) it is safe to assume similar organized committees are working hard to promote an even bigger and better show in sports events, in the afternoon carnival features, draws and evening park dance. This colorful event, weather permitting, draws many hundreds of people, and the patronage of other legion branches. President J. A. McGinnis of Maple and the branch executive have the co-operation of the entire district community, and the ladies in connection with the legion play an equally important part, reinforced by others who are glad to act in sympathy with the cause. Reserve the date, August 25, for a day and evening of fun and frolic held in the accommodating seclusion of King Memorial Park. Further information will be given out later.

Laskay W. I. Branch held their July meeting at the home of Mrs. Percy Forrester, honorary president, with Mrs. Charles Hately convening the program. She gave an enlightening paper on Citizenship. Miss Marjorie McMurchy rendered a piano solo and Mrs. Norman Etheridge gave the motto explanation. On August 10th, the organization will meet at the home of Mrs. W. Ham. Mrs. E. Bath will enlarge on the motto, namely, "When God measures a wo-

man, he puts the tape around her heart and not around her head." The topic dealing with Farm Women in Other Lands will be taken by Mrs. Gard, a new member.

King Institute journey to Midhurst Springwater Park on August 11th, taking a bus from King, at 1:30 p.m. It will be well worth the charge of \$1.50 to each person, considering it takes the rest of the week to recover from the laughter and fun the picnic outing affords. Refreshment and novelty attributes are being well organized by the committee in charge.

Mr. and Mrs. Clarke Archibald and son, Bertie, and friends from Oshawa enjoyed a week end motor trip to Northern Ontario, a short respite from the busy life at King City Cold Storage, operated by Clarke.

A shower was held at the home of Mrs. Norman Egan, Laskay, on Monday evening in honor of Mr. and Mrs. Albert Ezard, who were married on July 24th. The bride was Miss Dorothy McFarland of Laskay and their home will be made there. Congratulations to the couple.

Miss Mable Fleming visited Mrs. Howard Neill, Eversley, for several days during the past week.

**OBITUARIES**  
Mr. James Graham  
Mr. James Graham, in his 85th year, father of Mrs. Frank Morrison of the fourth concession, near King, was laid to rest in King Cemetery on Monday, July 26th. Mr. Graham had been in frail health having lost his wife but two months previously. Mrs. Morrison had cared for her parents during their illnesses. Newcomer to the district, sympathy is extended to Mrs. Morrison and family. The funeral service was conducted by the Rev. M. R. Jenkinson of King.

Dr. W. S. Armitage  
Following a prolonged illness, death claimed Dr. S. W. Armitage of Maple on July 22nd, at the age of 62. He had been a veterinary surgeon in the Maple and King district for the past nine years and was very widely known throughout the Canadian West where he was born at Manitow, Manitoba, graduating from the Ontario Veterinary College in 1906. After a post-graduate course at McKillop Veterinary College in Chicago, he began practice in Manitoba in 1908, where his deep interest in his profession took him far afield in helping to combat sleeping sickness in horses, which swept through Manitoba eleven years ago. Dr. Armitage was known for his regard for the profession which he so ably conducted, and was an authority in veterinarian circles where he earned the highest respect of colleagues and laymen. He was fundamentally interested in people, and their needs, and the smallest animal in distress aroused his sympathy. In earlier days, Dr. Armitage was an ardent hunter and angler. He belonged to the Anglican faith and was a member of the Masonic Order.

The funeral service was held from the home at Maple on July 24th, conducted by Rev. Mr. Johnson of Richmond Hill, assisted by Rev. C. H. Bowman of Maple. Interment was made in King cemetery. The pallbearers were: Ewart Ring of Crystal City, Man., Alex Forrester of Maple; Norman MacMurchy, Wilbert Burns, L. J. Glass and Roy Hollinsead of King.

Surviving are his wife, the former Jeanette Riddell of Crystal City; four sons, George of King; Harry, Brampton; Allan of Winnipeg and Thomas at home.

The Armitage family settled in Toronto for a short time, after leaving Manitoba, and then came to King where they have a large circle of friends. Later they moved to Maple village.

Meeting at the home of Mrs. Alfred Gillham of Strange, on July 18, Eversley Presbyterian W.M.S. was attended by 27, eleven of whom were guests. Mrs. T. K. Williams took up the subject of the Grandmother of the Bible, while the president, Mrs. F. Curtis, outlined the sectional meeting held at Nobleton in June, and took a chapter from the current study book. Mrs. John Larkin gave a reading and Mrs. Leonard Shropshire and Miss Jessie Gellatly, sang a duet. Mrs. Albert Jones dealt with the scripture passage. The August meeting will be held also in the evening at the home of Mrs. Lenhardt.

Judging from the cost, we sometimes think the brand of civilization we have isn't worth the price.

A new piece of music has been written around a surgical operation. We imagine the playing of it also is a neat operation.

**INSURANCE OF ALL KINDS**  
With the increase of fire hazards, property owners should review their insurance policies, and due to the increased cost of materials would be well advised to increase the amounts of insurance. Also car owners who think it will never happen to them are caught some time or other without protection. The cost is a minor amount to what it will cost if an accident happens.
