HOPE

T. O. NIXON'S 80TH BIRTHDAY
A unique birthday celebration took place at Hope on August 8th. First a service in Hope United Church at 11 a.m. with Rev. Fockler in charge with many of Mr. Nixon's friends in attendance. After the service a picnic lunch was served at Mr. Nixon's old home, now owned by Mr. and Mrs. T. McQuarrie and through their kindness loaned to Ollie and his friends for a nice get-together. After the luncheon the following address was read by Mrs. Malloy.
Dear Friend:
It is with feelings of humble pride and earnest friendship that we, the Hope community of former years, and also of today, take this opportunity to express our congratulations to you, Ollie, on this your 80th birthday. Our sincere wish is that you may be given a fair share of health to enjoy many more. We ask you to accept this wallet (and all it contains and all good wishes from your friends as a tangible token of your long fidelity to Hope Church and community.
Mrs. Wm. Watson then presented Mr. Nixon with the wallet containing over \$80. Suitable speeches were given, thus concluding a very happy reunion with friends from Barrie, Collingwood, Weston, Toronto, Maple, Teston, Richmond Hill and many other centres.

LETTERS FROM THE PEOPLE

SEEK HOLIDAY HOME
The Editor,
Richmond Hill Liberal,
Richmond Hill, Ont.
Dear Sir:
May we have the opportunity and privilege of using the columns of your paper to make an appeal on behalf of the shut-ins?

We are trying to procure a Holiday Home in Ontario, a place where the handicapped may enjoy a two weeks summer holiday without charge. There is no place of this type in the province — or in Canada for that matter — and to say that one is badly needed would be something of an understatement. We believe there are places in Central Ontario — perhaps near a lake or stream — that would be ideal for this purpose; if not a vacant country home that could be renovated, then a piece of land that could be used for the site of a Home. And we believe, too, that there are people who, were they to know of our desire, would open their hearts and make our dream a reality. Would any reader having such a place as this dispose of, or knowing of one that possibly may be acquired, please communicate with us? We scarcely need say that any help one may care to give towards the realization of this objective will be appreciated deeply, not only by the undersigned organization but by those, too, whose cause we plead.
Yours very truly,
THE SHUT-IN'S DAY
ASSOCIATION

SCHOOL OPENS SOON

Parents of September school beginners are reminded that Boys and Girls should commence school free of physical and dental defects. Beginning school is a very important milestone in a child's life and it is better for them, for many reasons, that they should start in A1 Physical Condition. Please have any remedial changes made and give your child every advantage as he "leaves home" for the first time. He will benefit; you will benefit; the school will benefit — what more could you ask?

TEMPERANCEVILLE

On August 8, the Sunday evening congregation listened with much interest to the service presented by a group of young people from Mt. Pisgah and Temperanceville. The speaker, Mr. Lawrence Smith, chose the timely subject of Agriculture. We are stewards of the soil and as Christians concerned with the well-being of others, we must practise the best methods of soil conservation and so pass on the priceless heritage of a productive land. Others who assisted in the service were Miss Shirley Hare as soloist, Miss Doreen Stevenson, Miss Heather Graham and Mr. W. Mitchell. These young people are to be commended for their excellent presentation and for having given so willingly of their time and talents. Our sincere appreciation also to Mrs. F. Hare who so kindly acted as organist.

Sunday, August 15, the service was in charge of the young people from Wesley church.

The August meeting of the Women's Institute was a family picnic held on the spacious lawn of the Thompson home on Wednesday evening, August 11. Wednesday members, their families and friends, enjoyed a most delicious supper with a special treat of ice cream. An excellent program of sports was arranged by Mrs. A. Kerr and Mrs. W. Jennings, and included races and a candy throw for the children and fun for all. The Lucky Number Door Prize was won by Mrs. D. Chalk and the novelty race for mixed couples by Mrs. Young and Wilbert Jennings. Mrs. Baldwin demonstrated her skill in throwing the rolling pin and Mrs. Young guessed at what time the alarm clock would ring. Mrs. R. Jennings and Mr. C. Henshaw Sr. were most accurate in the Bean Guess Contest. Prizes for the various events were generously donated by Mrs. Wilkins, C. Henshaw Sr., Mrs. N. Thompson, Mrs. W. Jennings and Mrs. Baldwin.

On behalf of everyone present, we express sincerest thanks to Mrs. Thompson for once more so kindly offering her home and to the committee who worked so hard to make this occasion a success. They were Mrs. E. Phillips, Mrs. Bracken, Mrs. Palmer and Mrs. Henshaw.

We are glad to welcome back two of our former members, Mrs. Ball and Mrs. Lenhart and their respective families.
On August 22, the Sunday evening service will be in charge of Mr. F. Langford of Newmarket.
