Thornhill District News

The regular monthly meeting of the trustees of the police village of Thornhill will be held in Victoria Hall on Tuesday evening, August 31st, 1948, at 8 p.m.
 At this meeting the trustees would like the ratepayers' opinion with regard to placing a temporary building in the Village Park for the use of the Boy Scouts, Cubs, Brownies and Girl Guides. Your trustees are hoping for a good attendance.

The Woman's Association of the Thornhill United Church will meet at the home of Mrs. W. Fisher, Centre St., at 2.30 p.m. Thursday afternoon, September 2nd.

A speedy recovery to Mrs. Wib Smith who underwent an operation in Toronto Western Hospital last Saturday. Although progressing nicely Jean will probably remain there for the next week or so.

Mr. and Mrs. H. Mizen are vacationing at the home of their son, Charles, in the Owen Sound district.

Mrs. Charles Hooke, Mrs. Wib Smith and Miss Jessie Hooke were hostesses for a lovely shower when the neighbours in the John and Bayview district presented Miss Margaret McKean with beautiful gifts and best wishes for her approaching marriage to Mr. Stanley Suter.

CANADIAN NATIONAL

The **Best** banking system

CANADA has a banking system which, for efficiency and dependability, is unsurpassed in the world. Competitive, flexible, adaptable to the changing needs of the country, it serves Canada's producers, her industries, her traders—and it serves your personal needs, too.
 No customer has to fear for the privacy of his regular banking transactions. This privacy is completely free of political pressures or considerations—it is rooted in Canadian banking practice and tradition.

Contrast this Canadian way with conditions in lands where freedom is denied—where every bank is a political tool, every banker a State official! State monopoly of banking, proposed by Socialists here, would fasten the Marxist foreign pattern on you.

Restore Lost Pep!

REPLACE THAT "WORN-OUT" ENGINE WITH A CHRYSLER METHOD REMANUFACTURED ENGINE

You can restore new-car pep in just one day by having us install a Chrysler Method Remanufactured Engine in your Chrysler-built car or truck. Chrysler Method Remanufactured engines are not ordinary "overhauled" or "re-built" engines. Chrysler Method Remanufactured Engines are different. They are precision-built to rigid specifications laid down by Chrysler Engineers. Every Remanufactured

Engine gets a NEW crankshaft. All parts which do not meet engineering specifications are replaced with Genuine Chrysler-engineered parts. Every Chrysler Method Remanufactured Engine is tested on a dynamometer and is guaranteed to develop the same torque and horsepower as a new engine. Come in to-day and let us show you what is different about the CHRYSLER METHOD of Remanufacturing engines.
