MAPLE BOWS TO HESPELER 6-4

In a poorly played lacrosse game, Maple again played short-handed and that along with the long trip and poor floor may have accounted for the poor display of the "blue shirts". Hespeler on the other hand, played a miserable slashing game, and showed nothing to warrant them as a threat. They won the game, but they showed nothing that makes up a good lacrosse team.

Stars For Maple

Al McNair, White and Armitage played only fair lacrosse, but they were the best for the locals.

Hespeler did not show one player in this game worth mention. They won, but it is no credit to them or to the Maple team.

LACROSSE NOTES

I am glad there is only one game to write up this week. It will give me space and time to pay tribute to some of the boys behind the scenes of the Maple Lacrosse team.

The first is the coach of the "blue shirts," Gordon Ingram. Over a period of six or seven years, he has been about the steadiest performer on the Maple teams of the past and the present. He has had a splendid career as an athlete. Only a small fellow, he has had to take a lot of abuse on the playing field. This he has done and he has been one of the cleanest players in the game. He has been a good scorer both in football and lacrosse and has been a splendid playmaker. He is one of those players, that coaches like to see on a team. He seldom complained about the tough going and was a great team player.

He has carried all these fine attributes to the bench. He is popular with his players and has been able to get the most out of the boys although short-handed many times. The splendid play of the Maple team throughout this year is greatly due to him.

Oscar (Mike) Wilson is another

reason why Maple have played well this year. Only a little fellow, he is the best trainer I have ever seen. Many of the professional teams are not blessed with a trainer half as skilled and efficient as Mike. He is so quiet and unassuming that he can patch up an injured player and have him back on the bench ready for play before anybody realizes that the player was injured. Mike is very popular with his team mates and he is one of the most valuable men on the team.

George Miller, Bruce Jones, Tom Armitage and Jim Cherry are four reasons, Maple can look to the future in lacrosse. These young fellows have done splendid work in bringing along the Maple house league. They have spent many hours coaching the boys and arranging games. Because of their splendid efforts, I am introducing some young fellows that I think will be wearing the blue and white uniform within a year or so.

Horn, Patton and Richards are three splendid prospects from King, all good players going both ways. Horn is ready now for a try with the big team. Maschinter, Albert Orr, Pete Jones are three prospects from Elgin Mills who look like future stars. Young Bone and Len Murray look like stars in the making from Vellore district. Bob and Willie Cherry look as promising as their older brother from the Maple district and "Nitch" Harrow is going to be a splendid defence player in the near future. There are many others who may easily outshine some of the boys I have mentioned in time.

Football

Any ex-players from Vellore, King, Concord, Woodbridge and Every, who would like to renew old acquaintances or play the game this coming Saturday, may do so by being on the grounds by 7 p.m. All you need is a pair of running shoes and an extra set of lungs. Please make this a good turn-out.

Weekly News Budget From The Richvale Community

Richvale Public School

The chairman of the Richvale Public School Board has conveyed the information to the writer that Mrs. D. Tansley, teacher of 2nd and 3rd grades, is confined to Women's College Hospital recovering from a major operation.

Mrs. Tansley is a respected and efficient member of the teaching staff at the Richvale school and many of the parents as well as pupils will learn of this with regret. This disheartening news however is toned with a ray of sunshine for Mrs. Tansley will be an active member of the school in October, as she is doing very well. Mr. Taylor has passed on the information that Mrs. Dingwall of Toronto will be the substitute teacher until Mrs. Tansley's return.

The entertainment committee of the East Vaughan Ratepayers Association held a euchre last Wednesday at the home of Mrs. H. Hudson, Spruce Ave., in aid of the community hall building fund.

It was rather unfortunate that the weather was so hot and humid that euchre appeared to be furthest from the thoughts of Richvale lovers as the turnout was rather small; with the fall season approaching and the current drive for funds in aid of this worthy cause being intensified, it is expected that during cooler weather the story shall be somewhat different.

Music And Richvale

The appeal for musicians to play in the Richvale orchestra was very gratifyingly answered, however to date the response is in favor of the violinists. Mr. Hudson of Spruce Avenue expressed a desire that he should like to have more response from the brass section. Come on you horn men — you don't have to be another Harry James or a Tommy Dorsey — let's hear from you.

That local man about the community, Mr. C. Baker, who has many exhibits at this year's current edition of the Canadian National Exhibition was a guest at the reception of Lord Louis Mountbatten for the opening ceremonies of the exhibition. This was indeed a signal honor for Mr. Baker and he intimated he was quite thrilled to participate.

Mr. Ernest P. Marks was the honored guest of his daughter, Mrs. F. Hill, Spruce Ave., on Sunday last, when he was surprised with a family re-union. Present were his sons, Mr. E. Marks of Acton and Mr. W. Marks and L. Mark of Toronto. Mrs. Hill rounded out the family group and with the family offspring, the gathering was quite jovial and appreciated by the head of the group, Mr. Mark.

Miss Margaret Bennett entertained a number of her girl friends at her birthday party Monday evening. Margaret recently obtained a position in the Stouffville Post Office.

Mr. Walter Farmer and Mr. Howard Baker are holidaying this week at Canadian Keswick.

Congratulations to Mr. and Mrs.

York Junior Farmers Now At First District Camp

Following the announcement last June which stated that there will be held the first district Junior Farmer Camp in Ontario embracing the counties of York, South Simcoe and North Simcoe, the committee of Ross Beattie, Stayner; Lois Graham, Highland Creek and Archie McKenzie, of Newmarket, has been active in organizing the details. They are now quite complete and many of the local juniors are at present enjoying the facilities at Camp Ahshunyoong on Lake Simcoe where they are receiving leadership training until September 6.

The camp is entirely apart from the Ontario Junior Farmer Camp held the following week and was formulated to give more farm young people the opportunity of attending a leadership camp with the addition of the recreational advantages of camp life. York is sending 28 delegates while South and North Simcoe send 20 and 14 respectively. These will be on an equal basis of boys and girls. Suitability, past record, future leadership and personality have entered into the choice of campers.

The camp organization is designed on the Indian tribe idea and each member of a tribe is supplied with

address of a certain colour to show to which tribe they belong. A boy and a girl will be picked from each tribe to act as chiefs. The programme will be a full one from reveille in the morning until Vespers, camp fire and taps at night. The camp programme carried out will include valuable periods on Junior Farmer Organization, Dramatics, Social Recreation, Physical Recreation, Religious Studies and Music, and is designed to encourage skills and develop responsibility for leadership in the community.

The camp supervisor for the period is Archie McKenzie while Rev. D. Davis of Stouffville will direct the programme and conduct religious studies. Mr. T. R. Hilliard, Junior Fieldman will direct junior projects while Miss Margaret Watson, director of the well-known "Harmonettes" is in charge of music. Physical Recreation will be in charge of Mr. William Mitchell, Physical Director at the Ontario Agricultural College while social recreation will be in charge of Miss Mary Reid, from Orangeville. Miss Helen Brown, R. N. of Bradford is Nurse and Matron, while Miss Lois Graham of Highland Creek, the District Director, constitutes the Junior Staff.

Fire Destroys King Twp. Barn

Over 400 firemen and farmers battled a threshing field fire which swept over the farm of George Courtney, two miles north of Nobleton, Monday. The blaze destroyed over 90 per cent of the season's crop as barn, pig pen, hen house, driving shed and other outbuildings on the property were wiped out. Only casualty was a pig burned to death. Damage was estimated at upward of \$15,000.

The fire broke out early in the afternoon and at one point leaped across the highway and ignited a barn belonging to neighboring farmer, Howard Fry, but was brought under control there.

The blaze started outside the Courtney barn where oats were being hauled into the threshing machine. Llewellyn Owen, Courtney's step son said "All of a sudden, smoke started to pour out of the ventilator at the north end of the barn and then everything went up in flames."

The Schomberg brigade, first on the scene, was unable to cope with the blaze due to lack of water for their pumper and for a time the farm house was menaced, but prompt action by a volunteer bucket brigade saved it.

Arrival of the Aurora Fire Department carrying a large auxiliary pump saved the remaining buildings.
