On Tuesday evening a miscellaneous shower was held at the home of her brother, Bob Riddell, and many lovely gifts were presented.

Congratulations to Ian E. Scott, son of Mr. and Mrs. Earle Scott, who has been awarded the King Township scholarship of \$200 given annually to the resident student of King township attending Aurora high school, and attaining the highest standing. Ian has also won the Dominion Provincial scholarship of \$400. He will attend Victoria College for Commerce and Finance course. A King township bursary of \$100 has been awarded Archie McCallum, Strange, a chum of Ian's, also an Aurora high school student. He will enter University college for Commerce and Finance.

They held a picnic lunch at Kirkfield visiting their cousin, Mrs. Margaret McPhail and a niece, Mrs. Gladys Dunn and daughter, Iris. A visit to the Foliott homestead farm which Mrs. Gilhooly has not seen for 43 years proved very reminiscent. They found delight in roaming through the farm house long since changed hands. A recent owner is making extensive alterations to the house built 50 years ago.

### Married Fifty Years

Fifty years of happily married life was celebrated by Mr. and Mrs. Elias Paton at their home in Pottageville, on September 5th. They were at home to more than 60 guests during the afternoon and evening. The couple, still young at 70 and 74 years of age respectively, received congratulations from a long list of friends over a wide district, and enjoyed acknowledgement from their many friends. A wedding cake graced the table and was cut by the bride.

The Patons were married at Aurora, the bride as Minnie Gould, the daughter of Alexander Gould and the groom the son of Thomas Paton. They settled at Pottageville where they were born and raised, and have since resided in the same house where 12 children were born, ten of whom are living.

For about 13 years Mr. Paton was employed with the Schomberg radial line later by other employment followed by retirement about 6 years ago.

Mr. Paton has been a member of Northview Orange lodge for more than 40 years, and both are associated with the Pottageville United church.

As for Mrs. Paton her time has been fully occupied in the care of the family, who are now repaying her in devotion and admiration, and her 24 grandchildren and 11 great grandchildren have the pleasure of knowing her a very active and charming person.

The couple enjoy family gatherings and the theatre, for diversion.

Mr. and Mrs. Paton have the best wishes of the township for many more years together.

### Auspicious Opening For Schomberg Church

Large congregations more than filled Schomberg United church for its re-opening on September 12. At a cost of about \$12,000 the edifice has been practically rebuilt on accommodating and modern lines, starting July of last year. The corner stone was laid in May, 1948. Funds have been raised by the congregation, and generous contribution of voluntary labor and building executive had substantially lowered the building cost, to a point where less than \$2000 is still owing, though not for long, as a clean sweep to wipe out the debt is being launched at once. The remodelled building is said to be presently worth around \$15000.

### 100 Years' History

Second King Baptist church at Pottageville wrote off 100 years of progress on Sunday, September 12, when Mr. Ward Cook related the history of the founding and Rev. A.
