HON. L. B. PEARSON JOINS GOVERNMENT

The announcement that Hon. L. B. "Mike" Pearson has been named Secretary of State for External Affairs for Canada has been received with general approval by the press and people of Canada. An experienced diplomat he is held in highest regard not only in Canada but throughout the world. His record of service in London, Washington, and at United Nations meetings has won the admiration of those high in public life in all countries of the world.

The new Minister succeeds Hon. L. S. St. Laurent who shortly will assume the duties of Prime Minister, and the appointment while technically made by Prime Minister King in reality is made by Mr. St. Laurent. The acceptance of the post by Mr. Pearson strengthens the Ottawa ministry and is assurance that the key-position of Foreign Affairs Minister is in the most able hands available. The appointment moreover is evidence that the incoming Prime Minister Mr. St. Laurent is able to attract to his side the ablest men to assist in the responsibility of government in these difficult days. Hon. L. B. Pearson has had a brilliant career in the diplomatic service of his country, and we predict for him an equally brilliant and successful career in public life.

CANADA'S IMPROVED DOLLAR POSITION

Canadian foreign trade reached record proportions in the first half of 1948, with total merchandising imports and exports amounting to \$2,671 million, \$85 million more than in the corresponding period of 1947. Accompanying this increase was a shift in the pattern of Canadian trade. Exports to the United States were higher, \$646 million, as compared with \$482 million, while imports were lower, \$884 million as compared with \$981 million. The trading position was about the reverse vis-a-vis the United Kingdom, with exports hardly changed \$360 million as compared with \$353 million, but imports considerably up, \$139 million as compared with \$85 million. Trading with the rest of the world showed an even more pronounced shift, with exports down and imports up.

The Canadian import restriction program had the effect of curtailing somewhat purchases from the United States, while imports from the United Kingdom and other countries increased because of the low level they had reached during the war and the immediate post-war period.

DEATH WINS HIGHWAY RACE

Traffic fatalities soared to a grim total of 86 deaths on Ontario's streets and highways during August, a tragic result of a huge increase in traffic volume, augmented by a record influx of visiting motorists. This traffic fatality total was still well below the August peak of 1941, when 98 traffic deaths occurred, but it tops the 1937-41 average of 84.4 deaths in this summer month.

This rise in August fatalities, in the wake of the startling 51% increase for the preceding month, confirms and impresses the recent warnings that late summer and fall traffic conditions would be more dangerous than ever before. Opening the August list were the 7 highway deaths over Civic Holiday week-end, with six persons killed in two accidents, and opening the September and early fall period were the Labour Day tragedies.

Analysis of recent losses reveal two startling facts which are not always disclosed in a survey of accident causes and effects:

(1) the number of accidents occurring clearly due to personal carelessness or recklessness;

(2) the disturbing dual loss to Ontario children, loss of playmates and loss of a parent or parents.

In the first instance, August saw a long list of accidents in which racing motorists, or sheer driver carelessness and recklessness were the basic causes. It confirms the contention that the responsibility is almost always on the driver.

In the second instance, of the 86 persons killed in the month on Ontario's streets and highways, 13 were children of eight years of age or under. In addition, several times that number of children lost one or more parents.

MAPLE

Mr. David Couper who has resided in Maple longer than any one was presented with the keys of the village of Maple on Monday night by the president of the Lions Club, Mr. Arthur Wells.

Maple Women's Institute held the September meeting in the Masonic Hall on Wednesday evening, September 8th. An interior decorator from the Robert Simpson Co., gave a very interesting lecture using colored slides. She spoke of the "New Look" in home decorating, stressing higher table lamps, repeating materials in drapes and slip covers. She showed pictures where the new flame color, also forest green were used in cushions, etc. She told of Simpson's experimenting with a new floor covering, wallpaper treated with a plastic coating. The W. I. will run a refreshment booth on Sept. 16 at the Maple Cattle Breeders' picnic. The October meeting will be held at the home of Mrs. MacLachlan.

Dr. Fred W. Routley and Mrs. Routley have returned to their home in Maple after spending several weeks in England and on the continent.

Mr. Beatty of Lefroy spent the week end with his daughter, Mrs. Arthur Verdon.

Mr. and Mrs. W. J. Messenger and children, George and Donald, and Mrs. Messenger Sr., all of Markdale were Sunday visitors with Mrs. Messenger Jr. sister, Mrs. L. F. Jackson and family.

Mr. and Mrs. Lloyd Kerswill have returned from their trip to Western Canada and are in their cottage at Wasaga Beach.

The C.G.I.T. girls and their leaders, Miss Fockler and Mrs. John Martin, had a very enjoyable camping-out last week end, staying Friday night and Saturday in the woods on Hugh Aird's farm. The weather was very warm and the girls had a grand time, returning by 6 p.m. on Saturday night.

Miss Betty Jackson of Caledonia spent the week end with her parents in Maple.

Mrs. T. Witherspoon has purchased a lot from Miss Walkington and intends building a house very soon.

MAPLE ELIMINATES NEWMARKET 13-1

Locals Are Easily The Better Team In Poorest Officiated Game Of The Season

Maple put on a good display, at times, of lacrosse, to pile up a convincing win, but the game was a disgrace to organized sport. Loose officiating in the first stanza, which caused tempers to flare up during the remainder of game, a poorly coached and unorthodox Newmarket team combined with a Maple team which would only take so much punishment, resulted in a game in which twenty-four penalties were handed out. They were made up of 8 majors (5 minutes) and 4 match (remainder of game) which is no credit to either team and certainly not to the officials.

The play was ragged, but Maple did put up a few brilliant flashes of their true form. They were lucky to come out of this game with no serious injuries.

Stars For Maple

Stan Foster regained his scoring eye, with four goals. His brilliant rushes made the Newmarket defence look very seive-like at times. Ken White scored four goals and played a steady defensive game. The rest of the scoring was shared by Cleve Burton, Jim Cherry, Roy Thompson, Tom Armitage and Norm Alexander.

Stars For Newmarket

Scotty, Johnston and Heffner were the best for the Red Men.

Comments

Lacrosse is Canada's national game. Played under ideal conditions by teams like Orillia Terriers, St. Kitts and Mimico, it is a grand game to watch and one to be proud of. However, poor officiating, rough play and blood shed on the playing field have made it a poor drawing card. If there are many repeat performances such as the one I saw last Friday night, the game could easily pass out of the picture, at least in this vicinity.

It is to be hoped that the O.A.L.A. looks into this matter and makes sure that the officials are fully competent. Former good players like Don Wilson and Jim Mullis don't always make good referees.

MAPLE DEFEATS HESPELER 8-6
 Maple defeated Hespeler in the first game of Intermediate B finals 8-6. It was a rugged game, but good officiating kept the rough play down to a minimum. Both sides were guilty of crude checking and there were only brief flashes of good play. Maple built up an early 5-1 lead, but had it nearly wiped out going into the last stanza. They hung on in the final minutes and managed to stay a desperate Hespeler attack.

Stars For Maple

Jim Cherry led the Maple snipers with three clever goals. Jim Jones and Stan Foster followed with outstanding play for the locals.

Stars For Hespeler

Abbott, with two goals, Berrington, Kelly, Geary and Varmnetter scored for Hespeler.
