VALLIERE — In loving memory of our mother, Elizabeth Valliere who entered into rest October 8th, 1930. Her thoughts were all so full of us She never could forget. And so we think that where she is She must be watching yet. As angels keep their watch up there, Please God, just let her know That we down here do not forget. We love and miss her so, We lose our friends from day to day, First one and then the other, But the day we never shall forget Was when you left us, Mother. — Ever remembered by her family.

When canning fruit which is not over-ripe, try adding a dozen raisins to each quart. The sugars of the raisins add a delicious taste to the fruit. Be sure not to add more than a dozen, since then the flavor of the raisins would dominate that of the fruit.

Meet BELVEDERE... the baby-hating baby-sitter!

NOTICE TO HYDRO CONSUMERS

To meet the emergency power shortage every consumer is urged to save Hydro wherever and whenever possible.

Richmond Hill consumers are still far above the quota.

Unless present half hour shut-offs twice daily, 11.30 a. m. to 12 o'clock, and 4.30 to 5 p.m. plus voluntary savings brings us under the quota, FURTHER AND MORE DRASTIC CUTS MUST BE MADE. Such interruptions may be for fifteen minutes every hour on the hour, or at any other time the Commission may order.

Such further interruptions as may be necessary, after Friday October 8th, will be made without notice.

Voluntary reduction in use of power will help prevent further interruptions. IF EVERYONE SAVES a little, we can bring consumption down within our quota.
