INSURANCE
OF ALL KINDS

With the increase of fire hazards,
property owners should review their
insurance policies, and due to the
increased cost of materials would be
well advised to increase the amounts
of insurance. Also car owners who
think it will never happen to them
are caught some time or other with-
out protection. The cost is a minor
amount to what it will cost if an
accident happens. Consult

and Clarke Prentice, auctioneers.

DEPARTMENT OF HEALTH
TOWNSHIP OF NORTH YORK
Mass Survey — E. H. C. I.
A special day (October 13, 148)
has been set aside for X-ray by
the mobile clinic at E.H.C.I. The
work will be "carried out" by the
same officials as are presently
"carrying on" the Township T.B.
mass survey. This arrangement
should offer convenience and com-
fort to all pupils and a 100%
"turn out" is expected. You will
NOT have to remove shirt or
blouse, but avoid wearing silk or
large metallic objects in clothing
over the chest. You will be happy
indeed to learn the true facts
concerning your chest, if negative
— nothing to fear — if positive
you are learning now, before it is
too late.
CARL E. HILL, M.D., M.O.H.

MASTER LAYING PELLETS
and FLESHING PELLETS

Greater feed intake is the object of every
successful feeder. The noon feed of Pellets
sprinkled on top of the dry mash will en-
courage extra feed consumption.
MASTER LAYING PELLETS are recom-
mended for feeding regularly as a noon
feed but MASTER FLESHING PELLETS
can be substituted at any time particularly
when body weight is not what it should be.
For feeding schedule see your copy of the
Master Feeder Lay-Time Edition 1948.
