Inside The Library

The regular quarterly meeting of the Library Board was held in the Library Rooms on September 22. The Board feels that there are many people who would like to utilize the library but find it inconvenient to get in to town on Wednesday. Therefore it has been decided to open on Friday evenings, starting October 15th from 7.30 to 9.30 p.m.

One hundred and forty-seven books have been acquired since the Spring for both children and adults. To these have been added a case of books generously donated by Major Chandler. These fine books cover a wide range of subjects including a splendid selection of business text books.

Mr. and Mrs. J. L. Crew have donated a book-case and Mr. Jim Snelgrove has constructed another for the children's books.

Some of the popular new books found in King Memorial Library are as follows:

Pilgrim's Inn, Goudge; Peony, Pearl Buck; Two Solitudes, MacLellan; Lardners and the Laurel Woods, Kaye-Smith; Came A Cavalier, Keyes; The Bishop's Mantle, Turnbull.

Mrs. H. Kirkness, Mrs. Charlton, Miss V. Workman, Toronto, were visitors of Mrs. Tena Wilson on Sunday.

Mr. Bob Ferris, wife and daughter, Patsy, and Mrs. Robert Maginn, Toronto, were visitors of Mr. Ferris's sister, Mrs. Britton Riddell. Mrs. Maginn is an aunt of Bob and Mary Riddell.

Mr. and Mrs. Albert Duncan, of Langstaff, and friends, Mr. and Mrs. Will Morgan, Toronto, were visitors of Mrs. Herman McBride and family on Sunday.

Mr. Charlie Kyle has been forced to rest for a month owing to heart requirements. He is progressing favorably.

Mrs. T. L. Williams spent several days with Mrs. Bert Boyd, her cousin at Hamilton.

Miss Freda Dent observed her 13th birthday on Saturday, October 2, entertaining several young friends at her home, during the evening.

Mr. Stanley Kerr of Strange has bought the Kyle Bros. farm on the King and Vaughan townline, to take possession next April. This farm has had very few changes, as the former owner, the late Mr. W. Mulloy, who reached an advanced age had been born there. The Kyles purchased the property 21 years ago, and upon removal next Spring will seek a new home for retirement from farm life.

Miss Isobel Walkington, whose marriage takes place on October 9th, was given a miscellaneous shower by friends in the district near Bradford where she teaches school. Gifts were varied and in fine quality. A neighborhood shower for Miss Walkington was held last Monday evening at the home of Mrs. Ross Walker.

Miss Ruth Follitt of Temperanceville is taking a business course at Shaw's college, Toronto, and is finding the work very much to her liking. She is looking forward upon completion of the course to some interesting position.

The Late Joseph Ballard

The village of Nobleton lost an esteemed citizen in the person of Joseph V. Ballard, 85, who was buried in Queensville cemetery on Friday, October 1st. A blacksmith for more than 60 years, Mr. Ballard had been at work a week prior to his death, and after a few days' illness, passed away at his home, Wednesday, September 29th. His passing creates a loss in the trade which he had followed with fine success through the years. Presbyterian circles have lost a friend and follower, as both the late Mr. and Mrs. Ballard were foremost workers in church life. They were members of Besa Presbyterian Church, tenth line, where Mr. Ballard was honorary elder. The funeral service held from the Ballard home was conducted by Rev. J. F. Donald of Bolton, and attended by a large circle of friends and business associates, and Nobleton O. L. of which Mr. Ballard was a member.

Deceased was predeceased by his wife three years ago, and is survived by a daughter, Nellie, at home. Another daughter, Mrs. Earl Buckle of Aurora and a son, Maxwell Ray Ballard, a teacher in Moose Jaw Collegiate Institute, Saskatchewan also survive. There are four grandchildren and one great grandchild.

GORMLEY

Congratulations to Mr. and Mrs. Harold Sider on the birth of a son last Thursday in Toronto.

Also congratulations to Mr. and Mrs. J. T. Johnson who celebrated their fortieth wedding anniversary last Wednesday. About one hundred and twenty-five friends and relatives met to extend their congratulations. A dainty lunch was served to all and a very pleasant evening was spent as those who were present at their wedding recalled their memories of it.

Dr. and Mrs. Ross Doane of Richmond Hill had tea at the home of Mr. and Mrs. H. Moorby last Sunday.

Mr. and Mrs. Earl Doner had Sunday dinner with Mr. and Mrs. Mervyn Harper of Stouffville.

Mrs. John Bond spent Monday with her daughter, Mrs. Harold Doner.

Mr. and Mrs. Jack Watt and Lynda will be moving this week end to their home south of Richmond Hill.

Mr. and Mrs. Graden Moyer and family and Mr. and Mrs. Wesley Wigh of Vineland Station were guests in the Farmer home on Sunday.

Mrs. Ida Robinson of Toronto visited Mrs. Allan Hoover over the week end.

TEMPERANCEVILLE

The regular monthly meeting of the Women's Institute will be held on Wednesday afternoon, October 13, at the home of Mrs. M. Beynon. The program will be in charge of Mrs. Davis, the Citizenship convener, and the Roll Call will be answered by the name of a Canadian place you would like to visit. The lunch committee will be Mrs. Bracken, Mrs. Cains, Mrs. Wilkins and Mrs. C. Beynon. Please keep in mind Friday October 29, which is the date of the W. I. Tea and which is being held so that we may continue to support the Save the Children Fund.

On Friday evening, October 9, the church will be appropriately decorated for Thanksgiving. Contributions of fruit, vegetables, canned food will be much appreciated.

Anniversary Sunday was observed in Temperanceville Church on October 3, with two special services. Guest speakers were Dr. A. E. Armstrong and Rev. J. M. Addison, both of Toronto. Temperanceville choir supplied the music assisted by Miss Mildred Follitt, Misses Shirley Hare and Margaret McClure and Mr. R. Moddle.

A number of friends, members of Temperanceville Church gathered to enjoy a delicious supper and a very interesting and entertaining program presented by Mr. R. Marshall of Kettleby. We extend to Mr. Marshall our sincere thanks and appreciation.

Highlight of the evening was the honouring of Mrs. Walter Bovair on her eightieth birthday. All joined in singing Happy Birthday wishes, after which Mrs. Bovair cut and graciously shared her lovely birthday cake. It is indeed fitting that her birthday should coincide with the anniversary celebration, as both Mr. and Mrs. Bovair have been life long members of the church. We sincerely wish that she will enjoy many more Happy Birthdays.

A newly created papa received the glad tidings in a telegram: "Hazel gave birth to a little girl this morning; both doing well."

On the message was a sticker reading: "When you want a boy, call Canadian National Telegraphs."

Restore Lost Pep!

REPLACE THAT "WORN-OUT" ENGINE WITH A CHRYSLER METHOD REMANUFACTURED ENGINE

You can restore new-car pep in just one day by having us install a Chrysler Method Remanufactured Engine in your Chrysler-built car or truck. Chrysler Method Remanufactured engines are not ordinary "overhauled" or "re-built" engines. Chrysler Method Remanufactured Engines are different. They are precision-built to rigid specifications laid down by Chrysler Engineers. Every Remanufactured

Engine gets a NEW crankshaft. All parts which do not meet engineering specifications are replaced with Genuine Chrysler-engineered parts. Every Chrysler Method Remanufactured Engine is tested on a dynamometer and is guaranteed to develop the same torque and horsepower as a new engine. Come in to-day and let us show you what is different about the CHRYSLER METHOD of Remanufacturing engines.
