**INSURANCE
OF ALL KINDS**
With the increase of fire hazards,
property owners should review their
insurance policies, and due to the
increased cost of materials would be
well advised to increase the amounts
of insurance. Also car owners who
think it will never happen to them
are caught some time or other with-
out protection. The cost is a minor
amount to what it will cost if an
accident happens.

WINTER VENTILATION
This month many people will check
their furnaces in preparation for the
winter months. They should also
ensure that ventilating equipment
