## ON GUARD

Day and night, more dependable than ever

TODAY, telephones are four times as free from "trouble" as twenty years ago, and there are twice as many of them!

Each month 10,000 are being added so that soon all may have dependable telephone service and the security that goes with it.

This is being done in spite of rising costs, yet up to now there has been no increase in the basic telephone rates established 21 years ago.

For you, this means greater value than ever before; for us, the satisfaction of providing "the best telephone service at the lowest cost".

## Weekly News Budget From The Richvale Community

It has been announced that the sale of raffle tickets for the beautiful sink cabinet, electric toaster and electric kettle, is going very well indeed. The proceeds of this enterprise are to be used to finance the various youth organizations at the Richvale School house.

The drawing of the winning tickets is scheduled for the evening of Monday, December 20, in the school basement. The entertainment committee of the East Vaughan Ratepayers Association have arranged a gala affair to suit the occasion. It will be a combined box social and dance.

Admission for the ladies will be a box of goodies, while the men will dig for the purchase price of a raffle ticket. Don't forget the date, Monday, December 20th.

The Vaughan Women Workers are busy these days preparing for another of their well-known bazaars. This time however it shall be more than just a bazaar for there will also be a bingo and a draw for a lovely doll's house and a dressed doll. There will be for sale home baking and sundry dry goods. The order of the proceedings will be the sale, then the bingo with the draw being the climax of the evening. There will be plenty of room and all are invited. The time is 8 p.m. on the evening of Saturday, December 18th, the place is the basement of the Richvale Public School.

Christmas made a premature visit to the home of Mr. Johnny Hertz, Carrville Rd., last Saturday evening, when Mrs. Hertz became a winner on

a popular give-away radio program. The friends of Mrs. Patterson of the Vaughan Women Workers will be glad to know her son is well on the way to good health after his miraculous recovery from a serious operation due to an accident he was involved in several weeks ago.

Mr. Fred Bröome, well-known Spruce Avenue resident, suffered a very serious accident to one of his eyes while at work last week. It is still touch and go as to whether the sight will be saved. His friends wish him complete recovery.

The parents of the Richvale School district are invited to be the guests of the school board next Friday evening, December 17th. On that evening talking pictures will be shown in the school basement. A well varied program has been arranged for and the show will start between 7:30 and 8:30 p.m.

Last Thursday week the Richvale Cub Pack held their inaugural meeting in the Richvale school. Several of the lads who attended, wishing to join were under the age limit and while they may be somewhat disappointed it is not possible to accommodate them. Actually there is no group at present that can handle boys of under eight years of age. The cub group has an age range of 8-12 years and the Scouts take over at 12 years.

The Richvale Rangers who meet on Wednesday evenings actually cover boys from 8 years of age up who do not wish to be either Cubs or Scouts. Children under eight are actually too young in years and too small in stature to be incorporated in these groups. It is rather dangerous for them to indulge in games with the older, bigger boys. If the parents will bear with us in this problem until the boys are a little older, it would be appreciated.

INCURS HEAVY FINE FOR CUTTING TREES

This is what can happen if you cut down someone else's trees: Fred Fogal, convicted of wilful damage in cutting down two spruce trees, one of which had been planted as a memorial by the Newmarket Lawn Bowling Club, was sentenced to six months definite and six months indeterminate by Magistrate O. S. Hollimake. Fogal sold the "Christmas trees" valued at around \$250.00 — for \$1.50 police said.

MADE IN CANADA

Nearly seven out of every ten yards of woven woollen fabrics used in Canada in 1947 were made by Canadian workers in Canadian mills.
