**GUIDE NOTES**  
The Browne Pack invites their mothers and members of the Local Association to see their Christmas Basket which will be on display at their regular meeting on December 18, 2:30 p.m. in the Presbyterian Sunday School, before being delivered.

**ANGLICAN MEN'S CLUB**  
The Men's Club of St. Mary's Anglican Church were hosts on Monday evening to the Men's Club of both the Presbyterian and United churches. The meeting was addressed by the well known Bacteriologist, Dr. Geo. Stanley of Toronto.  
Dr. Stanley, who was introduced by Alf. McLatchy, was for many years connected with the Research Institute of Ottawa and now operates his own laboratories, specializing in the field of conservation.  
During the course of a most interesting address in which the effect of bacteria upon our daily life both in peace and war was discussed, Dr. Stanley held the complete attention of his audience, and at the conclusion of his remarks very kindly agreed to answer the many questions put to him by his listeners.  
Altogether it was one of the most interesting evenings the club has had this season.

**The Boy Scouts and Wolf Cubs**  
A Boy Scout Troop with four patrols to date and a Wolf Pack with three sections are now meeting each Monday night at eight o'clock in the Victoria Square S. S. Room.  
Last Monday night forty-four boys were present, an increase of eight over the week previous. Also present were several adults, who looked on. All parents are welcome at any time to be present at meetings and to observe what goes on.  
The meetings are held in Victoria Square Sunday School room because it is a central place of meeting for the whole circuit and district, inasmuch as boys are coming from Gormley, Headford, Browns' Corners and the territory in between, and may yet come from even greater distances. Monday night was selected as the night of meeting.  
The district is fortunate in finding well-qualified leadership in the immediate neighbourhood — some of whom are newcomers to the Township. The leaders include, Mr. McKendry of New Gormley, member of Fairlawm U. C. and active on the Official Board for over ten years, Scout leader for districts; Mr. John Brown 'Jr.' out from England in June and formerly very active in Boy Scout work in London, England. John attends Browns' Corners U. C. and is working for Mr. and Mrs. Black — also recent arrivals in Browns' Corners; Mrs. Jim Hood, Anglican and past-master in the art of giving leadership to growing boys through the medium of the Wolf Cubs organization. Her work has been outstandingly successful for over eight years and she has taken three courses in this direction.
