

To The Electors of the Twp. of Vaughan

MANY THANKS TO THOSE WHO VOTED FOR ME AND WORKED ON MY BEHALF IN THE MUNICIPAL ELECTION, AND MY BEST WISHES TO THE ELECTED REEVE AND COUNCIL.

SEASON'S GREETINGS TO ALL.

**HEADFORD**

Headford Sunday School held its annual White Gift Service on Sunday, December 12th, with a generous assortment of gifts.

Wedding bells seem to have been the order of the day at this time some years back.

On Saturday, Mr. and Mrs. Norman Brodie celebrated their silver wedding anniversary. Some of their beautiful gift flowers graced the church on Sunday.

Mr. and Mrs. William Leuschner will be entertained by their entire family in Toronto on Saturday on the occasion of their golden wedding. They will be 'at home' to their many friends and neighbors at the home of their son, Walter, on Tuesday afternoon, December 21st, from two o'clock until four.

The Y.P.U. of Headford United Church have charge of the annual Sunday School concert, which will be held on Wednesday evening, December 22nd, with, of course, a Christmas tree.

**NORTH GWILLIMBURY  
ELECTION RESULTS**

William A. King was elected Reeve of North Gwillimbury by acclamation following the retirement of Reeve Glover. Results of voting for other officers were: Deputy-reeve, J. L. Doyle, Roche's Point (638), Ben Johnston (401). Council (three to be elected), Clark W. Martin (673), James Clark (542), Lloyd Stiles (525), Cecil Prosser (516).

The End of the Power Cutoffs  
Does NOT Mean  
The End of the Power Shortage

All Consumers must continue  
their efforts to cut down on electricity

While improved water conditions resulting from recent rainfall in the right places, have enabled The Hydro-Electric Power Commission of Ontario to increase quotas to municipalities, water flow conditions are still not normal. Therefore, it is vitally important that all consumers—industrial, commercial, domestic and rural—be constantly on the alert to avoid all unnecessary use of electricity.

Your co-operation in the past has helped. Here are a few suggestions as to how you can continue to help.

- Turn off all unnecessary lights. Do not leave lights burning in empty rooms, halls, basement, attic, porch and garage.
- At the evening study or reading hours, group the family around the reading lamp and turn off other lights.
- Replace large light bulbs with smaller ones.
- Where water is electrically heated, use hot water sparingly.
- Watch the switches on your range, your iron and other appliances. Turn them off as quickly as possible. Often the stored heat will finish the jobs. Use "High" heat for as short a time as possible for cooking or for boiling water.
- Don't let motors on motor-driven equipment run needlessly in home or factory.
- In factory, store or office, don't light a row or cluster of overhead lights when a single light nearby will do.

Do your part to cut down on electricity and keep pay envelopes full.
