Hodgson-Renshaw
A quiet and charming wedding was solemnized in Trinity Anglican Church Saturday afternoon, December 4th, when Reta Esther Renshaw, daughter of Mr. and Mrs. Alexander Renshaw of St. Catharines became the bride of Ronald James Hodgson. The bride's gown was of wine crepe with lace bodice and her accessories matched. Her corsage was of wine and white mums.

Mrs. Bowes, a sister of the groom, was the matron of honour and she wore a brown frock with matching accessories and yellow mums. Mr. and Mrs. A. Renshaw, St. Catharines, attended the wedding.

The reception was held later at the home of the bride's sister-in-law in Dundas, and following that they left for their wedding trip to St. Catharines.

Life-Long Resident Passes
Sincere sympathy is extended to the family of the late Edmund A. Duncan, who died at his home on John St., on Monday, December 6th. Son of the late Mr. P. Duncan, he was born in this district and lived here all his life. A farmer, he retired some time ago due to ill health and his two sons have carried on the farm. Surviving are his wife, the former Jean Oliver, and two sons, Bruce and Eric, and one brother of Langstaff.

The funeral service on Wednesday afternoon, December 8th, was conducted by Rev. E. E. Kent from the home. Interment took place at the Thornhill Cemetery.

Congratulations to Mr. and Mrs. Warren Harvey (nee Eva Findlay) on the birth of their son in Toronto on Sunday, December 5th.

Congratulations to Mr. and Mrs. G. Woodruff Bayview Ave., on the birth of their twin babies, a son and daughter.

We wish to congratulate also Mr. and Mrs. Clarke Smith on the birth of their son.

Deputy District Governor at Lions
Deputy District Governor Bud Logan paid an official visit to the Thornhill District Lions Club Monday evening. He stressed the growth of international Lionism in the 31 years since the first club was formed in Chicago until today. It is the largest service organization in the world, operating in 24 countries.

It is expected that a Canadian, Walter Fisher of St. Catharines, will be elected International President of Lionism at a convention in New York in June. Plans already are under way in different clubs to send delegates and pay tribute to the incoming president as a representative of this country.

The Thornhill Club will hold a Christmas party for members and their families on December 20th starting at 7:30 p.m. It will be under the auspices of the Boys and Girls committee. The membership committee has recommended that 7 new members be taken in, increasing the membership from 58 to 65.

The Fortnite Club of Thornhill Presbyterian Church held a theatre party Tuesday evening, returning to Mrs. S. Findlay's home afterward for refreshments.

Proposed Addition to Thornhill School
At a meeting of the ratepayers, called by the Thornhill Public School Board, and held in the school last Wednesday evening, the necessity of an addition to the school was explained by the chairman, Mr. R. Fenn.

Facts and figures presented indicated that a possible 211 pupils would be enrolled by 1953 according to a survey made by Mr. Fenn, which has proven very accurate to date. With that enrollment, another room would be in order, and it was Mr. Fenn's suggestion that at least two rooms be added with a foundation to take care of four rooms.

The Department of Education has sanctioned the necessity of an addition to the school, and the question now remains just what this addition

will be. Suggestions were put forth that an auditorium and kindergarten be included.

Rough estimates for the proposed structures indicated that costs would range anywhere from \$50,000 to \$125,000.

During the discussion as to the increase in taxes due to this possible addition to the public school, Mr. Willard Dean, acting as chairman, intimated the meeting that he had not approached that very afternoon and asked to sit on the new area high school board. From the information he had, it is just possible that a new high school may be erected in Thornhill, which would further increase taxation. This came as a surprise to the ratepayers, and caused them to give serious consideration to the proposed addition to the public school.

The Board was instructed to retain an architect and obtain estimates for the next meeting on various types of additions. Noticeable at this meeting were the number of young parents present, particularly from Jaeger Ave., which sent a representation of 15. Taxpayers are going to be vitally affected by the proposed addition and it is in the interests of all ratepayers to be present at the annual meeting to be held on Wednesday, December 29th, at which meeting it is hoped plans and estimates will be presented.

Public Library to Close for Holidays
December 21st will be the last day Thornhill Public Library will be open until school starts again in the New Year.

Three residents of Centre St. are on the sick list and for these a quick and complete recovery is wished by their neighbours and friends. Mrs. Frank Findlay and Mrs. A. Clapham have been confined to bed, and Mrs. Clapham Sr. is still suffering from a broken hip, the result of a fall last July.

Thornhill United Church Notes
The Evening Auxiliary of the W. M. S. met at the home of Miss Lillian Francis last week and had as guest speaker one of the members, Mrs. Craig, who was born in China, the daughter of missionaries. Speaking on the food, government, homes and home life, clothing, music, and even describing a Chinese wedding, Mrs. Craig transported her audience in imagination to the land of China, so much in the limelight just now. She displayed souvenirs including porcelain, samples of Chinese embroidery and tapestry, a bride's outfit, etc., and she concluded by serving Chinese Candy and Jasmine tea.

The Young Ladies' Guild met in the Sunday School Hall on Thursday evening, with the president, Lillian Francis, in the chair.

The meeting took the form of a Christmas party with an exchange of gifts. Mrs. Burke sang "Night of Nights." There was also the election and installation of officers for 1949, resulting in the following: President, Marian Sharpless; first vice-president, Mrs. R. W. Wesley; 2nd vice-president, Muriel Dean; secretary, Lillian Maw; corresponding secretary, Mrs. E. Jaques; treasurer, Margaret Jeffery; visiting committee, Mrs. L. Jamieson, Mrs. G. Nuttall; parsonage committee, Mrs. Elgie Winnifred Ford, Loretta Dean and Lillian Francis; pianist, Mary Davidson.

On Tuesday afternoon, the W.M.S. met at the home of Mrs. Geo. Russell. The meeting took the form of a candlelight service with each member taking part. Mrs. Burke sang beautifully, "The Birthday of the King." Election and installation of the officers for 1949 was as follows: President, Mrs. E. E. Kent; vice-president, Mrs. J. Michel; corresponding secretary, Mrs. R. Simpson; secretary, Mrs. O. Michel; treasurer, Mrs. C. P. Johns; Missionary Monthly secretary, Mrs. Agnes Boyle; mission band superintendent, Miss F. Clubine; baby band, Mrs. A. Morton; literature secretary, Mrs. J. Davidson; organist, Miss A. Boyle; assistant, Mrs. G. Russell.

MAPLE CLUB'S GROWTH ATTRACTS ROYAL FAIR GUESTS

Not only is the Maple Cattle Breeders' Artificial Unit growing in leaps and bounds but it is also gaining both national and international recognition as revealed on a recent visit to the headquarters of the unit. Taking on Dufferin County in November, means that the unit is now serving eight counties and parts of two others with a membership of over 1400 from Halton on the west to Peterboro on the east and Simcoe on the north.

It will be recalled that Jersey and Ayrshire bulls were added to the unit in June and approximately 12,400 cows have been bred in the first eleven months with the stud of twenty-one bulls owned by the Association overtaxing the new barn, so that the old barn is again in use as an overflow. The total number of cows will reach the 14,000 mark by the end of December. To carry out this work has required a staff of sixteen inseminators located in the various counties.

That the Maple Unit is being studied by livestock experts throughout the Dominion is shown by the visits to the unit during the Royal Winter Fair of guests from all provinces except B.C. and P.E.I. Amongst the many who signed the visitors book, including representatives from other Ontario units we find the following: Wm. J. McCartney, Ormstown, Que.; A. F. Doure, Bega, N.S.W., Australia; R. Waechter, Provincial Veterinarian, Regina, Sask.; B. M. Tierholm, Department of Agriculture, Truro, N.S.; A. E. LaFrance, Manager Artificial Breed Station, St. Pierre, Man.; J. K. King, Livestock Extension Service, Moncton, N. B.; W. E. Meade, Director Artificial Insemination, Calgary, Alta.; C. S. Prodon, Agricultural Extension Service, Winnipeg, Man.; H. K. MacCharles, Department of Agriculture, Truro, N. S., who it will be recalled was Assistant Agricultural Representative in York County in the twenties.

PROPOSED NEW HOSPITAL TO SERVE LARGE AREA

With the growth of population northward, the construction of a 600 bed hospital to be built north of Eglington, will serve a great need to the community as far north as Richmond Hill. Dr. J. P. Wilson, Medical Officer for the Village of Richmond Hill, attended the Directors' meeting made up of representatives of Service Clubs and the Medical Association when the project was discussed a few weeks ago.

Obstetrical cases in North York district present no problem as they are admitted without difficulty to the finely appointed Newmarket Hospital. But surgical cases which must be referred to Toronto Hospitals can be admitted only through the Staff doctors of the hospitals concerned. This causes delay and at times serious inconvenience to the patient.

Two years ago, when Dr. Harvey Agnew, Secretary of Canadian Hospitals presented a plan for a small local hospital, the cost of approximately \$5000 per bed was found to be prohibitive.
