RICHMOND HILL MINOR BANTAMS HOCKEY

(By Wick Mills)

Before we go into last week's two games, and the team standings, I would like to bring out two points that have been brought to our attention. We know that there are a considerable number who think that our teams are sponsored by the Lions. This is not true and up to date we have not had any donations from them but we do know that during the course of the season they will be giving us a hand. Then there are some who seem to be worrying their heads off about the recreation for the children in the town. Just in case they are interested I will point out just what there is. The schools get the arena every week during the course of the afternoons and they also have the use of the outdoor rink put up by the Lions of the village. They have the new show, and last but not least our hockey league. This is not counting skating nights at the arena or other groups such as the Cubs, Scouts, and Rangers. If those of you who think that our children are being neglected will only come out and support those that are trying to overcome it then they can criticize to their heart's content.

Last Friday there was a double header with the Leafs trimming Chicago 8 to 0 and the Leafs carrying the whole play. It takes a few games to straighten the teams out and get them organized so that they are much the same strength. The Leafs have a real good team and have given Chicago Van Dyke who played an outstanding game for the Leafs. He will bring Chicago up in strength to much the same as the rest of the teams. The two goalies played an excellent game and Jimmie Pollard and Van Dyke were the big goal getters. The second game between Boston and Canadians was a much better game and more evenly matched with Boston having the slight edge over Canadians.

I will be putting in a much more detailed account of things next week, so until then, please try to do your part of things before you criticize those that are doing their best. We can still use any donations no matter how large or small if you feel like obliging.

On behalf of the other three coaches and myself I would like to thank those that have gone out of their way to help us out and get us off to a good start. My only wish is that the rest of you will drop in to the Arena any Tuesday or Friday from six to eight and see for yourself just what's going on. So what about it?

Invited to speak to the members of Markham Township Council at their inaugural meeting, Mr. J. E. Smith, M.P. for North York, recalled that when he first attended meetings in Markham township 23 years ago, the council assembled in a hall directly over the hotel horse sheds in Unionville.

That brought to the memory of another reporter who listened to Mr. Smith that too often the neighs of the horses just below the councillors' feet with only a board floor between became confused with the yeas and nays of the councillors.

Record has it that on one occasion two horses became quarrelsome and persisted in keeping up a steady stream of squealing to the great annoyance of the then Reeve Jonathan Nigh, who requested that some one go down stairs and remove the opposition.

ANNUAL MEETING ST. MARY'S ANGLICAN W.A.

The annual meeting of St. Mary's Anglican Church Woman's Auxiliary was held in the parish hall Tuesday of last week and was one of the largest and most successful annual meetings. Mrs. N. Chatterley presided and the Rector took the opening devotional exercises. The reports of the several officers showed a considerable amount of work done during the year with the total receipts being the largest on record. The total net receipt was over seven hundred dollars. Mrs. Chatterley thanked the officers and members for their loyal support and for the great amount of work accomplished during the year. She then called upon the Rector to install the 1949 officers. Before doing so, Mr. Wrixon said he wished to congratulate the members of the W. A. on their fine showing during the past year. "You have, by your work, gifts and prayers, touched other people in India, China, Japan, Great Britain, as well as the North and West of Canada," said the Rector. Mr. Wrixon also thanked the members for their ready response to calls within the parish and for their assistance to the church. "I can do all things through Christ which strengtheneth me," was the text the Rector suggested to the W. A. as a motto for their new year. The following officers were installed and took their places at the table: Hon. President, Mrs. W. F. Wrixon; President, Mrs. D. M. Medcalf; 1st vice-pres., Mrs. N. Chatterley, 2nd vice-pres., Mrs. R. S. Mason; rec. sec., Mrs. J. M. Robinson; cor. sec., Miss E. Stewart; treasurer, Mrs. G. H. Bye; Living Message, Mrs. W. Hall; Dorcas, Mrs. W. F. Carter; Study Book, Mrs. G. I. B. Johnson; Rector's nominees to executive, Mrs. R. D. Little, Mrs. P. C. Hill. A very busy, profitable and enjoyable afternoon was brought to a close with the serving of refreshments.

HELLO !!

Darned icy last week end . . . wasn't it?
. . . I remember the last time . . . (well I fell). Right in front of "Doc's" house . . . (what a break) . . . Vacated at the Wellesley for 11 days . . . (long enough) . . . No change of scenery there . . . Well I musta looked (good or something) . . . they didn't offer me any discount for cash, . . . just the eagle eye . . . (anyway I got better).

Thanks a lot everybody for the wonderful response to the sale. It was a great success . . . (on both sides of the fence).
See you at the week end.
