TO PEP UP LAZY LAYERS
When production fails off, hens simply refuse to lay, and the flock appears generally run-down — mix Dr. Salisbury's AVI-TAB in their mash. This tonic-appetizer peps up lazy layers, helps boost production. Give AVI-TAB for 10 days — see the difference! For best results, use AVI-TAB monthly.

PROMINENT LAYMAN TO PREACH AT ANGLICAN CHURCH
Sunday morning next at St. Mary's Anglican Church, Richmond Hill, the sermon will be preached by one of the church's most prominent laymen in the person of Mr. A. H. Cuttle, Field Commissioner of the Diocese of Toronto. Mr. Cuttle, in addition to having been successful in business has found time to serve on many committees and boards having to do with the work of the church. He has been a lay delegate to Diocesan, Provincial and Dominion Synods. Some years ago Mr. Cuttle was asked to give all his time to the work of the church, and was appointed to the staff of the Diocese of Toronto as Field Commissioner. Since then he has devoted most of his time to the study of the finances of the church. Mr. Cuttle is an outstanding speaker and usually draws large gatherings when he is advertised to speak. Although one of the leading financiers of the church he seldom mentions money when speaking to church groups. He has a spiritual approach. All are invited to hear him at the 11 a.m. service on Sunday next.
