As a result Mrs. Houghton of the Richmond Hill Taxi phoned Constable Moore about a suspicious character, who proved to be the wanted man, and who was apprehended quietly.

**FIGURE SKATING**  
The figure skating group closed their season, March 12, with a demonstration by the girls and Miss Shirley Andrews, the skating instructor.  
Owing to unseasonable weather which prevented good ice condition, there have only been six Saturdays for instruction.  
Miss Andrews who lives in Newmarket and teaches figure skating there is a member of the Maple Leaf Ice Review, and all Canadian show which tours all of Ontario.  
At the beginning of this season 54 girls were enrolled for figure skating, forty-eight from Richmond Hill, the remaining six from outside the town within a radius of three miles.

**\$30,000 LOSS CAUSED BY ELGIN-BATHURST BLAZE**  
Loss reported to amount to \$30,000 which destroyed three barns at Bathurst Street and Elgin Mills side road was caused by a spectacular fire on March 18th, just before midnight.  
Richmond Hill and Maple firemen fought the blaze, which destroyed a large stock of electrical equipment owned by Geo. P. Dove, operator of Maple Creek Lodge, and which had been processed at his Richvale factory.  
Due to lack of a water supply little could be done by the fire brigades to save buildings and stock.  
Dove estimated loss of the buildings at \$15,000, and stock at a similar amount.

**WHITCHURCH TOWNSHIP PAYS BIG SHEEP KILLING CLAIM**  
One of the largest sheen claims on record was presented to Whitchurch Township Council recently, when George Drury was allowed compensation of \$500, plus \$50 for damage sustained by the remainder of the flock.  
Each of the big claim was an attack on Mr. Drury's sheep by two dogs early in March. Unprecedented brutality marked the raid, no less than twenty breeding ewes being mauled and torn to such an extent that all died.

**THE CANADIAN GIDEONS AND THEIR WORK**

A representative of The Gideons International will visit St. Mary's Anglican Church on Sunday evening next at 7 p.m. and will tell the Great story of the work being carried on by The Gideons. The Gideons began as an Association of Christian Commercial Travellers in the United States in 1889. Their first objective was "Winning Commercial Travellers for Jesus Christ." With firm faith in the redemptive power of God's word, they added another objective to help them attain the first — "A Bible in every hotel guest room in America." That was in 1908.  
The Movement came to Canada in 1911, and for nearly 40 years the Canadian Gideons have worked side by side with American Gideons in placing God's word in the guest rooms of hotels. This ministry has been extended to hospitals, prisons and schools. Upwards of 300,000 Bibles have been placed in Canadian institutions. During war years, Bibles were placed in military and naval establishments, with personal copies of the New Testament being given to those in uniform. Perhaps the greatest undertaking was undertaken in 1946 with the plan to give a personal copy of the New Testament to all Canadian school children. To reach one complete grade per year will require 150,000 copies of the special Testament. The Gideons are an arm of the Church and its work is supported entirely by voluntary contributions. Come and hear the romantic story for yourselves on Sunday evening at St. Mary's Anglican Church, and hear a layman tell what laymen can do.
