We've done a lot of growing—

especially in the last four years

1924 500,000 Telephones	1945 1,000,000 Telephones	1949 1,500,000 Telephones
-------------------------------	---------------------------------	---------------------------------

We've PASSED another milestone in telephone history—in Ontario and Quebec we now have 1½ million telephones. Of these, 500,000 were added in the last four years. That's more telephones than we installed in our first 40 years!

And as we have grown, service has grown better. Your calls go through quickly, clearly. You can always count on your telephone. Yet up to now, despite rising costs on all sides, there has been no increase in the basic telephone rates established 22 years ago. Few things give you so much real value at such low cost as your telephone.

We've broken all records—but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever—to continue to provide more and better service at the lowest possible cost.

THE BELL TELEPHONE COMPANY OF CANADA

## CARRVILLE

The Carrville Girls' Club held a tea at the home of their leader Mrs. Jack MacEwen last Wednesday evening.

We were pleased to see a good attendance at church Easter Sunday as it was a special occasion aside from being the Easter service. The Carrville Girls' Club, under the leadership of Mrs. Jack MacEwen presented to the church a beautiful pulpit drape with United Church crest and a matching communion table runner, also a new pulpit which was designed and built for them by Mr. Wm. George. Mr. and Mrs. A. J. Read of Carrville presented to the church a beautiful new Bible, in memory of Mrs. Read's father, the late Mr. Wm. Baker, who had attended Carrville Methodist church as a boy. The First Carrville Cub Pack also presented 12 new hymnaries to the church. These gifts were then received and dedicated by the minister, Rev. E. E. Kent. The Carrville school choir sang two hymns, "Fair-est Lord Jesus" and "Hosanna be the Children's Song".

Mr. Jack Oliver sang a solo, "The Third Day He Rose Again" by Bach. Misses Inez Woods and Eileen Harding sang a duet, "Unto the Hills".

We were pleased to see several visitors in the congregation, and all are cordially invited to come again. Service every Sunday at 2:30 p.m. followed by Sunday School.

### QUIET PLEASE

A wealth of medical data indicates that excessive noise contributes to poor health. Everyone knows that loud noises at night prevent sleep and make for sharp, irritable tempers next day, but scientists also say that loud or high-pitched noise may have an even more direct effect on the human system. The elimination of noise nearly always means better health.

## TEMPERANCEVILLE

This year Temperanceville W. I. will receive their District Short Course at Aurora in the United Church on Thursday, April 28 from 10 a.m. to 4 p.m. This course on Personality and Dress should be very interesting and worthwhile. It is hoped a good representation from this branch and any other ladies of the community will be very welcome. Ladies are asked to take a box lunch and tea will be provided.

The Women's Institute held its final meeting of the current year on Wednesday, April 13 at the home of Mrs. Baldwin. Excellent reports were presented by the secretary-treasurer and the standing committees. These showed that a very successful and active year has been enjoyed, assisting many worthy charities and carrying out extensive welfare work. Worthy of mention is the fact that for the past year this branch sponsored two European children through the Canadian Save the Children plan and in addition have sent each a CARE food parcel.

On behalf of all the members, Mrs. Wilkins congratulated the retiring president, Mrs. Fred Hare and her executive for the splendid work of the past year. It is regretted this branch will be losing two very faithful members, Mrs. Young, sec.-treas. for the past year, and Mrs. Bracken. As a small token of remembrance, each was presented with a lovely cup and saucer. Both expressed their appreciation and the pleasure they have derived from their association with the Institute. The nominating committee presented the slate of officers for the coming year and all enjoyed afternoon tea served by the lunch committee and hostess.

Officers for the coming year are: Hon. presidents, Mrs. F. Wilkins, Miss A. Ferguson; pres., Mrs. C. Beynon; 1st vice-pres., Mrs. Davis; 2nd vice-pres., Mrs. E. Paxton; sec.-treas., Mrs. Chalk; asst. sec.-treas., Mrs. W. Jennings; pianist, Mrs. John Cliff; community welfare and blue cross sec., Mrs. W. Jennings; social conveners, Mrs. Fred Hare, Mrs. B. Palmer, Mrs. N. Thompson, Mrs. E. Phillips, Mrs. McClure; visiting committee, Mrs. G. Baldwin, Mrs. Wilkins, Mrs. W. Hare, Mrs. W. Jennings; Standing committees — Health and social welfare, Mrs. Baldwin, Mrs. Caine; home economics, Mrs. M. Beynon; citizenship, Mrs. Wilkins; Canadian industries, Mrs. N. Thompson; historical research, Mrs. R. Jennings; publicity, Mrs. E. Paxton; agriculture, Mrs. C. Beynon; district director, Mrs. Fred Hare.

Temperanceville church was beautifully adorned with Easter lilies and spring flowers for Easter. For the morning service Rev. Merriam of Kettleby took the service with Mrs. McClure as soloist. In the evening the pastor, Rev. E. C. Moddie was in charge, with Miss Mildred Fallot as soloist. The choir rendered beautiful anthems at both services.

During the Fireside Hour which followed the evening service on Easter Sunday, Mrs. Bracken was presented with a pair of beautiful table lamps from the choir and the church. Mrs. Bracken has been choir leader for the past two years. Under her leadership the choir was reorganized and has achieved commendable success. Her loyal devotion and the contribution that the choir has made each Sunday has been very much appreciated by the pastor and congregation. Mrs. Bracken is also a member of the Board of Stewards and has always taken a keen interest in the life and work of this church.

We take this opportunity of expressing to her our sincere appreciation for all she has done and to wish her and the family much happiness in their new home.

## LANGSTAFF

The regular meeting of the Langstaff Home and School Association was held on Tuesday, April 12. The guest speaker was Mrs. Campbell, Home Education Convener of York County Council who was introduced by Mrs. Mankle. Mrs. Campbell gave a very interesting talk on the importance of home education in connection with the Home and School work. Several visitors were present from newly formed Thornlea Home and School Association.

The hobby craft classes sponsored by the Home and School Association are being discontinued until the fall. These classes have proved very successful and great interest has been shown by those taking part. Very satisfactory work has been accomplished in wood and chip carving, clay modelling and rug making.

On Thursday, April 21 at 8 p.m. the teen-age girls' Missionary Sewing Circle is meeting at the home of Mrs. LaRiche, when Mrs. Vernon Gibson, returned missionary from Africa, is going to be the speaker and tell the girls of the work on the mission field. The mothers of these girls are cordially invited to attend this meeting.

Friday evening, April 22 the Y.P.S. meet at the church. The meeting will be in charge of Mr. Wm. Jordan, and Mr. Chris Taylor is the speaker. A good attendance is hoped for, and speaking of attendance brings to mind our Easter Sunday morning service when there was an attendance of 183, the record so far at the Bible School. Mr. D. Smith brought a splendid Easter message. Next Thursday the Women's Fellowship have their evening meeting at 8 o'clock at the home of Mrs. Loverock, Garden Ave.

We had a most delightful musical evening last Thursday when the Ambassadors Male Choir entertained with the wonderful singing of gospel hymns. They were accompanied by Mrs. Marion Newby, a most excellent singer. Her rendition of "Open the Gates of the Temple" and "When I Survey the Wondrous Cross" was really glorious, such deep feeling and expression was put into every number. There was also a ladies' duet, male solo and duet. All in all it was a wonderful evening for all those who enjoy good music. The choir was directed by Mr. Cyril Redford, with Mrs. Redford at the piano.

Next Sunday, April 24, the speaker for the evening will be Dr. Blandin, with the ladies' trio bringing special music. Dr. Blandin is always well received at Langstaff as he was instrumental in the building of Langstaff Baptist Church and it has gradually grown until now there is talk of a need to enlarge the building. All the services are well attended of late and a growing interest, especially among the young people.

Don't forget Youth for Christ next Saturday, April 23 at 8 p.m. at the Lawrence Memorial Hall at Thornhill. Geo. McLeary, violinist, the King's Messengers Male Quartette, Y.T.C. Girls Sextette and movies of the Youth for Christ conference.

Many visitors spent the holiday week-end with relatives and friends in the district, among whom were Mrs. Gilbert of Calgary, Alta., and who is spending some time with her son.

Mrs. Carter Sr. of Galt is visiting with her son Bert, Church St. and many more.

Glad to report improvement with all the sick. Rev. A. Jones is now able to sit up for a few minutes each day.

To Keep YOUR Farm Equipment Working!

## GENUINE IH PARTS ARE A GOOD INVESTMENT

The small amount you spend now in extra replacement parts for your farm machines can pay off 10-to-1 at harvest time.

Don't take a chance on delays in the field or crop losses because your equipment is broken down.

Remember: Genuine IH Parts are made with the same precision and accuracy as those used on new machines.

So come in soon and get the Genuine IH parts you may need in case of an emergency.
