

King City District News

Bryant Head of Zone E for C.L. Bayard Bryant, Woodbridge, of Zone E-3, Canadian Legion, replacing A. H. Phelps of Richmond Hill, Zone Commander for the past six years, who will contest for district presidency of the annual meeting at Barrie, on May 14. Others of the Zone executive are: Deputy Zone Commander; Albert Heard, Aurora Zone Sports Officer.

Mrs. H. N. Rooney of Atikokan visited her mother and father, Mr. and Mrs. Frank Wilkins, Oak Ridge and her sister, Mrs. Clarke Richardson at King during the week end. Mrs. Rooney, president of Rainey River and Kenora W.I. districts to the conference of Ontario Federated Board held for five successive days at Guelph O.A.C. last week, when a total of 700 delegates were present. Had Mrs. Rooney not felt she should return to her home early this week, she would have addressed the King W.I. on May 10th. She is very successful as a district president and her representation to the Guelph conference as delegate from two districts speaks highly of her ability.

Mrs. C. M. Ash, Toronto spent the week end with Miss Alice Ferguson. Mrs. Robert Gellatly who has been ill in bed for the past five weeks is now permitted up for a short time each day. Her friends hope for rapid progress as warm weather advances.

Athletic Assoc. Dance Planned
The annual dance and carnival features sponsored by Lake Marie and King Athletic Association is set for Wednesday, July 20th, in King City. Details of the super event are being set up, said George Agar, president of the Association. Moreover specific arrangements and action are being taken to bring Memorial park into the category of a recreation centre as originally planned when the park site was purchased by the association. The park will take on a "new look", as cleaning up was started on Tuesday night last and a new power mower put into action. A tennis court is planned for the skating space, regulation swings and teeters for children, decorative trees and other additions which stimulate the activity for a community centre of satisfaction and convenience to the district. This project does not by any means eliminate the idea of a new Memorial Hall for which a fund has been started. The project only provides means whereby the association and other organized groups can facilitate for recreation events which will in turn bring in revenue toward the weightier projects. A short-range view of planning and development greatly to be avoided and replaced by a long term vision whereby more people receive greater benefits over a greater length of time. The Athletic Association seeks the cooperation of all groups, in every age group, to help produce what is new, distinct, becoming a recreation asset to the community. With brawn and muscle, leadership and understanding these things can be accomplished. Leaders can guide but the majority must follow and pitch in and help. It is good for the soul to work and enjoy the fun of doing something constructive for others. It is good to feel children and young people will have a play place.

Mrs. C. Watson Deceased
Sunday, May 8th, the eve of her 90th birthday, Mrs. Carolina Watson, fondly known as "Grandma Carrie", passed away at Toronto General where she had been removed on February 8th, exactly three months ago, suffering a broken hip. Ten years ago on her 80th birthday, May 9th, she had held an informal at home during the afternoon which she always appreciated and remembered. We recall she had ordered the birthday cake and had been more than pleased her friends joined her.

Deceased was born as Carrie Harris, in Carrick township, Bruce County, remaining there until she was 18. Moving to Vaughan township she married Joseph Watson in June 1899. On November 17, 1917, her husband died and later she came to King where she had since resided in her own home. She was a member of the United Church and for several years was active in women's groups, later as her health became impaired she still continued interest in the work of the church, which she had joined at the age of 20. Mrs. Watson had a remarkable memory and even at an advanced age proved good company for her bright speeches and interesting tales of past and present. She was an expert at piecing quilts, and had more than 200 to her credit. At 12 years of age she made her first dress, her needlework proving a delightful hobby all through her life.

The funeral service was held on Wednesday, May 11th, from King United Church, conducted by Rev. M. R. Jenkinson, assisted by Rev. Douglas Davis, of Stouffville, a former pastor of the King charge. Interment was made in King cemetery.

Legion Frolic
King Branch of the Canadian Legion will hold the annual frolic and carnival in Memorial Park on Wednesday, June 22nd. Impressive military formalities will be featured as the event is officially declared open. The Ladies' Auxiliary will assist with the affair which will include a monster dance and carnival contributions.

Summer Home To Go Up
Miss Leona Hall, daughter of Geo. Hall, formerly of King, has purchased an acre of land of the Herman McBride farm bordering the third concession line and reforested by Alfred McBride. On this property which will only be cleared enough for building purposes will be constructed a prefabricated dwelling which will provide a summer home for Miss Hall and her father. She operates the "Light House Gift Shop on Roncesvalles Ave., Toronto. The sale was made by V.A. Hall, realtors of King.

Eversley Presbyterian W.M.S. will be held at the home of Mrs. Shropshire, third concession on Wed., May 18, at 8 p.m., in place of at Mrs. Davidson's. Note change of place and time. Eversley Presbyterian W. A. will sponsor a bazaar in the latter

part of this year.
Bulbs, Plants, Food, Disposal
The W.A. of All Saints Anglican church will sponsor a sale of first class garden plants, bulbs, home baking, and refreshments served for a small fee, on Thursday, May 19th, at 7.30 p.m. If weather is warm and fine the church lawn will be used and if weather is unsuitable the church basement will be facilitated.

Four baptisms were conducted by Rev. M. R. Jenkinson Sunday, May 8th. At Teston United church were Patricia Jane Murray, eight month old daughter of Mr. and Mrs. Glen Murray; and Clair Bruce Murray, seven months old son of Mr. and Mrs. Bruce Murray, Vaughan township. At Laskay United Church at the afternoon service were Nancy Marie Forester, 3½ months' old daughter of Mr. and Mrs. George Forester and George Edward Follitt, six months old son of Mr. and Mrs. Ross Follitt.

Laskay Anniversary and Re-opening
Sunday, May 22nd, special services to mark reopening and dedication of extensive interior decorations and alterations, will be held at Laskay United Church. At 11 a.m. Rev. Lavelle Smith, B.A., B.D., minister of All Nations Church, Toronto, will preach with Laskay choir in special music. At 7.30 in the evening, Rev. Douglas Davis, Stouffville, will speak assisted by the Stouffville choir of his church. The occasion will be conducted on an anniversary basis.

On Thursday evening, May 12, Laskay United Y.P.U. convened by Miss Audrey Eves will study the subject of race prejudice, when a national film board picture on the topic will be shown by Mr. G. DeWhitt. The time is 8.30 p.m.

Barn and Stock Prey To Flames
A large barn, a big barn, 19 head of Jersey cattle, 14 pigs, a quantity of grain and hay, the property of Wilmot Bentley, 4th concession Tecumseh township, 4 miles north of Schomberg, were destroyed by fire Friday evening, last. A team of horses and a bull were saved. Implements were hauled to safety from the driveshed. Partly covered by insurance, the origin of the blaze had not been determined. Mr. Bentley was at York County hospital at Newmarket seeing his wife who was ill there at the time. Neighbors saw the blaze and summoned Schomberg Fire Department and rallied to aid in carrying water. It was almost an hour before the fire fighting equipment arrived, one of the firemen explained, because of no agreement existing between this neighboring municipality and Schomberg Fire Service. Sanction must be obtained from Tecumseh council before the Schomberg fire department can act. Therefore the building was a mess of flames upon arrival of the Schomberg volunteers. They protected other buildings. A creek some 500 feet away was used to augment the water supply. "Lack of sufficient water on Tecumseh farms providing a drawback was given as the reason for non-existent agreement for fire protection" by Reeve Fred Hunter, who said not enough interest had yet been displayed by taxpayers to create a desire for annexation to fire protection scheme.

St. Andrew's Presbyterian W.M.S. of Strange was held this week at the home of Mrs. A. Kerr and Mrs. Stanley Kerr, King and Vaughan townline. The annual missionary bale was packed.

Miss Louise Kelley, nurse in training at St. Joseph's hospital, Toronto, on vacation at her home for three weeks.

Mr. and Mrs. Bert Wood, King township, and daughter, Mrs. Arthur Fleet attended the funeral recently of Mrs. Verda Courtney, wife of Melville Courtney of Lloydtown, who died in Brampton hospital at the age of 23 years. Service was held at the home of her parents at Macville with interment in Providence cemetery.

Jessie Monkman At Rest
Following several months of grave illness which taxed the utmost fortitude and patience, Jessie Margaret Monkman, only daughter of Mr. Walter H. Monkman, and the late Ellen Thompson Monkman, passed away Monday forenoon, May 2nd, at York County hospital, Newmarket, where she had been receiving treatment for the past two months. Five months ago almost to the time of her death Miss Monkman had undergone a major operation in a Toronto hospital, followed by a series of treatments. Notwithstanding medical skill and nursing care, her condition continued very grave and the end came peacefully.

The funeral service was held on Wednesday, May 4th, at her late residence at King, conducted by Rev. David D. Soules, Presbyterian minister here, assisted by Rev. M. R. Jenkinson of King. Interment was made in King cemetery. Surviving are her bereaved father and her brother, Walter Monkman, of Strange.

Deceased was born at King Creek, attending Nobleton school. For a number of years the family lived on the present Monkman farm at Strange and 19 years ago Jessie and her father came to King, where Mr. Monkman built a fine home. Quiet, unassuming in manner, but utterly sincere to the family and her home and whatever activity she engaged in, Miss Monkman was loved by all. For several years she had been employed at Lockhart Bros. Manufacturing plant at King. She was a member of the Presbyterian church and actively assisted the Women's groups of the church. She was also a member of King Women's Institute branch. Deep sympathy is expressed to her lonely and sorrowing father and her brother and his wife.

All insurance matters will receive the usual prompt attention and service.

You see them everywhere!

2,446 Green trucks and cars bring more and better Telephone Service

In the past twelve months these familiar green trucks and cars have travelled over 20 million miles to help provide you with good telephone service and to help in the big expansion and improvement program which is making service better and more useful all the time.

Constantly improving service means that today, few things give you so much real value at such low cost as your telephone.

Like everything else, cars and trucks have gone up in price, 30% in three years! Yet, up to now, despite higher costs on all sides, there has been no increase in the basic telephone rates established 22 years ago.

Today's expansion program is breaking all records, but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever — to continue to provide more and better service at the lowest possible cost.

THE BELL TELEPHONE COMPANY OF CANADA

A NEW SERVICE THAT WILL SAVE MONEY ON FOOD BILLS

This is an entirely new locker-to-home-freezer service that will save money, travelling and time to families within the area of King City.

Under this new plan we offer free delivery service from our low cost lockers to a "polar trunk" installed in your home on a rental basis. This means that you will have a constant supply of economical and delicious frozen foods always at hand. Our delivery service will pick up and store in your locker if you have one until you want them returned to your home unit!

It will mean a ready supply of fresh fruits, green vegetables, juicy steaks, cooked meats, fowl, pastries, ice cream, etc. at your elbow.

Write, phone or drop in to get complete details on this unusual new service — a service that puts a branch of our locker right in your home!

Remember — there is no charge for delivery — and your unit is kept well stocked with foods of your choice. You pay only for the foods you use — as you use them.

If you have a locker now this will make things easier for you. If you haven't one, and do not want one, the home unit can be put in your home and serviced from our own supply of fine meats, frozen foods, fresh vegetables, etc.

At present this service extends to Nobleton, Woodbridge, Concord, Maple, Thornhill, Richmond Hill, Oak Ridge and surrounding districts.
