# Richvale District News

Correspondent — Norm McDermott,  
Spruce Ave., Phone 364r13

It would appear that the residents of Spruce and Oak Avenues are divided on an opinion that is being aggravated by the present unseasonable drought. A while back the Vaughan Council sent around a questionnaire with regard to oiling the roadway. If the majority wished oil then this would be done and the cost of same added to next year's taxes. The answer was not to oil and now every time a car kicks up a fog of dust you can hear remarks about what the people who voted against the oil could do. Funny thing though — it appears no one voted against the issue or maybe they hate to admit it. **School News**

Looking at the calendar, your correspondent decided he had better see what was happening in the local realm of the three R's as it would be quite a spell with no school news during the summer vacations.

It appears that upon school opening in the fall a change in the personnel of the teaching staff will have taken effect. Mr. Woodrow, who has served in the capacity of principal during the past year will be going to York Township and Mr. Douglas Balmer will step into his shoes. Mr. Woodrow has been quite capable in his duties and the move is to further the interests of his teaching career. The other change in staff is that of Miss McIntosh, who although not having had teaching experience in a full-time capacity before coming to Richvale last year proved to be a great favourite with her pupils and also with their parents. It is understood that next year Miss McIntosh will serve at the Langstaff school.

The vacancies caused by these moves will bring new faces into the community. The school board have advised us that the staff will have as new members Miss Sybil and Miss Campbell who are from Toronto and are honour graduates of the Normal School. Their services will begin with the fall term and they will take up residence in the community.

It is our wish that Miss McIntosh and Mr. Woodrow achieve success in their new schools and both the school board and the parents in the community extend their thanks for the service that was performed during their stay in Richvale.

**Boy Scout and Cub News**  
The Mothers' Auxiliary of the local boy scout troop are once again stepping into the lime light. This time it is as sponsors of an Old Tyme Dance but strictly. The "Irish Trio" from Toronto are going to supply the rhythms and believe me they can

do just that. The dance will be an open air encounter and will take place on the floor of the community hall on Spruce Ave., weather permitting, but should the rains finally come it will be held in the school basement. The date is Saturday, June 25th (this Saturday) and admission will be 50c. Make it a point to come out and swing your partner.

The Women's Auxiliary have just completed a project which while providing financial assistance to the Scout group has also provided a great service to the community. The object was to compile a general business directory for the area. All the addresses and telephone numbers of the tradesmen and businessmen servicing the Yonge St. vicinity as well as the type of service they offer have been listed on one card. This covers an area from Bayview to Bathurst and from Thornhill to Elgin Mills and each resident in that area will receive one of these directories.

### Girl Guides and Brownies

The staff who will guide the destinies of the young ladies in Richvale through the intricate and educational detail of Girl Guide and Brownie lore has been rounded out with the inclusion of Miss Joyce Barraclough who will be an able assistant to Miss Ruth Lane in leading the Brownies. This means the leaders of the local unit of the association are now at full strength and all anticipate the grand opening of activities this fall.

Once more comes the seemingly impossible job of endeavoring to have automobile operators limit their speed on Yonge St. sideroads. Several parents have requested us to make this appeal as they are anxious for their children, or as one person put it, "How far do we have to go from Toronto to find security for our children when they are playing?" By the grace of God — and not the thoughtfulness of man there has been no serious accident so far, but there has to be a first time — don't let it be your car that is involved. Use the gray matter and save useless spilling of the red.

Don't forget the activities of the Ratepayers' Association in their drive to give financial assistance to the community hall. There is the bi-weekly wrestling extravaganza at the Hill arena and the weekly euehre in Richvale School. Last week's prize-winners at the euehre were: Mrs. Jarvis, Mrs. Broom, Mr. Tennyson and Mr. Heustis with Mr. Brazier and Mrs. Lorne Hill tying for low score prize award.

### VICTORIA SQUARE

Mr. and Mrs. A. Forson and John of Unionville, Mr. and Mrs. F. Perkins, Joyce, Lois and John of Richmond Hill had Sunday dinner with Mr. and Mrs. R. F. Boynton.

Miss Betty Barber is holidaying at Duluth, Minn., U.S.A.  
Mrs. Ela Ratcliff of Stouffville had Sunday dinner with Mr. and Mrs. L. Nichols and Miss Vera Nichols.

We wish a speedy recovery to all the sick in the community, Mrs. R. Klinck, Mrs. C. Nichols and Mr. D. Rummy.

Mr. James Boynton has returned after his vacation through several of the United States.

Remember the "Strawberry Festival" on Wednesday evening, July 29th.

The annual Sunday School picnic will be held on Thursday, July 7th, at Woodland Park. All in the community are invited to attend.

Mr. and Mrs. H. F. Collard and Mr. and Mrs. A. Stephenson left last Sunday morning for a trip to the "West."

Miss Grace Boynton of the "Grace Hospital" is vacationing at her home.

# "New Look" Comes To Municipal Hall And Near-By Property

"Face-lifting" operations which have been carried out in the vicinity of Richmond Hill's Municipal Building in recent weeks have resulted in a great improvement in the appearance of that section of Yonge Street. The rough ground to the south of the hall is being levelled and it is understood that the co-operation of the Horticultural Society will eventually lead to the establishment of lawns and gardens which will be attractive to citizens and visitors alike.

Contributing to the generally improved effect is the work done by Bettie's Coffee Shop. A new fence of Modern appearance, the gravelling of the roadway into the property, the clearing out of old rubbish, have all played a part in enhancing the attractiveness not only of the Bettie's property but also the municipal grounds.

# Jefferson Trustees Awaiting Decision On School Areas

Because taxpayers in the Jefferson School Section, which includes S. S. 4 of Markham and S. S. 21 of Vaughan, have heard nothing from the trustees recently in relation to the proposed new school, that does not mean that the matter has been overlooked, says Chairman of Trustees, John Passmore.

Trustees have been busy investigating all the angles, especially in connection with types of building, and have secured much useful information to be placed before taxpayers when another meeting is called. For the moment, however, until a decision is reached by Vaughan Township Council on the proposal to split the township into two school areas, it has been felt wise by the trustees to defer action. As it is understood that this matter will be decided before the end of June not much delay will result, it is suggested.

### EDGELEY

Correspondent: Mrs. W. Maginn,  
Phone Maple 57r14

Mr. and Mrs. C. Stong and Mrs. Stong's mother had dinner with Mr. Randall and sisters of Thornhill on Sunday.

Mr. and Mrs. Sid Broadbelt and family spent Sunday in Toronto.

Mrs. K. Banks has returned home after vacationing in Toronto and Fergus.

Mrs. T. W. Curry of Buckhannon, West Virginia, U.S.A., who spent the last two weeks with her sister, Mrs. W. Dalziel and brother, Major McKenzie, Woodbridge, has returned home.

Mrs. Eva Elliott, mother of Terry Elliott, suffered a severe accident to her hand and is now confined to the General Hospital, Toronto.

Mr. A. Puterbaugh attended the Vellore School picnic at Fundale Park, Woodbridge.

We regret to learn of the passing of Mrs. Geo. Walker, who formerly lived on the farm now occupied by Mr. Sam Stanley. All her friends and neighbours extend their deepest sympathy.

Miss Mona Maginn of Toronto spent the week end at her home here.

Rev. C. E. Fockler, Maple, preached at Teston Anniversary Sunday morning.

Each pound of honey represents the work of 25,000 bees travelling 40,000 miles visiting over one million flowers.

# HEADQUARTERS FOR Gurney Essotane Gas Stoves

1. The Gurney Hi-low Burners are fast and economical, controlled by a High-Low gas valve, giving a full range of heats from fast to simmer. A "hesitation stop" on this valve indicates when the economical low heat is reached, eliminating guesswork, saving fuel.

2 The Automatic Oven Heat Control performs its task without attention. It maintains the temperature in accordance with the selected temperature and ends the necessity of watching the process of oven cooking.

3. A Lamp with Minute Minder and Condiment Jars is a practical accessory on a gas range.

4. There are 5 models ranging from \$86.50 to \$185.00.

5. 10% down, balance spread over as long a time as 24 months.
