Maple Cattle Breeders' Association Field Day Attended By Five Hundred

Marking the conclusion of four years of very successful operations, the Maple Cattle Breeders' Association held its third Field Day on the grounds of the unit with approximately 500 in attendance in spite of the extremely hot weather. The comfort of the members had been provided for by a large open sided tent 50 x 90 which was quite airy and comfortably seated with chairs for everyone.

Following a visit to the barn to see the batteries of bulls of the various breeds and an inspection of the building operations on the second new barn nearing completion, the visitors enjoyed the exhibit in the laboratory of the administration building arranged by Dr. T. J. Doyle, Chief Technician. At 2 o'clock those present were called to assemble for the programme in the large tent.

President Russell Rowntree of Woodbridge opened the meeting and after welcoming the guests called on Agricultural Representative W. M. Cockburn, to act as chairman. W. P. Watson, Ontario Live Stock Commissioner in introducing the guest speaker, Byron Jenvey of Ingersoll complimented the club on the progress it has made and the constructive breeding programme being followed.

Mr. Jenvey former fieldman for the Canadian Holstein Friesian Association and farmer, has been responsible for laying the foundation for many good herds in Western Ontario where his advice is still sought by owners of many outstanding breeders. His address entitled "The B.R. and G.R. of Breeding" fully interesting and highly educational for the cattle owner. By tracing down the percentage of blood relation (B.R.) he illustrated how with proper management the blood of a good cow or bull can be used for five or six generations without exceeding the 50% B.R. This is accomplished by an

infusion of "out cross" blood with each successive descendant of the original good cow or bull used in the herd. It was most interesting to many too to learn that while blood inherited 50-50 from the parents, that in characteristics such as type, production etc., the greater part of the characters called genetical relations (G.R.) are transmitted to the opposite sex—that is from dam to son and back to granddaughter or from sire to daughter and back to grandson. Mr. Jenvey had printed outlines of his charts and remarks for distribution at the close of the address and these can be obtained on application to the Maple Cattle Breeders' Association.

Secretary Manager, G. W. Keffer, announced that three new Holstein bulls had been purchased with an infusion of outcross blood whose services would be available on request at no extra charge. When the new barn is completed the bulls stabled temporarily in the original converted pig pen as well as the recent purchases will be moved in and it is planned to add a battery of Guernsey bulls shortly as requested by the Guernsey breeders. Mr. Keffer stated that approximately 300 members have joined this year, 200 since the annual meeting in March, bringing the membership up to the 1800 mark in four years operations. The unit now serves the counties of Halton, Peel, York, Ontario, Dufferin, Simcoe, Victoria and Peterboro.

Greetings on behalf of the other units in the province were presented by Geo. Currie, secretary of the Oxford Association while best wishes from the Canadian Ayrshire Association were tendered by president Lorne Evans of Aurora and from the Canadian Holstein Association by vice president Geo. W. Henry, Todmorden.

Maple Lions Club held its regular monthly business meeting in Maple Villa, Thursday, June 23rd. After the dinner a letter of resignation from Lion Charles Fockler was read. He was sorry that he was moving away from the community and wished every success for the future of the club. Lion Archer Wallace presented him with a leather bill fold on behalf of Maple Lions.

As this was the installation of officers, Dist. Dep. Gov. Bud Logan was called on to proceed with the duties of Installing Officer. In his usual forceful manner he instructed the new officers in their respective duties and charged each with the responsibility of doing his share for the progress of Lionism in Maple. The officers installed were: Past President, Art Wells; Lion Pres., Ray Bigford; 1st vice, Bill Noble;

2nd vice, Wes Dew; 3rd vice, John Neufeld; Lion Tamer, Ivan Musselman; Tail Twister, Cal Miller (absent); treasurer, Barney Bryan; sec., Clem Reeds; directors, Howard Knight, Ernie Brock, Mel White and Don Allen. The chairman of the various committees are: Publicity, Andy Snider; attendance, Ross Knight; constitution and by-laws, Fred Routley; finance, Mel White; program, Howard Knight; Lions' information, Albert Rutherford; boys and girls, Ernie Hemphill; health and welfare, Jack Sheppard; civic improvement, Les Laver; safety, Don Allen.

Barney Bryan moved a hearty vote of thanks to the retiring officers.

Maple Lions Club Field Day is tentatively set for August 17, 1949, and will feature old time sports, games, etc. Further announcement later.

On the arrival of his wife and children he moved to Vellore. In 1916, he rented the farm of Mr. McCullum on the 6th and in 1920 he moved to the farm of Mr. Robt. Phillips.

In 1935 he moved back to Vellore and managed the farm of Mr. Glasco on the 7th. He was forced to give up farming owing to the ill health of himself and wife.

He obtained a position at the Toronto Racket Club and the York Club in Toronto, but after two years suffered a heart attack and was forced to retire in 1947. In January 1949 he suffered a stroke paralyzing one side and vocal cords. On June 17th, he fell receiving a broken hip. He failed to recover from this and died on June 20th.

He is survived by his seven sons, John, Harry, George, Albert, Lester, Walter and Stanley and three daughters, Ethel, Mary and Ruby.

Don't forget the big Street Dance to be held in Maple July 13. There will be many attractions.

There is to be an Ice Cream Social held on the lawn at the rear of McGinnis' Store, Maple, on Thursday evening, July 7th, from 7.30 p.m. If you like ice cream sundaes, home-made pies and cakes this is the spot for you. Come and bring the family. Proceeds for the Maple Community & School Club.

During July and August the service at Maple United Church will be at 11.30 a.m. The new minister preaching will be Rev. Mr. Lambert.

Mr. and Mrs. H. Bryan are vacationing at Hart Lodge, Minden, Ont.

Mr. and Mrs. Ken Walker and Mr. and Mrs. Don Allen and Brian spent Sunday with Mr. and Mrs. Frank Meyers, Guelph.

The funeral of the late Edward Downing of Maple took place at the home of his eldest son, John Downing, on Wednesday, June 22nd. Interment at Maple cemetery. Rev. M. K. Jenkinson of King officiated. Mr. Downing was predeceased by his wife fourteen months ago. Born in Stafford, England, in August 1880, he came to Canada in 1904, followed by his wife and three children one year later.

On arrival in Canada he worked for the late George Julian on the 6th of Vaughan, also for John Julian Sr.

"Life With Father" Wins Honors As Ace Comedy

Warner Bros.' handsome Technicolor production of Clarence Day's "Life With Father," one of the funniest plays ever screened, comes to the Richmond Theatre for its first showing at popular prices next Friday. William Powell and Irene Dunne share stellar honors in this rollicking comedy which has made millions of friends on both sides of the Atlantic. Lovely, young Elizabeth Taylor heads the supporting cast.

"Life With Father" is rated among the Ten Best Pictures of the year in Film Daily's annual nation-wide poll. Michael Curtiz, director of this laugh-fest, was also cited in the poll, being the only director to repeat this past year for directorial chores par excellence. Last year he won recognition in the Ten Best honors for his megaphoning of Warner Bros.' musical film, "Night and Day."

William Powell, who plays Father Day in the Howard Lindsay-Russell

Crouse laugh a minute tale, was honored by the New York Critics' Circle for his outstanding performance of the year. Miss Dupne's performance as Winnie, the charming wife who is the only one able to quiet eccentric Father Day, also chucks up one of her most memorable characterizations.

Elizabeth Taylor, considered one of the most beautiful young actresses on the screen, plays an important supporting role, along with Edmund Gwenn and Zasu Pitts. Through the magic of Technicolor, the red-haired appeal of the entire Day family is vastly enhanced. Warner Bros.' screen version follows the original Oscar Serlin stage production closely, only expanding in certain sequences.

Up until now "Life With Father" has been seen only in certain cities at advanced admissions. Friday's opening will mark its first showing in the area at regular prices.

IN MEMORIAM

SHIELDS — In loving memory of our darling little son, Jackie (John Robert) who passed away June 28, 1929, age 8 years. A shadow rests upon our home As we sit here alone. To our hearts there comes a longing If our darling could only come home. Twenty years have passed dear Jackie, Since you were called to rest. It was God's will that you should go, To dwell with him above, But it was so hard to part with you Because we loved you so. (Safe in the arms of Jesus) — Sadly missed by Mom, Dad, brother and sister.

Wm. Vanderbent wishes to thank all those who so willingly helped to extinguish the bush fire on his premises, especially Richmond Hill Fire Brigade, Unionville Fire Brigade and the men from Leitchcoft farm. *1w53
