Team Match Feature At Wrestling Show

Richmond Hill Arena will be the scene of some fast and furious action next Tuesday night when the East Vaughan Ratepayers will present another all star pro wrestling show.

Feature attraction will be the team match between the team of "Red" Garner and Cleve Burton, popular and clever local matmen, and the formidable team of Ed. Mangotich and the "Red Devil", the masked sensation. Both the masked man and Mangotich are noted for their rough and some times questionable tactics and in meeting Garner and Burton they will be meeting two boys who can wrestle well and at the same time can handle a lot of the rough boys. The local grapplers are out to expose the Devil to the fans and will be trying hard to rip off the mask.

Incidentally the Red Devil is still betting that no man of his own weight can pin him, \$100.00 being the sum of the bet.

The Semi-Final match will be a two out of three falls, 60 minute limit and will bring forth Bobby Jordan, Richvale "Strong Boy" against Al Orlando, rugged West Toronto mat star. Orlando is the boy who threw Cleve Burton last season and as this is his first appearance this year he will be trying hard to down Jordan and get a crack at the \$100.00 bet of the Devil's.

Bobby, who is a little short on experience will make up for his lack by his terrific strength and ambition, and hopes to throw the Toronto wrestler and gain local recognition, as well as a match with the Red Devil. All in all everything points to an exciting bout.

The preliminary will have Bobby Olsen, who is no stranger to the Richmond Hill grunt and groan fans, meeting Glenn Yoe, classy little Queen City boy.

Due to the size of the crowd at the last show the management wish to announce that they will endeavour to have more ringside seats available.

Canadian To Take Over Leadership Of International Lions Clubs Soon

Richmond Hill Lions, Lions all over Canada, and Canadians as a whole this year have reason to be proud of the position attained by Lion Walter C. Fisher, past president of the St. Catharines Club, as President of Lions International. Lion Walt will head this international organization when he is formally elected next week, before an enthusiastic Convention gathering of Lions from twenty-six nations meeting in New York City.

Walter Fisher joined the St. Catharines Club in 1933, and was a very active member through the years. In 1941 his fellow members elected him to the office of President, and from there he successively served his zone and district as Deputy-District Governor and District Governor. Following this he became an International Director and Chairman of the Inc. Canada Lions Club Board of Governors. In 1946 he successfully contested the office of International Third Vice-President and became the second Canadian in over thirty years of Lion History to start through "the chairs," as it were, to the high office that he will hold for 1949-50.

When Lion Walt is chosen his acceptance speech will be met with the thunderous applause and cheers of thousands of Canadian Lions who are going to the convention to "Boost Canada" and their own distinguished citizen. From Richmond Hill Lions Bob Little, John Greene, Jim Ellis, Dick Edmunds, and President Albert Hill are going to add our local voice to this great convention.

Honor is also within our own community this year. Lion Bob Little has been chosen to head the largest Lions District in the British Empire. As District-Governor of A-3, Lion Bob will be responsible for forty-three Clubs and nearly three thousand individual Lion members. This will mean that he will have to visit all these clubs at least once and also attend many of their special functions. Various members of our own Richmond Hill Lions Club plan to visit these Clubs along with him and thereby spread interclub goodwill and fellowship.

Much of the endeavor of Lions Clubs is for the benefit of people in their local communities. But since the San Francisco Conference the Lions have had their representatives at all the U. N. Sessions. They provide a useful information service to the public through the central office to 7,400 Lions Clubs and nearly 400,000 members. Throughout the war Canadian Lions Clubs by their British Child War Victims Fund helped war orphans in Great Britain. American Lions supported the Friendship Train which carried aid for destitute Europeans.

On taking office as International President Lion Walt Fisher will have the direction of similar projects un-

der his guidance. This responsibility will not prove too much for this great Canadian. His definition of Lionism is "Practical Christianity in Action." He believes that Lions Clubs follow the teachings of our Christian Churches and the objective to which he firmly adheres is simply and ably stated thus: "To create and foster a spirit of generous consideration among the peoples of the world."

Langstaff Baptists Give Surprise Party

Between fifty and sixty members of Langstaff Baptist Church went in a group to the home of Mr. and Mrs. Murray McLean to surprise them on the occasion of their fortieth wedding anniversary. A pleasant evening was spent in singing and games and a presentation of a beautiful painting was made by Mr. Carter, who spoke of the splendid Christian associations with Mr. and Mrs. McLean, wishing them many more happy years together. Both expressed appreciation of the visit and gift. Rev. Mr. Jones also spoke for a few minutes. The gathering concluded with a lunch.

Saturday, July 16th, is the day the children have been looking forward to for a long time. The annual Sunday School and church picnic will take place then. Buses are to leave the church at 11 a.m. to accommodate those who wish to go. A hearty welcome is extended to all those interested in the church. Attendants should bring their own luncheon baskets.

The women of the Fellowship held their meeting last week at the home of a former member, Mrs. Morning, who now lives at Sharon. Sixteen women and ten children held a picnic lunch at the Morning's lovely farm home there, after which the regular meeting was held.

Hearty congratulations to Mr. and Mrs. L. Gordon upon the arrival of their baby son.
