Expect 5,000 At Leitchcroft Farm For Wheatland Day Demonstration

A Wheatland Day for the counties of central Ontario is being organized to be held at Leitchcroft Farm in Markham Township on Wednesday, July 27, to climax five years of winter wheat variety testing under the direction of the Ontario Agricultural College. Each year the York County Crop Improvement Association has had twilight field meetings here to give the wheat growers an opportunity to see the results of the trials. This year the plots are on a much larger acreage, and it is fitting that this monster demonstration is to be held on a farm growing 120 acres of the new Cornell 595 winter wheat.

The various farm machinery companies are co-operating by displaying and demonstrating modern machinery for the wheat grower and the machines will be in action including the combines which will have ten acres of wheat to demonstrate on. The machinery displays will be open from 10 a.m. including weed sprayers operating at 11 a.m. Lunch will be served on the grounds with the addresses commencing at 1 p.m.

Col. the Hon. T. L. Kennedy, Minister of Agriculture for Ontario will be Guest Speaker and W. H. Waddell, wheat research specialist at the Ontario Agricultural College, will outline the results of the winter wheat variety tests following which the various companies will proceed to demonstrate their combines, swathers, roto-tillers, forage harvesters, pick-up balers and other power machinery associated with wheat growing. Ten acres adjoining the equipment exhibit and wheat field will be used for all types of cul-

tivation machinery to demonstrate. Leitchcroft Farm, famous for its Ayrshire herd and Yorkshire hogs, also operates a poultry department, specializing in turkeys and has a substantial fox and mink ranch. Organized "hay rack tours" will be made of the farm throughout the day under the direction of the farm manager, J. D. Lanthier and his staff.

The farm is eight miles north of Toronto on number seven highway, two miles east of Yonge St. In view of the early wheat harvest the committee is making provision for an attendance of somewhere near the 5000 mark from Guelph to Peterboro and north to Georgian Bay.

Browns Corners church was filled on Sunday morning to hear Rev. E. Currey on the occasion of the Scout and Cub church parade. The topic was "Safe Anchors, Faith, Prayer, Worship, Witness," a fine one for all and especially for a boys group. Flowers to decorate the church came from the Smith-Gohn wedding.

Mrs. O. Brooks enjoyed a trip to Detroit with friends over the holiday week end. Visitors nocked on Sunday were Mr. and Mrs. Alex Brown of Toronto at the Reids.

Traffic along Don Mills Rd. this year seems to be especially heavy. On Sunday evening there was a solid line of cars for 1 1/2 miles awaiting the traffic light. This lasted about two hours.
