**TREASURES ON WAX**  
An opportunity many record buyers will not want to miss is the collection of "Treasures On Wax" featured by Decca Records during the months of July and August only.

For the past two or three years the public demand for old songs and ballads has been increasing to such an extent that Decca Records have reissued a limited quantity of these favourite hits of yesterday. The masters — original versions of the best of these old tunes — stored for years in safety vaults in Montreal, were dusted off, checked and used to make new record pressings. Hence these records are truly called "Treasures on Wax."

The songs of the one and only Bing Crosby, Decca's greatest recording artist, were in most popular demand. Crosby fans everywhere have insisted on such old favourites as

- 617 — On Treasure Island Moonburn
- 757 — Touch of Your Lips Twilight on the Trail
- 1234 — My Little Buckaroo What Is Love?
- 1518 — When You Dream About Hawaii Sail Along, Silvery Moon
- 1819 — Swing Low, Sweet Chariot Let Me Whisper
- 2201 — The Funny Old Hills I Have Eyes
- 2337 — When the Bloom Is On The Sage

This is only a partial list of the forty records of Bing Crosby songs available on "Treasures on Wax."

NOTE: In these days of risen and rising prices you might be interested to know that the price of records in the "Treasures on Wax" series is only 50c.

Correction on last week's column — Don Messer and His Islanders play an engagement Tuesday, July 12, in this district, near Woodbridge, Mart Kenney's Ranch.

**Orangemen's Parade, Rain, Boom Sale Of Guelph Tablecloths**

Sale of plastic tablecloths boomed in Guelph on Saturday, July 9th, when Orangemen held their annual walk, report Richmond Hill residents who attended.

The heavy downpour which was general throughout the southern part of the province found visitors unprepared and, in consequence, Guelph stores did a roaring business in the tablecloths, which were employed as capes.

The attendance at the annual York County Jersey Club picnic at Woodland Park, Markham, was the largest in some years and appeared to be enjoyed even more than its predecessors. Many spent part of the morning harvesting wheat so lunch was a little late, but the appetites were all the keener.

After everyone was stalled on ice cream president Archie Little of Markham and his secretary Muff Cocksburn of Newmarket swung the programme right into stunts and games. This started with a calf judging competition for the ladies which almost ended in a riot when some of the ladies made rather personal comments about some of the "calves". Cameron Kennedy of

Agincourt and Don Bagg, Edgely made the official placing and the prize went to Mrs. Omar Bowes, Downsview.

A new feature was a football game between the married men and the single men in which the three star selection was Alf Bagg for the married men who was so closely checked by his son Norm for the still singles and finally that Jersey veteran of 78 summers, George Freeman of Markham, who played full back for the benedicts.

While the soccer game was in progress the ladies took over the softball diamond and the young fry were in the swim at the swimming pool. Everyone pronounced it the best picnic yet.

**Local Orange Men and Women Visit Guelph For 259th Battle of Boyne Anniversary**

Led by L. W. Zueffel, County Master of West York, and accompanied by Harry Bourne, first lecturer in the County of West York Lodge, a bus load and five cars of local Orange men and women journeyed to Guelph on Saturday, July 9th, for the celebrations there. Over ten thousand Orangemen and women were present for the event and, in spite of being drenched by the welcome rain which

hit southern Ontario on that day, the 259th anniversary of the Battle of the Boyne was thoroughly and properly observed.

Representing Richmond Hill were members of Victoria Lodge, No. 2368 and Empire Lodge, No. 894, L.O.B.A. Officials stated that this year's celebration in Guelph was probably the largest ever held in the history of the city and possibly the largest in Ontario this year.
