King City District News

Mrs. Albert Follott entertained at a trousseau tea, on Saturday evening, July 9th, in honor of her daughter, Mildred Evelyn Follott, whose marriage to Warren John Bernard of Aurora will take place in Temperanceville Church at 3:00 p.m. Saturday, July 16. The tea table was tastefully decorated and pouring tea were Mrs. Roy Follott, Mrs. Harvey Follott, Mrs. Durham and Mrs. S. Heacock, aunts of the bride elect. Many guests were present enjoying the display of numerous gifts, and bridal trousseau effects. Personal friends of Miss Follott served refreshments.

A pre-wedding shower was held for the bride elect at her home at Temperanceville when a large number of fine gifts expressed good wishes and congratulations. Her home will be made in Napanee.

Mr. and Mrs. George Jarvis and son, Michael of Clairesville, Ohio, visited Mr. Jarvis' brothers and sisters at King last week.

Mrs. Gilbert Follott and daughter, Cheryl, of Montreal are visiting her mother, Mrs. Arthur Wellesley. They are here for the Barnard-Follott wedding taking place this week. Mr. Follott will join them before July 16th, for his sister's wedding. Miss Blanche Wellesley, Mr. Morris McKinnon, Mrs. Follott and Cheryl motored to Barrie on Sunday to visit the sister, Mrs. Eleanor Wellesley Burger.

Mr. and Mrs. Wesley Kee and family are on vacation at their cottage at Midland.

Miss Una L. Kennedy, Niagara Falls, is spending July and August with her niece, Mrs. Walter Rolling.

Wedding bells will ring out in the Kinghorn neighborhood as Mrs. Teny May Wilson becomes the bride of Franklin Pierce of Teston on Saturday, July 16th. The marriage to take place quietly at her home. They will reside at the home of Mr. Piercey at Teston.

A community farewell for Mrs. Alex Gray and her sister, Mrs. T. M. Wilson was held at their Kinghorn home on Wednesday evening, July 6th. Mrs. Gray who came as a bride to Kinghorn 36 years ago has sold her home to Mr. Albert Hollinshead and will reside with her sister, Mrs. Wilson. To Mrs. Gray was given a bed lamp and to Mrs. Wilson, a hassock. Expressions of appreciation of the long years of friendship, and acts of neighborliness and kindness were tendered Mrs. Gray and Mrs. Wilson, whose residence had become an institution. While regretting their removal from the neighborhood, best wishes were extended, especially to Mrs. Wilson whose marriage will be a happy event.

Miss Gloria Campbell is another prospective bride of the Kinghorn community. Her marriage to Mansel R. Love of Dundalk will take place in King United Church on Saturday, July 30th. She is the elder daughter of Mr. and Mrs. Earl Campbell.

Library Story Hour

For the younger children of the community a "Story Hour" is being established by Miss Jarvis during vacation months. The first will be held on Wednesday, July 13th, at 3 p.m. Miss Jarvis plans to engage interesting persons to present an interesting hour for the children. Each Wednesday, other things permitting, will find the Story Lady waiting to reveal things children love to hear. Coupled with the tale of educational character, in children's realm will be other activity to delight the eager young fry.

Bazaar Date Set

Eversley Presbyterian W. A. have decided on November 4th for the annual fall bazaar to be held during the afternoon and evening in the basement of King United Church. Mrs. Roy Bowen is president of the group. At the home of Mrs. Arthur Bovair last week the W. A. enjoyed a picnic meeting with more than 20 present. Mrs. Bowen presided for the business session and Mrs. Leonard Shropshire conducted sports and

Carnival and Dance To Be Staged July 20

The annual carnival and dance sponsored by Lake Marie and King Athletic Association in aid of King Memorial Hall Building Fund will be held in Memorial Park, on Wednesday, July 20th. Provision is being made for various types of carnival amusement and the refreshment booth is again being sponsored and conducted by King Women's Institute Branch. Ample park space gives wide accommodation for every feature of the show. An open air dance will feature the famous Leo Paxton's Orchestra in fine form. As in former years the prize draws approximate about \$500 in value. Tickets have been going out all over Ontario. The W. I. will display a hand pieced quilt as a lucky number draw.

At the refreshment stands conveners have been appointed to superintend shifts. Mrs. George Brown, 6:30 to 9 p.m.; Mrs. Ivan Specht, 9 to 10 p.m.; Mrs. Clarke Archibald, 10 to 11 p.m.; Mrs. W. F. McDonald, 11 to 12 midnight. Donations of pies from W. I. families and residents of the community district will be very acceptable.

At Grassland Day York County Farmers

Quite a number of farmers and others interested from York County attended the Grassland Day near Peterboro for the central section of the county and saw various types and makes of hay making machinery on display or in operation. Before lunch several makes of sprayers including tractor mounted, thirty foot boom units were demonstrated.

Col. the Hon. T. L. Kennedy, Minister of Agriculture, officially opened the programme in the afternoon and commended the farmers on the determination and study they are putting forth to solve their problems, including the production of high quality hay and pasture, particularly the latter which for so long was Ontario's largest and most neglected crop. He also stated that it is his hope that 87% of the farmers of Ontario will have hydro by 1951.

Following an interesting discussion of modern methods of hay making by J. D. Lanthier of Leitchcroft Farm, last year's "Hay King", Professor R. G. Knox of the O. A. C. Guelph, announced the results of the baled hay competition. Out of some forty bales the panel of judges selected that of Bill Murphy, Holstein breeder of Lindsay, as winner.

The parade of farm machinery past the reviewing stand, featured a discussion of the points of merit of each implement by Professor J. R. Scott, Agricultural Engineering Department, O.A.C., Guelph. As each unit passed it proceeded to the hay field where it gave a working demonstration for the three thousand farmers present.

Local Municipalities Join In Health Unit Discussion At Aurora

Representatives from the fourteen northern municipalities in the County of York were present at a meeting held in the High School auditorium at Aurora on July 7 when the establishment of a County Health Unit for the area was discussed.

Vaughan and Markham townships and the village of Richmond Hill were represented by councillors.

Dr. Struthers from the Ontario Department of Health outlined the operation of a Health Unit and answered various questions.

Those present approved formation of a committee composed of one representative from each of the nine municipalities favourable to the establishment of a unit, for the purpose of discussing further details.

TURNING THE PAGES OF "CANADA UNLIMITED"

The sight of carriages on rails was a source of much excitement in the little town of La Prairie, near Montreal, in 1836. Clanking and rattling on their way to St. John, Quebec, these horse-drawn cars were Canada's first railway.

A line from Montreal to Sarnia was finished in 1856. It covered 1,100 miles, and was at that time the world's longest railway. The first trans-Canada railway was built by the Canadian Pacific and completed in 1885. Overcoming great hazards, railroad men pushed across the prairies and foothills, through rugged mountain passes—then on to the Pacific coast.

Today Canadian trains travel on rails that would twice encircle the world, and carry more than 40 million travellers swiftly, safely and comfortably.

Canada has grown with the railways. With the appearance of diesel-electric locomotives and the gradual change-over to this more modern form of motive power, a new era of transportation is beginning. This new era offers vast opportunities for Canadians. Yes, there's room to grow—in Canada Unlimited.

Just how much room is told in "Canada Unlimited", an illustrated 144 page book published by the O'Keefe Foundation. You may obtain your copy by sending 25c in cash (no stamps or cheques, please) to "Canada Unlimited", Dept. N3-12, O'Keefe House, Toronto, Ontario. Please print your name and address clearly. All monies will be donated to the Canadian Citizenship Council.*

SERVING CANADIANS THROUGH CHEMISTRY

"Chemistry IN MY HOME?"

YES, MADAME, it is a fact that practically everything you use, wear or consume is affected for the better by chemistry.

"Freon" puts the freeze into your electric refrigerator; chemical treatments mean better fabrics; chemical fertilizers help grow your food. Nylon hose and "Cellophane" both start in the chemist's laboratory.

The chemical industry is never satisfied. It forever seeks new ways to serve you in this chemical world of today.

For Instance . . . NYLON BRISTLED HAIR BRUSHES

Hair brushes were once bristled chiefly with hog bristles. When war rendered these unobtainable, chemistry came to the rescue with nylon bristles which quickly proved their ability to outperform and out-wear hog bristles. Nylon bristles are one of the products of Canadian Industries Limited, Head Office, P.O. Box 10, Montreal.
