## Lions Plan Aid To Cripples Plus A Second X-Ray Survey As 1949-50 Season Opens

The Richmond Hill Lions Club opened its new season on Thursday evening, September 1. President Albert Hill welcomed all the members back after a fine summer holiday season. The sun-tanned and fit-looking Lions heard reports from various committee chairmen on plans for future projects and the success of past efforts.

President Albert reported in particular on the outstanding success of the August 1 Carnival and Horse Show at which the new Ford car and outboard motor and boat were raffled. This year's carnival proved to be the greatest in the club's history from a financial standpoint. Funds raised at this event will be spent in welfare, boys and girls work, and many other local needs.

Lion Jim Langstaff announced plans for the second Richmond Hill and District X-ray survey, which is to be held afternoons and evenings from October 4 to October 7. Further details on this subject will be forthcoming in later issues.

### To Aid Cripples

A new major project of the Richmond Hill Lions Club was outlined by Lion Ed Butlin. Lion Ed

is chairman of the newly formed Crippled Children's Committee. Their purpose will be to search out all the crippled children in this district, and with money raised in various ways, administer their needs and provide for their recreation. Citizens of the district will soon see "Little Timmy" and his wheel chair in local business establishments and may help this cause considerably by dropping a contribution in the slot in the container at his feet.

Financial assistance was granted to the Elgin Mills playground group which is doing such fine work among the young folk in that community.

### Thank Citizens

President Albert Hill and all the Lions would like to thank all the citizens in the district through this report for their splendid support at the recent carnival and horse show and the many other endeavors in the past. The public may be assured that the funds raised at these events will be put to work at once in ways that will contribute to the general betterment of this community and the people who live in it.

## Richmond Hill Agricultural Society Announces Pea, Oat Crop Winners

The following are the results of two competitions which were sponsored by the Richmond Hill Agricultural Society this year:—

### Oat Crop Competition

1, H. McCague; 2, Clifford L. Winger; 3, E. Needham; 4, Dalton Rumney; 5, A. Bagg; 6, Norman Tyndall; 7, J. E. Angus; 8, Hugh Boyd.

### Canning Pea Crop Competition

1, J. W. Stephenson; 2, R. J.

Beatty; 3, Fraser Gee; 4, F. S. Tyndall; 5, M. Savage; 6, B. Riddell; 7, G. Kerswill; 8, S. Rumble. The Board of Directors of the Society wish to thank those who entered these two competitions and congratulate them on the results they obtained in spite of the adverse weather conditions this year. The Directors certainly appreciate the kindness of Mr. W. G. Seales, manager of the Pea-vinery, for donating the first prize for the Canning Pea Crop Competition.

## High School Attendance Up 27% 280 Pupils Registered To Date

While final figures are not available at the time of going to press all indications are that Richmond Hill's High School attendance will show approximately 27% increase over last year.

To date around 280 pupils have been registered — 60 more than the previous attendance.

The three grade 9 rooms will average 40 pupils each.

New teachers who are taking over duties this fall include Mrs. W. Herson, who will take commercial; Mr. John R. Cross, mathematics; Mrs. W. I. Campbell, agriculture and biology; Miss Lola Jones, music.

## Brilliant King Township Student Wins Scholarship And \$200 Prize

Eighteen year old Thomas H. Cain, son of Mr. and Mrs. Elliott Cain, 10th concession of King Township, has been awarded the King Township University of Toronto scholarship of \$200, awarded annually to the King Township student attending the Aurora High School who attains the highest standing in Upper School examinations.

In nine subjects, Tom made eight firsts and one credit, which placed him second in the school. June Adams, Aurora, took the John Stuart scholarship for highest standing in grade 13.

Cain also captured the general proficiency prize of \$200, offered by Kingsway-Lambton United Church, Toronto. He will enter Victoria College, Toronto University, for an honor course in English and literature. He intends to study for the ministry in the United Church of Canada. At Aurora he figured prominently in the production of essays. For two successive years he won first place in competitions sponsored by Aurora Lions and the Canadian Legion branch. He is musically minded and has assisted at the organ in Nobleton United Church.

## Truck - Bus Crash May Delay Vaughan Twp. Garbage Pick-up

Garbage collection in Vaughan Township may be delayed as the result of a bad crash which took place at Richvale just after midnight on Monday, September 8th.

A large truck driven by E. J. (Frenchy) Pineau of Maple was in collision with the Gray Coach Lines bus for North Bay which left Toronto at 11.40 p.m. The right front of the bus was badly stove in and Pineau's truck was practically demolished.

Only one person was injured— Benjamin Hobbs, 61, of 71 Victoria Street, Orillia. Hobbs was sitting in the rear of the bus and was thrown against the seat in front of him, bruising an arm. He was attended by Dr. James Langstaff of Richmond Hill and permitted to continue his journey in the relief bus which was sent up from Toronto.

Eyewitness accounts of the crash varied widely. Some alleged that the Pineau truck was running north without lights and was swinging out to make a left hand turn when hit by the bus. Other stories say that the truck was going south. In any event the Pineau

truck finished up on the west side of the road facing south.

The accident followed a rain which had fallen just before midnight but apparently road conditions had little, if anything, to do with the crash.

Pineau's truck, which was not insured, was used by him in the collection of garbage in Vaughan Township. Driver of the Gray Coach was W. F. Best, 42 Isabella Street, Toronto. The accident was investigated by Ontario Provincial Police.

## Concord Breeder Wins All But One Guernsey Firsts

A Concord man, Jack Fraser, was the major winner at the Ottawa exhibition when his Guernsey herd won thirteen firsts and one grand championship.

Senior and Grand Champion bull was the two year old Franchester Free Leader owned by Fraser, with the Reserve Senior and Reserve Grand also going to him on his three year old Hominy Hill Admiral. Both these bulls were imported. The Junior Championship was also taken by Fraserdale Emeraldus, who is a son of Diamond Nancy who holds the Canadian record for fat production with 20,361 lbs. of milk and 1,010 lbs. of fat.

Junior Champion female was Fraserdale's Admiral's Helen, first prize junior yearling.

Very seldom is a prize list like the one recording Mr. Fraser's wins seen. Fourteen classes are listed. The name Jack Fraser appears at the head of all but one.

Otto C. James

As reported in last week's issue, Mr. James died at his home in Thornhill on August 28, and his picture is published as a last tribute to a man who contributed much to his fellow men.

Born at Langstaff, he was educated at Langstaff Public School and Richmond Hill High School. He entered the hardware business in Toronto, later travelling in Western Canada. He was afterwards Managing Director of White's Hardware Company, Toronto, until his retirement in 1945.

A member of Thornhill United Church, he was also a Very Excellent Companion of the Victoria Chapter, Royal Arch Masons. Keenly interested in nature, he took delight in his collection of tulips and in his wild flower garden.

He was married to Maude Ellen Helmikay of Richmond Hill, who predeceased him in 1930, in 1915. Surviving are his widow, Olive Keam James, and his brother, Carl R. James of Unionville.

## To Retire After Forty Years' Service In Office Served By Family Since 1880

Mrs. G. A. M. Davison who has served in Unionville Post Office for 40 years and has been Postmistress since 1935 is retiring from the position.

This Post Office has been in the Davison name since 1880 when the late John F. Davison was appointed Postmaster and which position he held until he retired in 1918. The late G. A. M. Davison, his son, was then placed in charge, continuing as Postmaster until his death in 1935, after which his widow, the present Mrs. Davison, assumed the responsibility.

After due advertising applications for appointment to the vacant position will be carefully considered.

In the meantime Miss L. A. Weighill who has been employed in the Unionville Post Office has been appointed Acting Postmistress until November 30 when the new official will take over.

## Ontario Hospital Field Day Spoilt By Heavy Storm

Patients and members of the Ontario Hospital staff and their families held a field day on the hospital grounds at Langstaff on August 31st.

The weather man, unfortunately, was unkind and while the afternoon started off well, with a good crowd in attendance, a storm forced adjournment to the buildings. Visitors sheltered in cars and in the big tent which had been put up for the afternoon. The latter looked for a time as if it might be blown down but hasty staff members and visitors saved the situation by hanging on to the poles.

When the rain abated visitors were taken into the recreational room and entertained there and lunch served. Mr. Cuttance of Richmond Hill acted as master of ceremonies.

## 100th Ford Of Year Sold By Little Bros.

For the third time in their history, but for the first time so early in the year, Little Brothers, Ford dealers of Richmond Hill, have sold their hundredth car in a season.

1930 marked the first year in which the feat was accomplished. It was repeated in 1947.

Rev. R. S. Mason of Richmond Hill was the purchaser of the "century" vehicle.

Little Brothers anticipate that a considerable number of additional cars will be moved before the end of 1949.

## Local Wyandottes Win At Exhibition

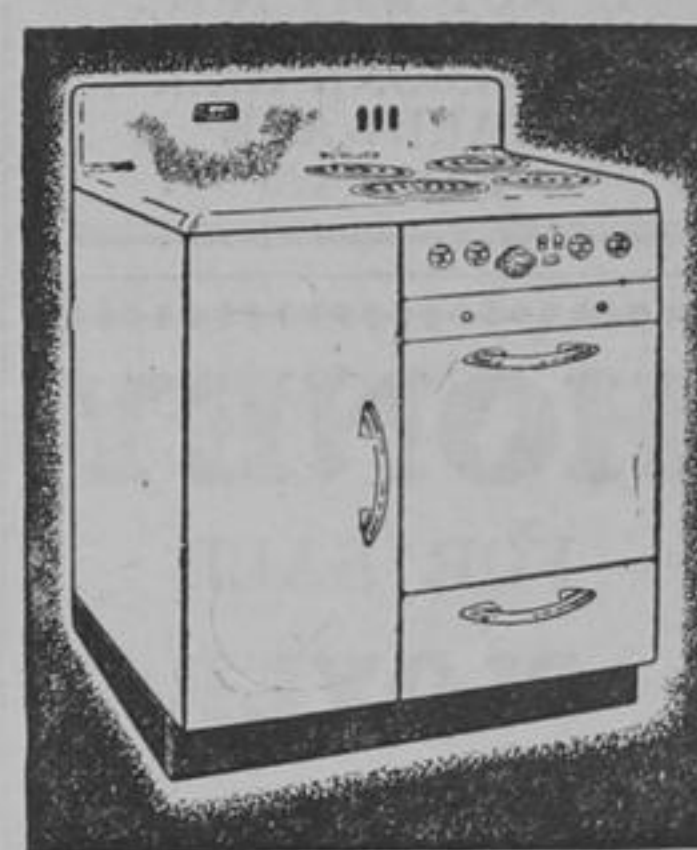

Silver Laced Wyandottes belonging to S. H. Lumb, 55 Richmond Street, Richmond Hill, won the award for the best display at the Canadian National Exhibition, making three years in succession in which Mr. Lumb's birds have won this honour.

His Wyandottes also captured the prize for the best display at the Royal Winter Fair in 1948.
