IN MEMORIAMS

KELLY — In loving memory of our dear daddy, George Kelly, who passed away September 20, 1948.

Think of us, dearest one, while o'er life's waters we seek the land. Missing thy voice, thy touch, and the true helping of thy pure hand,

Till through the storm and tempest, safely anchored just on the other side,

We find thy dear face looking through death's shadows, not changed but glorified.

— Ever remembered by sons, Alvin, Walter and Mervyn and his wife Marion. clw11

PITCHFORTH — In loving memory of a dear wife and mother who passed away September 16, 1947.

Loving and kind in all her ways, Upright and just to the end of her days;

Sincere and true in her heart and mind,

Beautiful memories she left behind.

— Ever remembered by husband and daughter. *1w11

Have you ever tried music to chase those blues that walk in—sometimes for no accountable reason? As "gloom-dispellers" the piano medleys of Charlie Kunz rate a triple star.

You may prefer classical music but would like a few popular tunes represented among your records. Kunz's unadorned rhythmic arrangements of hit tunes of the past year would provide cheerful background music for "company" chatter.
