Mr. and Mrs. L. J. Glass were present at the marriage of their son Raymond James Glass to Audrey Eves, daughter of Mr. and Mrs. Stanley Eves of Queensville, in Queensville United Church on Friday evening, September 9.

The bride's sister, Marion Eves, was bridesmaid and Margaret Cairns, the groom's niece, was flower girl. Aubrey Glass was groomsmen for his brother and ushers were Clare Eves and Leslie Glass, brothers of the bride and groom respectively. Besides parents and brothers of the groom present also were his sister, Mrs. Clyde Cairns and husband of King, Mr. and Mrs. Jesse Bryson of Vaughan and Mr. and Mrs. Alfred Gillham. Rev. Martin Jenkinson of King assisted Rev. Mr. Warren of Queensville in performing the ceremony. Mrs. Jenkinson was also a wedding guest.
 Married 59 Years
 Married 59 years on Sunday,

September 11, Mr. and Mrs. William Williams of Lasky were special guests at the marriage of their granddaughter, Joan Matilda Chamberlain, of Nobleton, to William T. Kerr of Vaughan Township, held in Nobleton United Church on Saturday, September 10. Most of their family and several grandchildren were at the wedding and on Sunday several called at the home in Lasky. A toast to the grandparents was proposed by Rev. W. A. Wescott, the officiating minister of the ceremony and was replied to by Mr. Williams during the reception held at the home of the bride's parents, Mr. and Mrs. G. Stokes Chamberlain. The latter was the former Verna Williams.

Mr. and Mrs. Williams, 80 and 73 years old respectively have 11 children, 40 grandchildren and 15 great grandchildren. One son, William, died in 1929. They have comparatively good health, taking much pleasure in the care and

comfort of their modern home built by Mr. Williams after retirement from the farm in 1938. The place is a modernized version of the bride's girlhood home as the daughter of the late Mr. and Mrs. John Crook. An only daughter, Matilda Crook met her future husband, William Williams when he arrived in Canada in 1887, from Newbury, Berkshire, England.

The couple were married in Toronto by the Rev. Stephen King. They settled in Lasky, and in 1907 moved to Kinghorn. After eleven years they settled on their farm on the 8th concession of King township where they lived for 21 years. Once again they are happily settled on the homestead property. Mrs. Williams does her own housework, specializing in flowers, both outdoors and inside potted plants. She makes fine pieced quilts and hooked rugs of her own design and coloring. Mr. Williams tends to jobs about the place and enjoys reading. They are the oldest married couple in their community and Mr. Williams is honorary president of Lasky Old Boys' Association. Their family are George and Richard, King; Charles and Garnet of Charlton; Oliver of New Westminster, B. C.; Carl of Humber Summit; Harry of Scarborough; Mrs. Bessie Clement of Shedden; Mrs. Stokes Chamberlain, King Township; Mrs. Mary McDonald, Toronto, and Mrs. W. H. Watson of Stroud.

Ernest Franklin Curts

Ernest Franklin Curts, 75, passed away very suddenly Saturday afternoon, September 10, at the age of 75. Mr. Curts always known as Frank, was discovered by his wife lying on the ground at the rear of their home and in his arm was a small quantity of lumber he had been using in construction of another house a few yards from his own dwelling. He had driven Mrs. Curts to the United Church that afternoon where she had seen the Neild-Patton nuptials. Returning home afterward deceased had continued with his work and apparently when he had finished for the day he was about to enter the house when a heart seizure occurred. While he is said to have had some slight complaint in this respect, he never slackened his construction work, and during the past few years had completed four homes in the village one of which he occupied during the fine weather, the first prefabricated dwelling in the district. Mr. Curts, a native of King, was the son of the late Isaac Curts and a brother of Mrs. M. J. Winter of King and Joseph Curts of Detroit. He had been a tailor by trade for many years, having worked with Farn's Tailoring business in King earlier and for many years afterward in Toronto. Upon retirement he turned to building as a hobby spending the summers here. Deceased was a member of The People's Church, Toronto, where the funeral service was held on Tuesday afternoon, September 13. Interment was made in King cemetery. Mr. Curts had been a member of the Peoples' choir for 20 years and motored weekly from King to Toronto for the choir practice. On the evening preceding his sudden demise Mr. and Mrs. Curts had spent the evening with Mrs. Winter, his sister, appearing in apparent good health.

Deceased is survived by his wife, the former Emma Brillinger, and six children, Fred and Ernest of Toronto; Mrs. Robert Ross and Mrs. Robert Armstrong of Windsor; Mrs. Mack McCoppen, Mrs. Arthur Carr of Toronto.

101st Anniversary

Second King Baptist Church at Pottageville, observed the 101st anniversary with two services on September 11, with Rev. F. R. Breckon, Newmarket Christian Baptist Church as special speaker. A girls' double trio from Newmarket rendered special music. Mr. John Edwards and Mrs. J. Atkinson have been connected with this church for many years and are its oldest members. Mr. Edwards is Sunday School Superintendent, a position he has held for a very long time.

Mrs. Arthur Green gave her home for the King United W.M.S. last week, with a temperance reading given by Mrs. J. Norris and the worship period by Mrs. J. Rock. It was arranged to hold a bazaar on November 24, consisting of a tea and sale of work and home baking.

Teston Church To Be Re-opened
 A special Sunday will be held on September 18 at Teston United Church when the re-opening of the re-decorated and renovated building will be formally celebrated. Costing more than \$1,000, a complete interior job has been finished to the entire satisfaction of the church officials, the minister Rev. M. R. Jenkinson and the congregation. The walls are richly papered and the ceiling panelled. The entire foreground of the auditorium has been altered. The space occupied by the choir has been enlarged; the altar rail has been replaced with wood panelling and the pulpit and communion table are arranged at suitable separate elevations. The altar panelling, the woodwork, flooring, and entire furnishings are finished in appropriate light oak. The altar is carpeted in rich wine carpet, the gift of the ladies of the congregation. Mr. Kayser, contractor of Kleinburg was responsible for decoration; the men of the congregation for much of the renovation. Two services, at 11 a.m. and 7.30 p.m., will be conducted on Sunday, September 18. In the morning Rev. Dr. Archer Wallace of Maple will preach and the minister, Rev. Martin R. Jenkinson, in the evening. Teston choir directed by Mrs. Jack Downing, choir leader and Mrs. Williams, organist.

King City Social and Personal

Mr. and Mrs. John Bingham of King have named their new daughter Bonnie Jean, born at York County hospital, Newmarket on Friday, September 9. Her father, a native of Scotland, has transplanted a bit of the "auld cuntry" in his daughter's name. Her brother Barry is three years old. Mother and baby will be at their home in King this week.

Major J. S. Usher and his wife will leave for Camberly, England, on October 7, where Major Usher will take a military staff course to be completed in a year. Mrs. Usher is a native of England.

Miss Mary Usher is to enter Queen's University, Kingston, for a course in nursing science.

Rev. W. E. Smalley and wife attended Danforth Ave. Baptist Church, Toronto, last Monday evening to hear Rev. Dr. Paul Conrad, president of the United Stewardship Council of America. Mrs. Smalley was present the following Thursday for the board meeting of the Baptist W.A. held in Toronto. She is president of Kettleby Baptist W. A.

Mr. Bill Douglas, New Scotland, has been planning to enter Toronto General Hospital. His friends hope for improvement.

Mr. and Mrs. Elwood Patton, Mr. and Mrs. Gordon Patton, Toronto, attended the wedding of their sister, Miss Anne Patton to Mr. James F. Neild, held in King United Church last Saturday. Many out of town guests were present.

Miss Shirley Muirhead of Kettleby spent the week end with Miss Shirley Rawlings.

A shower was held Thursday evening at King United Church for Ruth Brown whose marriage to Harold Ferguson, Toronto, will be held in King United Church on Saturday, September 17.

Mrs. Del Paton is recovering from a surgical operation performed at York County hospital, Newmarket, recently.

Mrs. Norman Etheridge entertained Lasky United W.M.S. this month.

SERVING CANADIANS THROUGH CHEMISTRY

Chemistry?

... I KNOW HOW TO SPELL IT!

WITH LITTLE GIRLS, chemistry is just a collection of letters. To them it's smart to be able to put them together correctly. But chemistry means much more than just a classroom spelling triumph.

A turn of the tap brings water purified by chemistry. The farmer grows good things to eat because his land is fertilized by chemistry.

Frocks and other wearing apparel are coloured with dyes; their fabrics are improved by chemical treatment. Chemistry helps make many other things... brushes, paint, book-bindings, "Cellophane", nylon. Those colourful, useful plastics are also products of this great science.

And it's going to make others, for the chemical industry is always forging ahead on the trail of newer and better things... with the C-I-L Oval as the symbol of an organization devoted to serving Canadians through chemistry.

For instance:

"CELLOPHANE"

THE SMART, modern packaging material that protects foods, cosmetics, fabrics and so many other things, shows them to advantage at the same time. "Cellophane" is a typical product of Chemistry, made by Canadian Industries Limited, Head Office, P.O. Box 10, Montreal.
