Trinity Anglican Church

"Family Sunday" at Trinity Anglican Church saw a congregation of 150 members, with the theme of the service based on family life. A pledge was taken by the children of the congregation to be faithful and helpful at home, school and church. The parents took a pledge accepting their responsibilities to their children and to encourage them to be loyal at school and church. The congregation as a whole then stood and promised to help further the work of the church. This was a very inspiring service and gave plenty of "food for thought" with regard to family life.

Now that the summer season is over it is hoped that everyone is ready to take up their work with the many organizations of the church. On Thursday, September 15, the Parish Council will meet once again. The Altar Guild will hold its first meeting at the Rectory on Monday evening, September 19, with the Parish Guild meeting at the Rectory on Tuesday, September 20, at 8 p.m.

The choir is already back into the swing of things and are now preparing for the Harvest Festival. A service which will be held on September 29.

A Young Peoples Organization is being planned for the young people of the community, age 15 and over to be held at Trinity Church. It is hoped this Club will get underway by October and it is open to all boys and girls regardless of which church they attend. There will be game nights and socials and once the club gets formed the members themselves might have suggestions as to what would make an enjoyable evening.

The date of the first meeting has not yet been definitely set but will appear in this column when plans are a little further advanced.

Doncaster Ladies Club held their monthly meeting at the home of Mrs. Atkins, Proctor Avenue. There were fifteen members present along with four guests. Final plans were made for the Corn Roast to be held this Saturday, September 17, at the home of Mr. Bertas, Henderson Avenue. Plans were discussed for the annual bazaar and the date was set for Saturday, October 22. A new idea was accepted with regard to membership. Each member is required to pay a membership fee of \$1.00. Membership cards are now being printed and will be ready in time for the next meeting which is to be held at the home of Mrs. J. Baker, Clarke Avenue.

This week we are having a review of things to come. There are many events which will be of great value in shaping future development in the community. Probably the first in this category will be the raffle of the Hillman Minx automobile. The monies gained from this enterprise will help determine how quickly labor can be obtained to complete the erection of the materials now on the building site. At the present time there are considerable tickets not accounted for. The time is getting quite close when the draw will take place and so may we request those who have money from the sale of tickets to please turn it in to Mr. C. Baker of Spruce Avenue. Those who have tickets not yet sold should make an effort to dispose of them and those who wish more tickets can get them from Mr. Baker by calling Richmond Hill 443.

This raffle is not the business of one or two persons but that of the entire community — let's get hustling.

The women's auxiliary of the Girl Guides and Brownies had a successful meeting at the home of Mrs. Paul on Spruce Avenue last Tuesday evening. There were about ten mothers present and arrangements were completed for the cake sale and bazaar which is to be held Saturday, September 24. This sale is to be held in the school basement and will start at 2 p.m. All mothers whose daughters belong to the Guides and Brownies are urged to join the Auxiliary as the success of the movement is very much dependent upon the liaison between the meeting room and the home.

An interesting discovery was made in the primary department at the Richvale school last week. One youthful scholar came home quite excited and declared that every day he got a bottle of brown milk. No more did he question the usefulness of brown cows — they had taken their proper place in the world — yessir he knew.

Several residents have been wondering lately if people are moving from the city to find a place to live or instead to find a place where they can let their dogs run loose.

The Mother's Auxiliary of the Richvale Boy Scouts and Cubs will start their meetings again for the fall and winter months on Thursday, September 22, at 8:30 p.m. at the home of Mrs. H. Ince, 158 Spruce Ave. All mothers interested are cordially invited.
