Our Beautiful Village

By A Citizen

Whoever designed the large signs which stand on Yonge St. at either end of our village, neglected to insert the words "Most beautiful", in the phrase "Toronto's highest and healthiest suburb" for, if ever citizens should boast of the beauty of their place of residence, ours certainly have due cause to do so. Richmond Hill is surely a beautiful place at any time of the year, but in this month, October, its streets present a very picturesque appearance. Take a walk, preferably when the sun is shining, along one of our well-treed streets and you will find a sight worth seeing, for example, stroll along Church Street its full length — the autumn leaves are particularly beautiful — the maples crowned with green, yellow and scarlet, spruce spiralling upwards bearing myriads of dark green needles, chestnuts with heavy leaves of dark green, poplars turning yellow as their foliage ripens, fruit trees, green, their foliage as yet unchanged, hedges of different types with leaves of different hues, on many lots beautiful swards of well-tended lawns, flowers still untouched by frost, and blooming luxuriantly in front of comfortable homes of pleasing designs, and, unless you are colour-blind, and cannot discriminate the various shades, your heart cannot but swell with pride that you live in so beautiful a community.

\$14,000 In Prizes For Plowmen

A total of more than \$14,000 in prizes, together with several trips, are included in the prize-list of the 1949 International Plowing Match. The program and prize-list has just been issued by the Ontario Plowmen's Association, sponsors of the big annual event.

This year's match takes place on the farm of H. W. Amy, near Burford, just west of Brantford, October 11-14.

Perhaps the most coveted prize of the big event is the trip to the British Isles. This trip is offered to winning plowmen in both tractor and horse-drawn class. Awards include a gold medal and the Trans-Atlantic trip which carries with it a month in the British Isles and participation in several world-famous plowing competitions, next winter.

Another much sought after prize is that offered in the Inter-County class for tractors. Competition is open to teams of two young men, who have not yet reached their 20th birthday, from each county in Ontario. Choice of contestants will be made by the local Agricultural Representatives.

Chicago Trip Prize

Prize in this event is an all-expense trip to the 1949 International Livestock Exposition at Chicago.

Then there is the inter-county horse drawn event in which the two top-winning teams of four young men will be awarded a conservation tour to the Tennessee Valley in the United States.

In each trip a manager or guide will accompany the winners on their travels.

Competition on Local Day, which is Tuesday, October 11, will be confined to the counties of Brant, Oxford, Haldimand, Wentworth, Norfolk and Waterloo. On the remaining three days of the match, entry will be open to the world and there will be from seven to ten classes a day divided into sod and stubble groupings for both tractor and horse.

Qualify Locally

Competitors must qualify for entry to the International Contest through their own local plowing matches. They may enter according to age and previous plowing experience. They will also have all types of plows. In classes listed as "Utility" contestants are not permitted to touch the plowed furrows except with the plow.

Another change this year is confining certain classes to "tricycle-type" tractor. This was deemed advisable owing to
