Initial Unit Of Community Centre At Thornhill Nearing Completion Combines Pleasure And Protection

A community centre second to none in the Dominion is the goal of members of the Lions Club, Thornhill, and other citizens.

Progress toward that end is being made as the first unit of the ambitious plan — the swimming pool — nears completion. Before the project reaches finality a bowling green, athletic field, tennis court and arena will have been added, all being built on the ten acres of village property which has been allotted to the centre.

It had its origin when Gordon Leitch offered to donate \$30,000. If the local Lions Club would undertake to handle the venture. Other citizens, George McCullough and C. L. Burton, joined with him and, in consequence, the Lions had \$40,000. in hand when they agreed to take on the job.

Final cost of the swimming pool unit will be \$83,000., officers of the club say, but most of the money is already in hand. While the Lions only started fund-raising in April they have already raised an additional \$35,000. Much of it came from local citizens, six hundred of whom rolled in a considerable amount. A street dance, the raffling of a car at the Canadian National Exhibition, also brought in a large sum.

To Honour Service Men

The full name of the venture is the Thornhill Community and Memorial Centre. The memorial aspect will be indicated by tablets at the entrance to the swimming pool, donated by the Women's Institute, honouring the men and women who served in the two world wars.

Working with the township of Vaughan, which has co-operated to the fullest extent since the outset, a Township Recreational Committee was formed and the Lions Club has worked closely with this committee.

The swimming pool will be completed shortly and, while it will not be in use as such until next spring, will serve a useful purpose during the coming winter. It will contain a reserve of 150,000 gallons of water during the winter months to be used as a reservoir in case of fire. This feature of the pool raised the cost of the project by some \$4,500., but was carried out to provide a summer and winter fire protective measure. There is a likelihood of a system of hydrants being installed throughout the village, in order to give the maximum protection against fire.

Stress Low Maintenance

Low maintenance cost after completion has been one of the goals of the committees in charge of the work and for that reason additional money has been spent during construction in order to lessen operating costs later.

The main swimming pool is to be 100 feet long, 50 feet wide, and ten feet deep at the diving end. A

wading pool 50 feet long and 30 feet wide, with a depth from one foot to two and a half feet, is also being installed. Both are fed by spring water from a new well on the property and will be purified continually by modern filtration and chlorination methods. A modern bath house with dressing rooms, showers, toilets and changing facilities forms part of the unit.

Qualified life guards and instructors will be on duty and the aim of the sponsors is to train local young people, through the co-operation of the Canadian Red Cross Society, in such a way that there will be a continually increasing number of instructors available.

Much Done By Few

The Lions Club of Thornhill, which has been handling the project, is not a large institution. It has only fifty-five members but, so great has been local co-operation, this comparatively small group has been able to accomplish what has been done up to the present time, plus carrying on other club activities. Thomas Jackson, who

Granddaddy Of 'Em All

To A. Baker, R. R. 2, Maple, goes the championship for "Mangel of the Year."

After challenging Ontario in a recent issue to produce a mangel bigger than the 24 lb. 6 oz. monster grown by Al Rice at Edean Nurseries — a challenge which was broadcast by Radio Station CBL in a recent Sunday morning "Neighbourly News" program — a contender has come from our own district. Mr. Baker's entry weighs 27 lbs. 9 oz. — three pounds and three ounces heavier than the Edean-Rice entry.

Now it's up to somebody to beat the Baker entry if possible. Let's keep the championship in the Richmond Hill district.

is now chairman of the Recreational Committee, was president of the Lions at the inception of the project and C. F. Swodson is now president.

When the swimming pool is completed the surrounding area will be landscaped by the local Horticultural Society.

How does a HILLMAN on the hills?

Read what Mrs. Theodore Scarbeau, Cornwall, Ont., wrote about her trip through the Allegheny Mountains

Ellwood City, Pa., Aug. 7, 1949

Arrived here O.K. with Hillman. Went over Allegheny Summit (2453 feet) in high gear all the way! Car highly recommended. Averaged 38.3 miles a gal! over mountains and all! Be seeing you and all! Be seeing you Mrs. Theodore Scarbeau

Aurora High School Athletes Tops At Inter-School Tourney Two Local Boys Break Records

Several records were broken when students of Aurora, Richmond Hill and Newmarket High Schools met in the North York Inter-Schools Track and Field Meet.

B. Murchison of Richmond Hill set up a new mark in the senior boys 880 yard event with a time of 2 min., 17 sec.

Aurora lads scored heavily in the record-breaking section among junior boys, B. Wray making a standing broad jump of 8' 10 3/4". J. Loblaw did the hundred yards in 10 4/5 seconds and an Aurora team also won the 440 yard relay race with a record time of 50 and 1/5 seconds.

In the juvenile boys group L. Grainger of Richmond Hill created a 4' 7 1/2" record in the high jump, with R. Geddes of Aurora making a 16' 10" mark in the running broad jump.

Aurora scored high points for the day with 192. Richmond Hill was second with 118 points and Newmarket third with 113. Aurora also took away four of the five championships, Newmarket capturing the remaining one.

The detailed list of winners follows:

New Events

The following marks were set in new events: Juvenile Boys Shot Put, L. Grainger, Richmond Hill, 35' 11 1/2". Standing Broad Jump, R. Geddes of Aurora, 8' 2 1/2". 300 Yd. Relay, Newmarket 39.3 sec. Senior Girls Shuttle Relay, Richmond Hill, 58 sec. Junior Girls, Baseball Throw, L. Wright, Richmond Hill, 173' 9".
