INSURANCE OF ALL KINDS
 With the increase of fire hazards property owners should review their insurance policies, and due to the increased cost of materials would be well advised to increase the amounts of insurance. Also car owners who think it will never happen to them re-caught some time or other without protection. The cost is a minor amount to what it will cost if an accident happens.

Record Number Of Attendances At St. Mary's Catholic Church Supper

A record attendance marked the annual turkey supper of St. Mary's Catholic Church, Richmond Hill, held on October 5.

Nearly eight hundred suppers were served and visitors were present from many outside points. Including those who attended the dance, etc., well over a thousand people were in attendance before the big evening closed down.

Store Window To Aid Boy Scout Campaign

Apple Day for the Boy Scouts of Richmond Hill — Saturday, October 15 — is to be given a "lift" by a display which will appear in the window of Morley's Store, Yonge Street.

The window is being lent by the store for the occasion and the dressing thereof will be done by the scouts.

Potato Crop Smaller Exceptionally Good Crops Branch States

Although considerably smaller than last year, 1949 crop of Ontario potatoes is of exceptionally good quality, the Crops Branch, Ontario Department of Agriculture reports. For this reason potato supplies for winter months can be stored with safety under proper conditions.

Only one case of blight disease was reported, by a network of crop observers covering the province, during the entire summer of 1949. The lone case was in a remote area in Northern Ontario and resulted in no actual loss.

If growers give proper care to harvesting their crops, there should be a minimum of mechanical injury, thus overcoming loss in grading.

During recent days market prices have strengthened and a brisk demand for winter storage potatoes is already developing, Department officials report.

Farm Forum Rally To Be At Edgeley

With Joseph Galway, secretary of the National Farm Radio Forum, in attendance, a meeting of the executive of York County farm forums was held at Newmarket on October 7. Arrangements for the holding of a fall rally at Edgeley on October 24 were announced by Chairman Paul Snider.

NATIONAL PARKS

In the first four months of the present fiscal year 246,789 visitors were recorded at Banff National Park, an increase of more than 60,000 over the same period in 1948. Large increases were also shown at Waterton Lakes, Alta., Riding Mountain, Man., Prince Albert, Sask., Point Pelee, Ont., and Elk Island National Parks, Alta.
