Who Gets Profits? Now Being Asked Re Bus Earnings

"Do profits from operation of the North Yonge transportation system accrue to the property or the owner?" is one of the questions of the moment in Markham township.

Profits from the system have been accumulated by the township for some years and have been placed in a separate account. Some time ago it was decided to pay the accumulated profits to property owners in that section of the township which is financially responsible for the operation of the system.

As some doubt was expressed as to the township's position in this respect it was decided by Markham township council to ask for a special provincial act to permit payments to be made.

Recent sales of property in the township have raised the question as to where the money goes if the necessary enabling legislation is secured. Some township officials take the view that the money accrues to the property which would be taxed if deficits occur. Others take the stand that the payments should be made to the individuals who own or have owned the property now or in the past. Legal advice on the matter is being sought.

Honour Carrville Lady On Eightieth Birthday

Last Monday afternoon and evening Mrs. Walter Bone of Carrville was at home to her friends and neighbours, it being the occasion of her eightieth birthday. Mrs. Bone received her guests wearing an attractive gown of grey crepe and a corsage of pink roses.

The dining room was lovely with vases of yellow and white mums about, a gift of the Carrville Woman's Association of which Mrs. Bone is a member. The dining room table was bright with silver and a centerpiece of pink and white roses and baby's breath on a pretty lace tablecloth. A beautiful birthday cake also graced the table.

Mrs. Ernest Bone, a daughter-in-law and a niece, Mrs. Jack Frisby poured tea in the afternoon and in the evening Mrs. Herman Morton and Mrs. C. S. Stong, nieces poured tea. Assistants in the dining room were two nieces, Mrs. Harold Morton and Mrs. Gordon Morton.

George Agar, a nephew, his wife and little daughter called during the afternoon. A sister, Mrs. Annie Morton of Edgeley, eighty-three years old and practically an invalid was able to be present. Mrs. Bone has two other sisters, Mrs. Richard Thomas of White Rose, ninety-one and Mrs. George Middleton, 73 years of Lang, Sask., who were unable to be present owing to ill health and distance.

Mrs. Bone was the recipient of very lovely gifts and hearty good wishes for many happy returns of the day.

Mrs. Bone, although 80 years old, is still active and able to enjoy life, visiting among her many friends.

Each year a boy and girl are chosen to be on the Toronto Symphony Orchestra Student Council. This year the representatives are Norman Middleton and Jane Reycraft. Agnes Kinnee, who was a representative last year, is now the secretary of the Council.
