Know Your Neighbour

"There's a 'Neighbour' I don't want to know too well," somebody is bound to say when they look at this week's subject — P. C. FRANK MOORE of Richmond Hill. ■

That, of course, would depend upon which side of the legal fence they were on. Irritated by the receipt of a speeding summons, or caught making off with the property of somebody else, they might have some reason to feel that way. But for those interested in observance of the law and the safety of the community there's no reason to harbour any but the kindest feelings towards the man who is responsible for policing the Hill and who, it might be said, has done it with a tact, discretion and efficiency which has made him many friends.

Before he came to the Hill P. C. Moore, who was born in London, England, had seen much other service in uniform. Starting his adult career as a postal clerk in London's General Post Office he went, after two years there, into that "top of the heap" military organization, the Life Guards. There he saw royalty at very close range. The Jubilee Medal which he wears tells of duty as a member of the Sovereign's Escort at the ceremonies attendant upon the Jubilee of King George V. He was on the escort, too, at the wedding of Princess Marina to the Duke of Kent and on other State occasions. Many in this district will recall the Life Guardsmen who sit their horses like statues in London's Whitehall. Once on a time the village's "John Law" was

"Definitely In Running" Says Reeve Percy C. Hill

"You can say that I am definitely in the running," said Reeve P. C. Hill when interviewed by *The Liberal* as to his intentions with regard to the forthcoming municipal elections.

"Nothing has occurred to change my mind since I stated two or three weeks ago that I intended to stand for reeve again this year," he added.

Loss Of Quarters Spurs Job Form Richvale Organization To Complete Community Hall

A serious situation is confronting the various associations and groups which have made use of Richvale school as their meeting place. Due to the fact that they will be displaced by the use of the school basement as a classroom, they are making a concentrated effort to raise funds to complete the purchase of materials for the Community Hall.

Controlling bodies of the various groups met last Monday evening under the chairmanship of A. Baskerville of the East Vaughan Ratepayers' Association and the problem was discussed at length. Outcome of the gathering was the formation of a group as a joint entertainment committee, with the duty of organizing enterprises for the benefit of the community hall building program.

First event sponsored by the committee will be a combination euchre, bridge, cribbage and bingo contest to be held in the school basement on Saturday, December 10.

Committee members are Mrs. Paul, representing the Girl Guides and Brownies; Mrs. Franks, representing the East Vaughan Ratepayers' Association; Mrs. Ince, of the Ladies' Auxiliary of the Boy Scouts and Cub Pack; Mr. Art Baraclough of the Canadian Legion branch; Mrs. Jarvis, Vaughan Women Works.

The enthusiasm of the group, provided that sufficient public support is received, is expected to put the project "over the top" in record time.

The drawing was made by Jack Smith, M.P., who congratulated the firm upon the improvements which had been made in altering and enlarging the store. It was a credit to the district, he said, and completely in keeping with the rapid developments Richmond Hill and its environs is experiencing. Harry Reid, manager of the store, replied to Mr. Smith's remarks.

Despite post-war industrialization, agriculture is still the most important Canadian primary industry.

Worth-while Concession Given Yonge Bus System By Rebate Of Seat Tax

The Department of Highways has agreed not to charge seat tax on the North Yonge buses up to January 1, 1955, declared Reeve Vern. Griffin of Markham Township at that municipality's nomination meeting held at Unionville.

His statement, made at a public meeting has been confirmed by officials of other interested townships. In addition it is understood that exclusive rights to operate buses on the City Limits-Richmond Hill route will be given to the municipally owned system.

Value of the concession if usage of the system by patrons is maintained at its present level is estimated to be around \$70,000. during that period.

It is understood that in return the townships will give the land over which the old radial tracks have run to the province, which forecasts the widening of Yonge Street to a four lane highway.

The seat tax referred to is a charge on the number of passengers carried by a bus system using the provincial highways. The tax is based on the fact that a commercially owned system would make use of the road built by the taxpayers' money in order to earn its profits and that therefore it should contribute something to the cost of the highway over which it travels.

Well Attended Meeting Forms Local Wing Of RCAF Assn. Harry Sayers First President

A wing of the Royal Canadian Air Force Association is now functioning in Richmond Hill as the result of a very well-attended meeting held in the Municipal Hall last Friday night.

Introduced by Harry Sayers, who was later elected first president of the wing, Air Vice Marshal G. E. Brooks, CB, OBE, provincial provincial president of the organization for Ontario, described the aims, deals and work of the association.

It was not, he said, in competition with any other veterans' association but was designed to serve as a gathering point for ex-members of the RCAF. Co-operation with other organizations and with the public in general was an essential, he stated.

AVM Brooks, one of the earliest members of the RCAF, reviewed the growth of Canada's air force briefly, going back to the days when the whole force had a total enrollment of less than three hundred. Pointing out that the RCAF association was officially recognized by the RCAF, he stressed that one of the association's big jobs was to see that the defences of Canada, especially by the air arm, were maintained at an adequate level. Dealing with local matters, the Air Vice Marshal emphasized the need of co-operation with local authorities in all matters having to do with the welfare of the country.

The association was growing rapidly, the speaker stated. Early in October it had over six thousand members in various wings across the country. At least fifteen to twenty more would be established before Christmas.

Conducted by James Butler, J. P., the elections resulted in Harry Sayers being chosen as president. George Sweeney of Richmond Hill was elected vice-president, with Mrs. J. N. McCarthy — one of the two members of the Women's Division present at the meeting — becoming secretary. Dr. W. D. Howe of Richmond Hill was elected to the treasurer's post. Committee members will be appointed at a later date.

Greetings from York County

First president of the newly-formed Richmond Hill wing of the Royal Canadian Air Force Association is HARRY SAYERS, pictured above.

He comes from a family which has resided in Richmond Hill for the last twenty-five years. Joining the RCAF in 1941 he trained as a radar mechanic and went overseas with the first draft of that class to be fully trained in Canada. After serving in operational and maintenance posts overseas he was posted to the Royal Air Force Radar School at Clinton, Ontario, and became a member of the instructional staff there with the rank of sergeant. After the war he was discharged to the RCAF Reserve, of which he is still a member.

A newspaper man before the war, he returned to this field and is now editor of one of the Maclean-Hunter Publishing Company trade papers.

Superintendent of Missions for Northern Ontario and North West Quebec, Rev. James A. Lytle, president of Toronto Conference, is to be the special preacher at both 11 a.m. and 7 p.m. services at the United Church, Richmond Hill, on Sunday, November 27.

The Toronto Conference, over which Mr. Lytle presides, includes not only the city of Toronto itself but extends northwards for hundreds of miles, taking in the most distant mining areas of Northern Ontario.

The remodelling of Richmond Hill's Municipal Hall which has permitted the installation of a police office has now been completed and P. C. Frank Moore, who has heretofore been making use of the Village Clerk's office, has a place of his own. He can be reached there through the Municipal Hall number — Richmond Hill 29.

Furnishings which will make the new office a going concern are expected to be installed shortly.

Beats Don Head But Not Winnipeg

Announcement last week of a five and a quarter ounce egg laid by a pullet on Don Head Farms, Richmond Hill, did not go unchallenged for very long.

Into The Liberal office this week came Harvey Jackson of R. R. 2 Woodbridge, whose farm is on the sixth concession a mile and a half north of the Maple Road, with a five and a half ounce laid by a White Leghorn pullet.

Winnipeg, with its six ounce egg, apparently still holds the Dominion championship but this district is creeping up.

Any more challengers?

Twenty Minute Rush Schedule Now In Effect

A letter received by Reeve P. C. Hill of Richmond Hill and Reeves of other municipalities interested in the operation of the North Yonge buses conveys the information that the twenty minute bus service during rush hours, forecast in last week's issue of *The Liberal*, was slated to come into being on November 22. The letter came from Mr. H. W. Tate, assistant general manager of the Toronto Transportation Commission. The accelerated schedule will be in effect from 4 to 7 p.m.

In his letter Mr. Tate said "On the previous schedule each of the Richmond Hill trips were double-headed to Langstaff during the peak of the evening rush hour period. With the new schedule three Langstaff trips will be operated by an extra bus leaving the City Limits at 4.30 p.m., 5.30 p.m. and 6.15 p.m. It is hoped that the foregoing changes will prove of considerable convenience to the residents north of Steele's Corners."

The revised time table of buses appears elsewhere in this issue.

Final Figures Of Poppy Day Are Gratifying

Final figures for Poppy Day collections for Richmond Hill are now available and indicate a most satisfactory public response to the activities of the Richmond Hill branch of the Canadian Legion, which handled them.

School children's sales for the fund amounted to \$137.55. The street collections brought in \$182. Wreaths and donations totalled \$74.10, making a grand total of \$393.65.

Members of the Legion committee have asked *The Liberal* to express their appreciation of the support given and to say that on the return of Mr. Wm. Adams from Sunnybrook Hospital he will make suitable acknowledgements.

New Police Office Now Completed

The remodelling of Richmond Hill's Municipal Hall which has permitted the installation of a police office has now been completed and P. C. Frank Moore, who has heretofore been making use of the Village Clerk's office, has a place of his own. He can be reached there through the Municipal Hall number — Richmond Hill 29.

Four Of Present 5-Man Body To Seek Promotion

At the most not more than two members of the 1949 Markham Township Council will be sitting on the 1950 body, declarations made by candidates at nomination meetings on Monday, November 21, indicated.

That number might be reduced to one, if an "outsider" is successful in capturing the deputy reeve'ship.

Four men were nominated for reeve of the township. Six were nominated for the deputy reeve and eleven for council. The number, however, included some duplications as some individuals were nominated for more than one office.

Reeve Vernon W. Griffin and Deputy Reeve Winfred W. Timbers, both nominated for reeve, declared their intention to run. Other nominees, Charles H. Hooper and Dalton Rummy, declined.

With one of them certain of election that will place one member of the 1949 council in office next year.

The three 1949 councillors, Harry H. Barber, Robert B. Rae and Fred Wicks, Jr., were among those nominated for deputy reeve for 1950 and all signified their intention of running. The election of one of the three would ensure that two members of the 1949 council would be in office in 1950. If, however, one of the other nominees was successful the winner of the contest for reeve would be the only 1949 council member to attend next year's meetings.

Nominees for the various offices had up to 9 p.m. on nomination day to declare which office they decided to run for and up to 9 p.m. the next day to qualify. The final slate which will be submitted to electors is:

For Reeve
Vernon W. Griffin (Reeve for 1949)
Winfred W. Timbers (Deputy Reeve for 1949)

For Deputy Reeve
Harry H. Barber (1949 councillor)
Robert B. Rae (1949 councillor)
Fred Wicks Jr. (1949 councillor)

For Councillors
Charles H. Hooper
William L. Clark
Alfred E. James
Nelson Findlay
