# LANGSTAFF NEWS

CORRESPONDENT — MRS. S. W. WORSDALE

Telephone Thornhill 257r12

Congratulations to Mr. and Mrs. Howard Charles, "Whitehaven," Sussex Avenue. Mrs. Charles arrived home from Grace Hospital on Monday, November 21, with week-old Ronald Wilfred. There are two other children, Judy who is six and Gerald, four. The Howard Charles' family moved to Langstaff from Toronto just over a year ago and live immediately opposite the long-known Charles family whose sons have taken such an active part in all the community's athletics. This is our first opportunity to mention the newer family and "via the grapevine" we hear that they are the helpful neighborly type that any developing area welcomes in its heart, though it may be slow in out-and-out saying so.

Mrs. William Pearson of Garden Avenue fell and broke her wrist last week. On Monday, when we enquired of her neighbour, Mrs. Crawford, we were glad to learn that it is mending nicely. Born on the same day as Ronald Wilfred Charles, was Linda Jean Robeson. Linda Jean has three brothers and she too has left the hospital and is at home on Boyle Drive with her parents, Mr. and Mrs. D. Robeson.

## Nicholson Old Country Trip By Air Was Enjoyable Event

As promised last week, the following are a few of the highlights of the recent trip to England made by one of Langstaff's oldest residents, Mr. Ernest Nicholson of Church Street.

The flight going took 19 hours with changes or stop-overs at Montreal, Gander, Prestwick (Glasgow), then on to London. The return journey included a stop at Iceland where the temperature was almost zero and actual flying time was 17 hours 10 minutes. Mr. Nicholson was not the least airsick, found the flight very smooth and enjoyed the delicious meals served. By way of interest, the distances are Montreal to Gander, 939 miles; Gander to Prestwick 2158 miles; Prestwick to Heathrow Airport, London 337 miles.

While in London, Mr. Nicholson made his headquarters at the home of his sister, Miss Minnie Nicholson at Wymmsley Gardens in South Kensington. He was amazed at how easy it is to get about this great city, and how fast, visiting many of the famous and historic places. He particularly enjoyed seeing the King's silver and the crown jewels in Buckingham Palace, and the walk down Pall Mall past Princess Elizabeth's house, although on that particular day Prince Charles was not out in Green Park as usual. Of course he went to Westminster Abbey and St. Paul's Cathedral; the latter he found surrounded by about a square mile of open space, many narrow streets and much of Fleet Street having gone up in flames during this past war's fire-bombing. There is now little evidence that a bomb went through St. Paul's but fortunately did not explode. He was surprised also to find the large departmental stores as modern as the most up-to-date here. He went to see the roof garden at John Barker's which he understood was one of the finest in the world. One of his general impressions was that the ladies were very smartly dressed, he couldn't help noticing that somehow they managed to match their accessories. In all, he spent about a week and a half in the metropolis, some of it visiting relatives at Tottenham, Walthamstow and other districts in the Greater London area.

Regarding the Home and School Sale which starts in Langstaff Public School at three o'clock this Saturday afternoon, Mrs. Jack Cooke, the convener, will be glad to give any additional information which may be required by anyone. Phone 78J.

Last week at the Royal Winter Fair, Mrs. Wes Blackburn of Essex Avenue, won second prize for her junior doe white angora rabbit entry. Her senior doe placed fifth out of a class of thirty-six. Mrs. Blackburn attended the annual dinner for exhibitors, which is by invitation only.

Mrs. Martha Minorgan, a resident of Langstaff for the past two and a half years, passed away at her home on No. 7 Highway on Friday, November 18. Interment was made in Sundridge Wednesday afternoon, November 23. She is survived by a sister, Mrs. Francis Hatch in San Diego, California; brother, George in Sarnia; brother Charlie Church at Dilke, Sask.; sister, Mrs. Stuart at Chamberlain, Sask.; and daughter-in-law, Mrs. Margaret Reynolds, also grandson, J. A. Minorgan, both of Langstaff, to whom goes the sincere sympathy of the community.

## Langstaff Church Notes

We invite you to come to Langstaff Young Peoples Society at 8 p.m. Friday, November 25, when a picture of the work accomplished by the Toronto Bible College will be shown. This should prove to be a very interesting evening. We invite anyone who is interested. In spite of the nasty evening last Saturday there was a good attendance at Youth for Christ.

"A Slow Boat To China" is alright in some ways — but for fast buying and selling try a Liberal Classified Ad. Telephone Richmond Hill 9.

Science turned their backs on the target

Science is playing an increasingly important role in Canada's new Army. In heavy anti-aircraft, for example, complex radar equipment predicts to within a few feet exactly where the target is and will be. The gunners, their backs to the target, fire with amazing accuracy by instrument.

Training men in the use of modern scientific equipment is a major requirement in Canada's new Army. Thousands of young men are attending some of the finest schools in the country, specializing in electronics, radar, radio and telephone. In addition, there are openings for clerks, drivers, mechanics and many other trades.

New higher pay, good food and quarters, trades training and the opportunity for advancement make the Canadian Army Active Force one of the most attractive careers open to young men today. You are eligible if you are 17 or over and can meet Army requirements. Visit your nearest recruiting office soon for full details. Bring certificates of birth and education with you.
